FADA RADIO

It was Fada's early vision of radio that made possible the Fada "Standard of Reception" by which today all radio performance is being judged.

FADA RADIO gives you a clear, sweet, rich quality of tone such as you never thought possible—softly or with full volume as you may prefer, a command of real distance for those who measure radio in miles and the ability to tune in with precision the stations you want, just as easily as you tune out those you do not want.

Equally pleasing is the variety and beauty of cabinet designs. All masterpieces of craftsmanship and worthy a place in any home. Ask for a demonstration, then for the first time prepare to fully appreciate radio. A FADA in your home today will quickly prove its right to stay.

ELECTION ORATORS UNDER CHARGES

These are sensational days in the lives of politicians. Since the federal election no less than two speakers who appeared on the political platforms of North York, have been placed behind the bars on theft charges, they being J. A. M. Armstrong of Schomberg and George P. Smith, former Minister of Education in the Alberta Government.

Armstrong who spoke on the platform in the latter part of the campaign in the support of Col. T. H. Lennox, was arrested last week at his home in Schomberg and after remaining in custody for the greater part of a day, was released on \$50,000 bail. He is specifically charged with taking money which did not belong to him, or misappropriating it. The bondsman who went his bail are: Harvey Clark, gentleman, of Schomberg, \$25,000; Alwin E. Sweeney, clerk, of Toronto, \$5,000; Col. A. G. Nicol, of King Township, \$5,000; R. S. Unwin, of Toronto, \$5,000; Wm. C. Armstrong, of Toronto, \$5,000 and Harold Rowlett of Toronto, \$5,000.

Hon. Mr. Smith, the other unfortunate public man, was arrested in Edmonton on Friday, charged with stealing \$5,820 by means of fraudulent printing invoices, when he was in office. Hon. Mr. Smith is now out on bail of \$20,000. He will be remembered as having spoken in Stouffville for the Prime Minister on the occasion of Mr. King's visit here, just prior to election day. Mr. Smith was perhaps the most impressive speaker of the evening, his oration on the tariff being very convincing.

Both of these men were highly respected citizens of their respective communities, but why men of such intelligence should allow themselves to come even under reproach is hard for the average man to understand, and forms a matter for deep regret. On the other hand it is a matter for congratulation that we have law and righteousness that is bold enough to punish the wrong-doer regardless and irrespective of his station in life.

F. C. ROWBOTHAM RESIGNS S. BOARD

The final meeting of the Stouffville School Board for 1925 was held in the school building on Friday evening. In the absence of Rev. C. E. McLeod, chairman, Mr. D. J. Aitchison officiated in this capacity.

The monthly report for the continuation school showed that the number of scholars is on the wane, if there is any difference at all from last year, the present attendance running at 78.

Mr. F. C. Rowbotham tendered his resignation as a member of the board the same to take effect at the end of the year. He explained that he took the opportunity of filing his resignation at this time in order that his successor might be nominated at the regular nomination meeting without inconvenience to anyone. After assuring the board that he would not reconsider the step taken, the resignation was received.

The chief item of business was the passing of accounts which did not occupy much time, and the items all for supplies, were small.

The secretary was voted his usual salary of \$75 for the current year, and Mr. Harry Perry was re-appointed truancy officer for 1926 at a salary of \$25.

Members present: D. J. Aitchison, F. C. Rowbotham, A. E. Booth and E. A. Lloyd.

FANCY PRICED WOOD

The public auction sale of 5 1/2 acres of standing timber known as the Starr bush in Whitechurch Township, Tuesday afternoon by Wm. Ratcliff, the owner, set a new high record on timber values in this township. As the sale totalled \$2245, it averaged over \$400 per acre. The timber was sold in quarter acre lots, and one of these brought \$105 while four other lots sold at \$100 each. A few separate trees were sold and brought \$16 and \$18 each. This is a choice piece of virgin bush, containing fine specimens of first growth trees, hardwood, which is probably the last of their kind in the township.

RINGWOOD

Hugh Boyd has purchased a house in Stouffville.

Mrs. Hugh Boyd was a Toronto visitor a few days recently.

Our skating sports are digging up skates and hockey sticks these days.

A number around here are suffering from severe colds.

Mr. and Mrs. Walter Miller of Stouffville, spent Wednesday at Sam Miller's.

Wm. Grove and Mervin Brownberger were rabbit hunting on Tuesday and arrived home with ten.

About six weeks ago Mrs. T. M. Brueels, a former resident here suffered a severe heart attack, at the home of her daughter, (Victoria), 564 Church street, Toronto. Mrs. Brueels is still quite ill, but old friends may see her at the above address should they be in Toronto.

An accident which looked like poor engineering on the part of the truck driver occurred on the townline Friday evening, resulting in Wm. Pipher's threshing outfit being crippled, and completely put out of business. The engine, cleaner, water tank, horse and buggy were passing over the bridge at R. Ratcliff's coming east, when they were overtaken by a big truck in charge of George Rodantz of Uxbridge Twp. The truck man attempted to pass the slowly moving outfit right in the centre of the bridge, and on a road more or less slippery with a covering of snow. Pipher's assistant was at the rear waving his lantern frantically when he might have had better success had he used his red flannel shirt, for on came the truck full speed ahead. Colliding with the buggy, it easily tipped the vehicle over the horses head and into the ditch. Next the chassis struck the wheel of the cleaner breaking the heavy axle clean off which left the machine helpless on the road. Damages to the truck amounted to \$50, and to Pipher's big caravan very much more. If the loss of time is considered.

TAX ARREARS

Unpaid taxes in Stouffville this year amount to \$1100, which is equivalent to the amount unpaid at this time last year. A good deal of this money will be paid over early in the new year.

Collingwood Enterprise: "A strange incident occurred on Saturday evening last, while the Salvation Army outdoor service on Hurontario street was in progress. A motor car with curtains on drove up close to the speakers and after remaining for some time the occupant threw out a .32 repeating revolver enclosed in a leather case, exclaiming: "Here, take this," and drove off. His identity is unknown. The captain of the Salvation Army deposited the weapon with the chief of police."

Many chickens were stolen last week from the hen house of the Amellus Jarvis Farm, south of Aurora. It is reported that thieves showed audacity to the extent of actually killing and plucking the birds. County Constable T. B. Kirk advised poultry keepers to make sure their hen houses are secured against these gentlemen, who are so freely providing their Christmas dinners. Most every morning has found some hen house robbed in that district.
