

LOCAL HAPPENINGS

Western potatoes are coming onto the Toronto market at \$2.25 per bag.

H. Perry, the assessor, is on his rounds again, which will assure us of another tax bill this fall.

For the first time in several moons, Mr. George Urquhart was able to get down town on Monday, following a period of indisposed health.

Mr. Bert Miller has given up his position with the B. & S. Telephone Co., in Stouffville, as plant chief, and Mr. Thos. Jennings has been appointed to fill the vacancy.

Beautiful bouquets of mixed flowers will be sold from Shaw's store window on Friday and Saturday this week. Price 75c. per bunch. Watch for them. They will be fresh from Muston's greenhouses.

Mr. Wm. Bruels of Hamilton, a former resident of this town, has secured the contract for placing brass weather stripping on the windows of the new Stouffville post office, and is in town at present to do the work.

One of the very oldest citizens in these parts is Daniel Hoover, living near the townline and the 6th concession, labels the present winter as one of the nicest he can remember. Mr. Hoover celebrated his 93rd birthday last October and is therefore qualified to express an opinion, having seen more winter than most people.

Among those who renewed their subscription this week to The Tribune is Philip Ramer, of Ringwood. Mr. Ramer has passed his 82nd birthday, and has witnessed the 56th anniversary of his wedding day, but is as smart as the average man of 70. He can still perform a full day's work on the land with the average man. Both Mr. and Mrs. Ramer are to be congratulated on attaining such a long happy married life.

We are informed by H. O. Klink, Pres. of the Horticultural Society, that the Society has ordered 150 rose bushes of the Hybrid Teas and Hybrid Perpetuals and such climbers as American Beauty, K.A. Victoria, Testout, etc.; also 50 hardy climbers such as Pauls Scarlet, American Pillar, Dr. Van Fleet, Crimson Rambler, Goldfinch, Excelsa, etc. All 2 or 3 years old with 3 to 5 branches. All named, labelled and packed separately. Amazingly low prices to Society members. Join the Society, buy to advantage, and make Stouffville more beautiful.

Read Tip Top adv. on this page. Special to men. A. E. Weldon.

Jas. H. Ratcliff is taking an enforced holiday, having been summoned to serve on jury in Toronto.

The sleek, well conditioned milk cows for sale at K. G. Tarr's auction on March 10th, are well termed as "mortgage lifters."

Muston's Nurseries will have a wonderful display of bouquets in Shaw's window on Friday and Saturday. Watch for them and pick yours out early.

BE CAREFUL—Don't operate too quickly, many operations for Tonsil troubles, Catarrh, adenoids, Coughs, Bronchitis or other throat and nose infections are avoided when "Mrs. Sybilla Spahr's Tonsillitis" is applied. Good results, guaranteed at Storey's Drug Store, Stouffville.

The girls of the United Church Mission Circle happened to stage their old fashioned supper last Friday on an old fashioned winter night, when the storm king reigned supreme and roads were drifting high with snow. Many there were who braved the elements nevertheless, with the result that the Circle will have \$59 for missions, after paying all expenses incidental to the feast. A program, short, but worthy of a large audience was rendered during the evening.

Seventy-five local hockey enthusiasts boarded the special train for Toronto on Wednesday night last and witnessed the game between Uxbridge and North Toronto, when the Uxbridge team were whitewashed 8 to 0, or 9 to 4 on the round. The extra large sheet of ice was a distinct disadvantage to Uxbridge, also the referee. North Toronto lads were faster skaters and played the better game of the two as the score indicates. A small town like Uxbridge is to be congratulated in getting two notches from the championship in any event.

Owing to the dangerous condition of the sidewalks over Sunday through glary ice forming on them some of the local heavy weights didn't even venture out on the Sabbath day, and some who did met with disastrous results, but so far as we can learn no one was seriously hurt. The "feather weights" of course, were more inclined to take chances and were less concerned over the admonition, "watch your step." If some of the householders would spread a few ashes in front of their residences at times like this, it would be heartily appreciated by those who become stranded on the sheet of ice that gets more slippery than anything made in a skating rink.

The monthly meeting of the W.C. T.U. will be held at the home of Mrs. Geo. Robinson, Main street, on Tuesday next, March 9th, at 3 p.m.

A supply of hard coal is expected to arrive in Stouffville within a week or ten days, and is likely to retail at around \$15 per ton.

At the residence of Mr. and Mrs. John Phillips, Main street east, on Tuesday afternoon, their daughter Violet was united in marriage to Walter L. Thorn also of Stouffville, by Rev. W.W. Fleischer. The young couple will make their home in town.

Choice dual purpose Reg. Short-horn cattle, are what the farmer is looking for, and excellent specimens will be sold at auction, Wednesday next week, at K. G. Tarr's big sale. A great opportunity to get a "real cow."

Thos. Blackwell, former mail courier on routes Nos. 2 and 4 out of Stouffville, along with Mrs. Blackwell, left town on Tuesday for Renfrew, Ontario, where Mr. Blackwell has secured a position with the Refrew Refrigerator Co. As Mrs. Blackwell was night operator for the local telephone Company, that position is open for a new appointment.

Mr. Alex. Stewart, the contractor, and his gang of carpenters are again on the post office job after a couple of weeks lull. They are hustling on the trim and expect to be finished ready for the interior fittings, such as boxes, etc., within a couple of weeks. When completed this will be the best constructed building in town.

The annual meeting of the Bethesda and Stouffville Telephone Co., was held in the company's head office here on Saturday afternoon last, with Mr. A. D. Bruce, the president, presiding. The financial statement presented was regarded as satisfactory to the shareholders and the annual dividend has been met amounting to 7%.

Heavy rains prevailed all over this section last Thursday and the heavy down pour with the abundance of snow threatened a flood had the weather not turned colder on Friday, changing the rain into a snow blizzard. During Thursday there were spots on the fields where fall wheat had been sown, left exposed and great ponds of water covered the low spots. Some anxiety is felt for the wheat in these places. Considerable snow has since fallen, however, which will do much to save the wheat and clover from being killed out.

As spring draws near prospects for more building in Stouffville are increasing. Mr. Abram Yake has purchased Mr. Edw. Pennock's frame house near the livery barns and will move it to a vacant lot longside his dwelling on Main street in the centre of the town, where he will remodel it into a better dwelling. This will be done early in the spring so that Mr. Pennock may have his lot clear for the erection of his new bungalow for which the contract is let. Mr. A. S. Leaney also contemplates building a modern bungalow with all conveniences, on the splendid site adjoining his present dwelling which is offered for sale.

Sarah Lehman, relict of the late Melville Kester who died at his farm home just east of Stouffville in March, 1924, passed away at the home of her sister Mrs. Fred Wilson in Stouffville, on Tuesday morning of this week. Since the death of her husband Mrs. Kester had been an invalid and death must have come as a welcome release from her suffering. Deceased is survived by three sisters, being Mrs. Wilson, Miss Maggie Lehman, of this town, and Mrs. Haggie of Waterloo. The late Mrs. Kester was a Presbyterian in religion and the funeral service on Wednesday of this week was conducted by Rev. R. Young and Rev. H. S. Warren, interment taking place to Stouffville cemetery.

Of the former citizens who have gone from among us to other parts none are better remembered than Mr. D. Stouffer, now living in Toronto. During his younger days he established the finest choral class that ever assembled here, and many of the present generation can trace their musical talent largely to the training they or their parents got under Mr. Stouffer. After all a musical ear does seem to be hereditary in many instances. Mr. Stouffer writes in renewing his subscription, indicating how he appreciates the home town paper, as follows: "The Tribune comes as an old friend, keeping me in touch with the affairs of the old town. I am pleased to note the various improvements that have been made and are still being made since I left there. I am also interested in knowing that you and your paper are taking an active part in promoting the well being of the community of which the town is the centre." Thanks, Mr. Stouffer for your kind appreciation.

Hockey final to-night, (Thursday) Altona and Almira.

Wall Papers—A choice selection of Routley's Spring Wall Papers for every room. Attractive patterns and colors, also attractive prices. Call and see them. Dan H. Cook.

One of the prettiest driving mares in this locality is owned by Benj. Hoover of the 8th concession, Markham. Mr. Hoover secured this handsome grey driver from Geo. Watson of Stouffville last week.

We understand that Mr. Ab. Brown, former east end merchant, is arranging to return to Stouffville and take up farming on his property recently occupied by William Grove on the 9th con. of Markham.

The Stouffville Women's Institute will conduct a two weeks millinery course in Porter's ice cream parlor. This class will commence on Monday March 8th, at 2 o'clock, instructor Mrs. G. Hawkey of Toronto. Those wishing to take this course are requested to give their names to Mrs. Geo. T. Lee, president or Mrs. Davey, sec'y. The fee is 25c. for members of the W.I. or 50c. for non-members.

The funeral of the late Levi Hoover took place last Thursday to Stouffville cemetery, with divine service being held in the United Church. Revs. Warren, Young and Morton participated in the service, which was largely attended. The pall bearers who conveyed the remains to their final resting place were Messrs. Bart. Wideman, Frank Rae, Dan. Cook, Ralph Hamilton, Jos. Hoover (Rupert st.) and Joseph Hoover (O'Brien Ave.).

Mr. Alfred E. Pugh who has worked the Wilnot Brown farm adjoining Stouffville to the east, is giving up farming owing to ill health and inability to get assistance in farm work. He will hold an auction sale on Tuesday, March 30th, which will be one of the largest sales of the season as Mr. Pugh has a big herd of cows and many implements and rigs. Mr. Ira Russell has taken over Mr. Pugh's lease and Mr. Pugh will move into Stouffville.

The Busy Bee Mission Band of the Baptist church, spent a very enjoyable evening at the home of Miss Sadie Stewart on Friday last. At the close of the social hour Mrs. Fleischer, president, spoke in behalf of the band, presented Mrs. Geo. T. Lee, with a Life membership certificate in the Baptist Home Mission Society. Mrs. Lee thanked the band in a few well chosen words, and all joined in singing, Praise God from whom all blessing flow.

Judging by the way the business men and citizens in general turned up on Monday evening to discuss the shed accommodation question for Stouffville, it would seem that the business men are not much interested in the matter. There were so few on hand that the matter had to be left over, and another effort will be made next Monday, March 8th, to interest a few more. Business men are bound to suffer by the present situation, and in view of this all should show their interest by attending the meeting in the municipal building next week. If you are not interested in the town's welfare, perhaps you are interested in the horse.

There died at Midnapore, Alta., on Friday, Feb'y 26th, Mr. John Morton, son-in-law of Mr. John W. Ratcliff of this town. The sad news reached here on Saturday, and interment took place in the west. Mr. Ratcliff left on Tuesday of this week for Midnapore, a small town near Calgary. The late Mr. Morton was a native of Scotland, and since being in Canada, followed the banking and merchandising business. He is survived by his wife Margaret Ratcliff Morton, but no family. Deceased visited in Stouffville four or five years ago, and old friends here of Mrs. Morton extend the hand of fellowship in her hour of sorrow.
