produce an organization that is of some consequence to the school and community. The second is based upon the "gang spirit" of the boy. A boy has a pride in numbers of his kind.

A band should be organized as an integral part of the school. It should not be organized around any other interest. For instance, some bands are built up in the fall to play for the games. When the games are over the band breaks up. A band can be made and maintained if the proper interest is aroused in the boy's minds.

A series of concerts in the early spring or a tour will do much to heighten the efficiency of the band and tighten the organization.

MAKE CARE OF BABIES EASIER

Baby's Own Tablets Are a Great Help to Mothers of Young Children

Stomach disturbances and constipation are responsible for much of the peevishness of babies. The modern mother does not resort to so-called soothing mixtures but corrects the trouble by sweetening the little stomach and giving a gentle laxative that acts without griping. Such a remedy is found in Baby's Own Tablets, easy to take and guaranteed to be free from opiates or narcotics.

Every mother who tries Baby's Own Tablets becomes enthusiastic about them. Mrs. Oscar Auger, Holyoke, Mass., says: "I have used Baby's Own Tablets and think them a splendid medicine for constipation and other ailments which affect little ones. I have no hesitation in recommending them to other mothers." Baby's Own Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont. A little booklet, "Care of the Baby in Health and Sickness," will be sent free to any mother on request.

Daniel Didn't Dare!

Daniel summoned up courage enough to escort a pretty girl home from church. At the breakfast table the next morning his father asked: "Well, Danny, did you take any of the girls home last night?"

"Yes," stammered Daniel.

"Who was she?"

Daniel hesitated and then blurted out: "I thought it was Rosie Haven, but when we got to the corner she went into Mary Bates's house."

"But couldn't you have found out by her voice?"

"Neither of us said a word," Daniel stammered.

RHEUMATIC PEOPLE CAN NOW FIND RELIEF

By Driving the Poisonous Acid From the System.

Rheumatism attacks people when the blood is thin and watery, or charged with impurities thus setting up inflammation of the muscles and joints. Cold, wet weather or sharp winds may start the pains, but the cause is rooted in the blood and to get relief it must be treated through the blood. As a blood builder and nerve tonic Dr. Williams' Pink Pills are unsurpassed and for that reason do not fail to give relief to rheumatic sufferers when given a fair trial. Among the rheumatic sufferers who have proved the great value of this medicine is Mrs. Simeon J. Tatton, Indian Head, Sask., who says: "For over two years I was an intense sufferer from rheumatism and until I began the use of Dr. Williams' Pink Pills no treatment that I took helped me any. The trouble grew so bad that I could not move around the house without help, and finally I had to give up and go to bed. Words cannot tell how much I suffered and I could not bear to have anyone come near me. Finally one of my neighbors strongly urged me to try Dr. Williams' Pink Pills, and I decided to do so. In the course of a few weeks I could feel an improvement, and I was able to get up. I kept on taking the pills until all traces of the trouble were gone, and I could again do my housework, feeling like a new person. Three years have passed since that and there has never been the slightest return of the trouble, so that I feel safe in saying that the relief brought by this medicine is permanent."

You can get the pills from your druggist, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

MRS. B. H. HART SICK FOR YEARS

Wants Women to Know How
She Was Made Well by Lydia
E. Pinkham's Vegetable
Compound

Cornwall, Ontario. "I am now giving your medicine a fair trial and it surely is doing me good and I am going to keep on taking it." I used to feel so tired in the morning that I didn't want to get up, but that feeling is leaving me now. I also sleep better and feel more like working. For seven or eight years I have had headaches, tired feelings, pains in my back and across my body. I read letters in the newspapers saying what good Lydia E. Pinkham's Vegetable Compound had done others. My husband says I quit too soon, but I am not going to stop taking the Vegetable Compound and Lydia E. Pinkham's Blood Medicine until I am better and haven't an ache or a pain. Isn't that the right way? I have great faith in your medicines. They must be good when those who take them speak so highly of them. I am recommending them to my friends and I will gladly answer letters from women asking about them." —Mrs. B. H. Hart, Box 1091, Cornwall, Ontario.

Mrs. Hart wants to help other women and is willing to answer letters from sick women asking about the Vegetable Compound.
