ARE YOU? WHEEZY?

Many people are because of Chronic Bronchitis or other affections of the Bronchial Tubes, but it isn't necessary. Bronchitis troubles quickly disappear when treated with NYAL CREOPHOS. Creophos relieves congestion, clears away inflammation and drives out disease germs at the same time it builds strength and renews waste tissues. Creophos is just what you need to build you up and to stop that lingering cough.

TAX ARREARAGES TOTAL ONLY \$270

There was a full membership at
the first regular meeting of the
Stouffville Council held in the
Council chambers on Friday evening
last, with Reeve Silvester at the
head of the table.

Tax Collector H. Perry was on
hand, and like a good Samaritan,
pleaded on behalf of the delinquent
tax payers, that he might be given
just enough time to see the debtors
once more before the axe would fall.
Only \$270.33 was outstanding, and
a portion of this would be charged
against the properties, but in other
cases the law compels a seizure.

An item of general importance
was the passing of a bylaw appoint-
ing the town officers for the new
term. There is little change from
last year, but no change whatever in
salaries. The appointments are:
Assessor—H. Perry at salary \$100.
Auditors—W.H. Clark and M.E. Watt
at salary of \$7.50 each.
Library Trustee 3 years—Mrs. N.
Forsyth.

Member Board Health—A.V. Nolan
Sanitary Inspector—J. Neidick
Pound Keepers—Sandy Jones, D.
Machoniche.
Fence Viewers—J. Fockler, H. Elson

It was decided to continue the
practice of holding the regular meet-
ings of council on the first Friday of
each month.

PICKERING S. S. DELEGATES MEET

On Friday, Jan. 15th, the annual
convention of the Pickering Town-
ship Sunday School Association was
held in the United Church, Brough-
am, there being three sessions.

The convention was opened by
the president, R. W. Wilson of
Myrtle. The provincial worker, Rev.
A. E. Owen in his remarks during
the conference held in the opening
session advised the executive to meet
once a quarter, also assistant teach-
ers selected for each class in the S.
S. which should both start and end
on time, giving a full teaching
period. This helped to create a
reverence besides keeping every
person good natured. Mrs. Edward
Wilson in a letter expressed regrets
that she was prevented from being
in attendance at the convention
through illness, and it was resolved
to send flowers to her.

Mr. John Phillips opened the
afternoon session telling of the first
convention which was also held in
Brougham forty years ago, and out
of all the numbers present only three
men were alive today. In his re-
marks he spoke of Elijah and Paul
getting discouraged, but seeing the
multitudes they took courage, and
he advised S.S. teachers to take
courage and be even more faithful.
The report of the Provincial Con-
vention was given in the afternoon
by Miss M. Miller. This was a most
interesting account and proved ex-
ceptionally helpful. Rev. Mr. Owen
of Uxbridge gave an address on the
"Seven Steps in Life," during which
he traced the different stages
through which our boys pass, and
how they should be aided and helped
in each. How parents should aim
to give their boys an education that
will place them in the right calling
for which they are best adapted.
The speaker also spoke on the in-
fluence of environment or the home
on the boys' character, but said that
throughout all the years Christ
should be placed first instead of
last, and that if boys will use the
talents given them God will do His
part.

The address of the evening, "Is
the S.S. the place for Evangelism,"
was given by Rev. E. Osborn, who
said that the object of Evangelism
was not to save souls, but also to
redeem lives from destruction, and
regenerate them. As habits are
formed by boys and girls during
the years usually spent in the
Sunday School, it was most impor-
tant that teachers gave their scholars
the best training possible towards
good habits.

Thanks was extended to Mrs. R.
Miller and the Claremont quartette
for rendering of musical selections
during the convention. Apprecia-
tion was also shown for the kind
hospitality shown the delegates who
were served meals in the town hall
Next year's convention will be held
in Altona.

S. S. DELEGATES HEAR JUDGE MOTT

The fifty-seventh annual conven-
tion of the Markham Township Re-
ligious Education Council was held
in the United Church, Stouffville, on
Friday last week. All sessions were
unusually well attended, the body
of the church and gallery being
well filled both afternoon and even-
ing. The sessions were ably presided
over by the retiring president, Mr. S.
Brownsberger. The chief speakers
for the afternoon were Mrs. F. Rae
of Willowdale who addressed the
children, and Rev. J. C. Robertson
of Toronto who spoke on "Methods
of Teaching the Lesson".

In the evening the church was
packed to the gallery to hear Judge
H.S. Mott of the Juvenile Court,
Toronto, deliver an address on
"Our Children". It was full of spen-
did thoughts, practical experiences
and helpful advice. He said his re-
marks might better be styled,
"Things we appreciate in Life," but
it was all good regardless of what
the title might be. Judge Mott re-
ferred to the manner in which the
industrial wizard, and the farmer
tackled the problem of turning raw
material into the finished product.

These men are all studying how
best they can turn the finished pro-
duct of the factory and field into a
first-class finished article with
least expense, and in the least pos-
sible time. Science has been applied
to farming and manufacturing, but
did you ever hear of science being
applied to the rearing of children?
In this we have been remiss in our
duty. There has, however, been
some research carried out in regard
to developing character in children.

The child is born with certain
raw material, the character is the
finished product. Normal children
are born with the necessary in-
stincts to develop this. Our duty
is to take it into the home as par-
ents, as teachers in the Sunday
School, and develop those instincts
which are the gift of the divine.
The child's ideal is its mother—
fortunate that child whose mother
is linked with the divine. Father
becomes the ideal when the boy
reaches about 12 years. Now he
wants to be like dad. It becomes
father's duty to introduce the boy
to the outside world. Some of them
are mighty incapable, but fortunate
the lad whose father had builded
well.

Among the natural instincts of
the child are play and pugnacious-
ness. The former is a body builder
and character builder also, and the
latter would ultimately be transfer-
red against things they know are not
right. The only means of recompense
said the speaker, to forebear for the
good we have done which is our in-
heritance, is to pass on to our chil-
dren that which we have received.

Following Judge Mott's address
the new president was introduced in
the person of Rolph Boynton, who
made an appeal for true loyalty to
the Sunday School.

THE SHORT COURSES

The Short Courses in Agriculture
and Domestic Science are progress-
ing very favorably indeed. The at-
tendance is very regular and all
the students show a great deal of
interest in the lectures and demon-
strations. Miss Annie, the teacher
in Domestic Science has taken
charge of the girls' class upon the
completion of the course in home
nursing under Miss Graydon.

A special afternoon was put on
at the course in Agriculture, for the
milk producers of the district.
About fifty were present, and much
interest was shown in the discus-
sion. Several afternoons are being
spent this week in stock judging.

Special attention is drawn Monday
and Tuesday afternoons next, to the
poultry lectures and demonstra-
tions. Everybody interested in
poultry should make an effort to be
present.

T. H. Shields, B.S.A., of Peter-
boro, a well-known agriculturalist,
will be present on Monday, Feb'y 5,
when he will lecture on the subject
of bees.

You are welcome to attend at
any time, so make an effort now. It
is not too late.

MRS. WM. MALLOY

Shortly after noon hour on Sun-
day (Jan. 17, 1926), one of Stouff-
ville's fine old ladies, Mrs. William
Malloy, passed away rather unex-
pectedly following only an illness of
three weeks in bed, during which
time she withstood the attack of
ill health with such patience and
fortitude that it was not realized
the end was so near. Mrs. Malloy
was in her 82nd year, and death was
due to old age, although her heart
was strong until Sunday when with-
in a few hours of the end the phys-
ician realized her time was short.

Mrs. Malloy came to Stouffville
with her husband who was publisher and
editor of The Tribune for so many
years dating from the year
1890, just twenty years after the
railway came through. Born at
Kinghorn in the Township of King,
Mrs. Malloy was a daughter of the
late Job Wells, and is the last of a
family of four. Fifty-six years ago
she was married to Mr. Malloy who
survives her together with one son
Howard of the Tribune staff. Mrs.
Malloy was a Methodist in religion,
and was quiet and sympathetic in
her nature. The funeral on Wed-
nesday to Stouffville cemetery was
largely attended, and was in charge
of Rev. H. S. Warren. The service
was held at the late home, the resi-
dence of her son on Market street.

HOCKEY NOTES

On Thursday night last Altona
defeated Almiria rather decisively
in a very fast game by a score of
7-3. The play was clean through-
out, there being only two minor
penalties. McNair and Reesor were
stars for Altona, getting 4 and 3
goals respectively, while the Lehman
brothers were most effective for
Almiria. Line-up:
Almiria—Mackay, Lehman and
Gayman defence, Lehman and Pug
forwards, Clendenning and White
subs. Altona—Stover, G. Barkey &
Reesor defence, McNair and Davis
forwards.

Referee—Jack Baker.

The second game the same even-
ing was won by Ballantrae over
Ringwood. It made a big hit with
the fans. Final score 6-5.

Monday night's game was inclined
to be slow in both groups, the ice
being in such a sticky condition
that team play was out of the
question. In group A. Stouffville
and Bethesda broke even, the score
being 3-3. In group B. Stouffville
defeated Lemonville by 3-1. Both
games saw some hard checking at
times, but play on the whole was
clean.

Group B. Standing:

	P	W	T	L	Pts
Altona	1	1	0	0	2
Stouffville B	2	0	2	0	2
