PROPER PRECAUTION NOT TAKEN BY DRIVER

"From the evidence we are of opinion that Miss Davidson did not take proper precautions." That was the concluding clause in the verdict of a coroner's jury under Dr. J. H. McConnell, which on Monday last inquired into the death of Miss Bertha Denby, aged 55, of Lansing, who was struck and fatally injured near Finch's Corners, on North Yonge street, on the evening of Nov. 29th, by an auto driven by Miss Margaret Davidson of Unionville. Miss Davidson was blinded by the lights of a radial car, which are a public menace as many of us know. Why are they allowed?
