CHURCHILL

Our esteemed citizen Mr. Lemon Paisley has sold his farm of 170 acres here on the 9th concession to Ivan McLaughlin, son of John McLaughlin, a neighbor of the Paisley's. All Ivan lacks now is a house-keeper, but an advertisement in The Tribune is sure to get results. The sale price of the Paisley farm is \$12,000, but it contains excellent buildings, and is regarded as a money-making farm. Mr. and Mrs. Paisley will remain on the place until next summer, after which they may move to Stouffville unless other arrangements are made in the interval. The auction sale of their farm stock and implements will be held on St. Patrick's Day, March 17. We wish for them the best of weather conditions, and a successful auction.

The people of Ballantrae and surrounding had a nice evening in the United Church last Wednesday. Rev. Mr. Burgess from Lemonville, gave us an illustrated lecture on the mission work in British India. There was a very good attendance to see the 100 pictures and listen to the explanation by Mr. Burgess. It showed us once more the dire need of the glorious gospel to the seeking people of India.
