Nyal's Stone Root Compound

Expels uric acid from the system. A reliable specific for Kidneys, Bladder and Liver.

When the kidneys are diseased they cease to do their important work and instead of cleansing the blood of impurities the waste products remain in the blood until the whole system is affected.

NYALS STONE ROOT COMPOUND acts on the Kidneys, Bladder, Liver and Urinary Tract—Invigorating, stimulating and restoring to healthful action the organs that filter the blood and remove the waste products therefrom.

When Kidney trouble is suspected take NYALS STONE ROOT COMPOUND.

PLOWMEN'S ANNUAL

North York Plowing Association is in a flourishing condition according to the financial statement presented to the members at the annual meeting held in Stouffville on Wednesday last week. It was shown that a snug balance of cash is on hand to start the new year with after paying a heavy prize list last fall. This came as cheerful news when it is remembered that the organization is but two years old.

President, Win. Timbers, wielded the gavel at the second annual, there being an excellent turnout of members, and the enthusiasm displayed augured well for the 1926 match. Many suggestions for the improvement and enlargement of next year's prize list were advanced and some of them are likely to be adopted. The matter of setting the date and place will be determined by the directors at a later date.

Officers elected for the current year are as follows:

President—D. J. Trah
1st Vice Pres.—Lloyd Turner
2nd Vice Pres.—Ross Ratcliff
Secretary—J. W. Reesor
Financial Sec'y—A. V. Nolan

60 YEARS MARRIED

There are very few who are able to say, "It is sixty years since our wedding day." Mr. and Mrs. Flavis Reesor of Altona, have reached the point of time when they can make that claim. When we get the chance let us take them by the hand, and extend to them our hearty congratulations. Last Saturday night a great many of their neighbors went to their home, in memory of this wonderful event.

After some time was spent in friendly conversations, brief addresses were given by Rev. A. G. Warder, Rev. E. Mortson, prayer was then offered by the latter pastor. It was delightful and inspiring to hear the folks present, take hold of the songs that were sung, as their voices carried them heaven-ward; and the very looks of the aged couple was an index to their souls' happiness, because of the occasion. Two sons and one daughter of Mr. and Mrs. Reesor are living to enjoy the thought of their parents' lives being spared through four-score years. One of the sons, Almer, lives in Toronto, the other, Joseph, lives a short distance from Scarborough Junction. The daughter, Mrs. Wellington Paisley lives in Whitechurch Township.

A purse quite substantial was presented to Mr. and Mrs. Reesor; and in expressing himself, he said he did not know he had so many friends.

BROUGHAM PRESBYTERIANS GIVEN A CHURCH

The Ontario Church Property Commission in decisions handed down on Friday last made the former Methodist church at Brougham, about eleven miles south-east of Stouffville, available for the minority of St. John's Presbyterian church in that village.

The hearing of the case of the minority of St. John's resulted in the former Methodist church, valued at \$1,500, becoming available for the non-concurring Presbyterians. In this case the church vote was very close, being 20 to 18. Upon agreement of the two factions, the following ruling was made: "The non-concurrences shall have the use of the Methodist church for a period of five years, to pay a nominal rental of \$1 per year, pay all insurance premiums and maintain repairs as in the past, provided, however, that if these terms are not lived up to, or if the minority does not show good faith within three months, their lease shall terminate."

BUS SERVICE NOW OPERATING

The novel way to travel now is by motor bus, and the newly inaugurated service between Stouffville and Toronto was established on Monday. Fine big comfortable cars are on the service, with splendid roomy seats such as are found in railway coaches. While the buses were not crowded on Monday, it was well patronized on Tuesday morning when about 25 passengers boarded it between Stouffville and the sixth concession.

The new service is to be known as the "Maple Leaf Bus Lines". Special places of call enroute to Toronto are Ringwood, Cashel, Unionville, Hagerman's, Agincourt, Ellesmere and Wexford. In the summer Musselman's Lake will be included in the route, and the service now connects with a car from Markham to Unionville. A pleasant waiting room is provided at the Toronto end at 598 Bay street or 2928 Danforth Ave. Arrangements are being made for waiting room accommodation in Stouffville.

A new revised schedule has been decided on from that published in last week's Tribune, which will be enlarged on in the spring time.

Cars leave Stouffville daily excepting Saturday and Sunday at 8.30 a.m. and 3.00 p.m. Leave Toronto at 1.00 noon and 6.00 p.m. The Saturday schedule will be same as above with an extra car leaving Stouffville at 8.30 in the evening, Sunday car service: Leave Stouffville 11 a.m. and 7 p.m. Leave Toronto 8.30 a.m. 1.30 noon and 9.30 p.m. For further information Toronto residents may phone Adelaide 6308 or Ran. 045w.

The fare from Stouffville to Toronto is \$1.60 return, from Markham \$1.00, and from Unionville \$1.00. The single fare from Stouffville is 85c. A book of tickets may be purchased which will entitle the holder to ten trips at the following rates from these points: Stouffville to Toronto \$7.50, Ringwood to Toronto \$7.00, Cashel to Toronto \$6.00, Unionville to Toronto \$4.00, and lesser amounts from nearer points.

DIED IN HIS 80th YEAR

Following a residence in Stouffville of 22 years, death removed one of our esteemed citizens of the west end on Tuesday afternoon in the person of Darius Clendenning, who was in his 80th year. Death came as a result of quite a long illness, and it had been many months since our townsman had been able to greet his friends on the street.

The late Mr. Clendenning was born in the Township of Markham, being a son of the late Jacob Clendenning. He spent most of his active life on the farm in Whitechurch, and 59 years ago united in marriage, his wife and family of two sons and five daughters surviving, to reverse the memory of a kind husband and father. The family are: Frank of Galt and Harvey living west of Stouffville, Mrs. E. Ratcliff (Carrle) of Whitechurch, Mrs. (Dr.) Campbell, (Nellie) of Galt, Mrs. Duncan, (Francis) of western Canada, Mrs. Ross (Gertrude) of Vineland, and Miss Zora at home.

The funeral will take place on Thursday from the late home, with interment at Stouffville cemetery. Service at the late residence at two o'clock.

OPTOMETRY

The practice of Optometry (pronounced Op-Tom-et-ry) is the employment of any means, other than the use of drugs, for the measurement of the powers of human vision and the adaptation of lenses for the aid thereof. It is one of the most important professions of the present age.

The Optometrist is now recognized by law as the one trained in the art of determining the visual status of the human eye and the neutralizing of its abnormal condition with lenses. For all error of vision—not caused by disease—the service of an Optometrist are desirable because his work is, specifically, the examination of the eye and the selection and adjustment of proper glasses.
