NO ARRESTS IN LOTT ROBBERY

Word reached Stouffville last Thursday that one or two arrests had been made in connection with the robbery and assault made on Ralph Lott during the last week in October at his home on the 7th of Pickering when nearly \$1000 was stolen from his house. Early this week The Tribune got into touch with Chief Constable Taylor at Whitby, only to learn that the report is quite incorrect, and that there is no foundation for such stories as are going around.

Constable Taylor is working on the case, and so far has been unable to cast suspicion on any local parties for the robbery. "Would you say that arrests are likely to be made soon," asked The Tribune. "No I couldn't even suggest that unless something new turns up," replied the Chief.

As stated last week Mr. Lott is quite recovered, and is home from the hospital.

EMBARGO LIFTING

The potato embargo on shipments to points in the United States, is gradually lifting. It is now applied against only a few points, as the glut in most railway yards is cleared away.

CAN'T TELL OPENING DATE

Part of the steam heating plant is now installed in the new Baptist church and the building is therefore being heated. The final coat of plaster will be commenced this week, but the building is not likely to be ready for church services until after the new year. There is yet all the trim, seating and painting to be done.

MARKHAM STAGES BIG CELEBRATION

Quite a number of local people took in the celebration at Markham Tuesday night, on behalf of Col. T. H. Lennox, the newly elected member of parliament for North York. The Stouffville band participated in the affair, when a torch light procession was formed at Unionville, going to Markham, where people were turned from the hall. A special program was put on, and a number of speeches heard, including an address from the new member of parliament, who thanked his supporters most heartily in this section of the riding for their vote and influence.

SUCCUMBS TO LONG ILLNESS

Following a lingering illness death claimed Mr. John W. Houck, who passed away at his home at Cashel on Friday afternoon last. Mr. Houck was confined to his bed for over a year with cancer, for which he was operated upon twice a year ago in a Toronto hospital. He was a great sufferer, but very patient and bright, and all that loving hands and medical aid could do was done to alleviate his suffering until the end peacefully came. His funeral, which was attended by a very large concourse of friends and neighbors, was held at Melville church on Monday afternoon and was conducted by Rev. R. Young. Interment was made in Melville cemetery.

Mr. Houck was born seventy years ago in Markham village. When he was about a year old, his parents moved to Cashel and here he lived on the same farm until his death. He was a good christian citizen, a kind neighbor and friend, and a faithful member of Melville church. He leaves to mourn his loss his widow (formerly Miss Martha Quantz), three daughters and one son, Mrs. Percy Penterbaugh of Maple, Mrs. Earl Tait, of Lincolnville and Miss Edna and Harvey at home.

Christ Church Annual Bazaar

The annual bazaar under the auspices of the W.A. of Christ Church (Anglican) Stouffville, held last Saturday in Porter's ice cream parlor, proved to be very successful. Although the day was somewhat unpleasant and cold, the attendance was large, and the candy, home-made cookery, and fancy articles for Christmas presents were very readily picked up. The proceeds from the picture show and the bazaar amounted to something over one hundred dollars. The members of the W.A. wish to thank all who so kindly patronized them, and those who donated, and helped to make it a success. There are still some very pretty articles left for sale which may be seen at Mrs. Leaneys.

The Profit Lies in the Finish

IT PAYS to market cattle with the proper degree of finish. A quality product always commands a premium and is readily saleable at a profitable price. If you have stock which needs a little more time for finishing, and the feed is scarce, see the local manager of the Standard Bank. It is a simple matter to arrange a loan to carry the stock until a favorable market warrants a profitable sale.
