RE-GROUPING OF CHURCH CIRCUITS

A well attended meeting of Representatives of the Churches concerned was held in Melville United Church on Thursday last to consider proposals for the future working and grouping of the various circuits adjacent to Stouffville.

The churches represented were Melville, Peaches, Bethesda, Lemonville, Bloomington, Stouffville and Ballantrae. A deputation from the Toronto East Presbytery consisting of Revs. J. J. Coulter, J. A. Miller and F. G. Humphries were also present. After devotional exercises conducted by Rev. R. Young, the Rev. J. J. Coulter was elected chairman with Rev. Mr. Burgess as Secretary.

A prolonged discussion took place in which representatives of all the places gave expression to their views and the following proposal was submitted to the Official Boards concerned for consideration. It is proposed to separate the Bethesda and Peaches churches from Lemonville and with Melville make a three circuit with the pastor living at or near Melville.

It is proposed to detach Bloomington from the Stouffville charge and make a circuit of Lemonville, Bloomington and Ballantrae, with the pastor to reside at Lemonville. The deficiency in the amount raised for salary, which would be inevitable in this last circuit to be made up by grant from the Maintenance Fund of the United Churches.

Five of the six representatives from Bloomington voted against the proposal and it was evident that strong opposition would be given to this proposal, which will be considered at once by the separate church boards concerned.

SIAMESE TWINS WERE BORN IN HAMILTON

An event which has attracted considerable interest in medical circles about Hamilton, and has some local interest because one of the attending physicians was Dr. W. Jamieson, son-in-law of Mr. A. S. Leaney of this town, occurred at the Hamilton hospital last week, when a pair of Siamese twins, both male babies and perfectly formed, were born to a lady residing in a small town near Hamilton. Dr. Jamieson and the family doctor from the mother's home town were in attendance. The twins were stillborn.

Instead of being connected near the hip by a muscle, as in the majority of such cases, the babes were joined by the sternum or breastbone and facing each other. So far as can be learned at present this is the first time in the annals of Canadian medical history that nature has chosen to join monstrosities in so peculiar a manner.

It is understood that a post-mortem will be conducted, if the consent of the parents can be secured, for purposes of determining the exact number of organs each possesses. Doctors are of the opinion that the examination will disclose the fact that the twins share several vital organs in common, one possibly being the heart.

RED SCHOOL HOUSE SAFE

The little red school house is safe for a few years yet, says the Chesley Enterprise. The rural trustees came to the rescue last week in session in Convocation Hall, Toronto. Before the trustees met Premier Ferguson had decided to put his Bill for Township Boards on the shelf for another year. It will not be put in force till after an election if it ever is. The men from the concession lines were the only ones to show any fight at the big gathering last week, and some of the sections were tame as a tabby cat. Led by two women, who do not want to see their sons fed as fodder to cannon, the rural trustees put the kibosh on cadet training too. The rural trustees certainly earned the expense bills paid by the various school boards, but it is very doubtful if delegates in some other sections were worth the cost expended in payment of railway fares and board bills.

DISTRICT NEWS

F. E. N. Reesor has been made president of Markham Lawn Bowling Club for 1926.

St. John's United Church, Richmond Hill, last year raised the sum of \$7000. In all branches of the church work.

Business men of Richmond Hill have petitioned the village council of that place to pass an early closing bylaw, to close all stores a half day each week. Aurora council was asked to pass a similar bylaw, but took no action.

Dundalk village is arranging to erect a skating and hockey rink to be owned and built by the corporation. The cost is estimated at \$5000 and the citizens anticipate sufficient revenue during the paying of the debentures to eliminate any increased taxes.

James Playfair, the Midland millionaire, sold all his ships to the Canada Steamship Co. for some thirteen millions. Half of which was paid in cash. He then purchased the Mulrhead restaurants in Toronto for \$2,000,000; so he still has a few cents to play with.

This week the grocery business of Alderman George Barker of Newmarket was taken over by Mr. Herschel Nixon, who for some fourteen years past has been employed at the tannery of the Davis' Leather Co. Mr. Barker is entering the farm field.

Rev. John Locke, pastor of the United Church of Canada at Aurora inherits the estate of his late wife, Emma Sifton Locke, who died in Aurora, September 22nd, 1925. The estate is valued at \$8,463. Personally amounts to \$5,463, and property in Alberta \$3,000.

After forty odd years with the Grand Trunk and Canadian National Railway, most of that time as section foreman at Markham, Mr. Wm. Dark has been retired with a well earned pension. Mr. Dark has been succeeded on the railway by Mr. Geo. Pollard, formerly section boss at Mariposa who has moved to Markham.

Judge O'Connell presided at the sittings of the Division Court in Markham on Monday. Only three cases were on the trial list, and two of these were adjourned at request of parties. The other case was that of Reuben Lunau who sued Menno Raymer for \$75.00, value of a horse alleged lent to the defendant in January, 1924. The defendant counterclaimed for \$131, made up of feed for horse, \$96, and rent of house \$35. The judge allowed the defendant's counterclaim for rent and accepted the value of the horse at \$75 as placed by two witnesses, giving plaintiff judgment for \$33 and costs.

Mr. and Mrs. Jos. Wesley of Newmarket, have just celebrated the sixtieth anniversary of their wedding. Those of the family who were home for the occasion were Mrs. A. B. Thompson of Orillia, Dr. W. J. Wesley and wife of Thornhill, Dr. R. V. Wesley and wife of Toronto, Rev. T. M. Wesley of Norwood, Dr. J. R. Wesley and Mrs. T. Mills of Newmarket. Mr. Wesley celebrated his eighty-sixth birthday March 18 and Mrs. Wesley is in her eighty-fourth year. Mr. Wesley is a son of the late John and Mary Wesley, the second to the youngest in a family of thirteen children. He lived on the Clergy Reserve, lot No. 34, in the third concession of the Township of Whitechurch, well known as the old John Wesley farm, on which he assisted in pioneer work.

The special meeting called by Pickering Township Council for obtaining sanction for street lights in the village of Pickering was held recently in Pickering Town Hall. Mr. Mulholland of the Hydro engineering staff, explaining the requirements of the Hydro law. After some discussion it was moved by Wm. Gormley, seconded by G. W. Barker, that the village trustees request the Township Council to issue \$1000.00 debentures for 15 years to cover cost of installing about thirty street lights. This was carried unanimously. Mr. Mulholland explained that the 23 street lights would cost the village \$11.00 per annum per light for operation, power and maintenance. Additional lights added would bring down the charge per light and the seven additional lights now proposed would probably lower it to \$10.00 per light. The Township Council then went into special session and approved the action of the meeting, so that Pickering is now assured of street lighting.

PERSONAL NOTES

Miss Gladys Mowder was home from Toronto over Sunday.

Mrs. A. J. Ward was a visitor in Toronto over the week end, with her daughter, Mrs. Robt. Howarth.

Mr. and Mrs. Raine and daughter were visitors at the Brier Bush on Saturday, motoring out from Toronto with Miss Muriel Ward.

Mr. John McCally and daughter Miss May of Woodstock, visited their cousin, Mrs. Hattie Saunders on their return trip after spending the winter in Oakdale, Cal.

Mr. and Mrs. Chas. Urquhart of Port Credit, visited his father, Mr. John Urquhart of Sunday. Mrs. Urquhart has just been elected president of the Peel County Women's Conservative Association.

Last week Mr. and Mrs. Joel Nendick were in Toronto, attending the funeral of Raymond Saunders, which took place from the residence of his daughter, (Nellie) Mrs. G. Saunders. Deceased was a step-son to Mr. Nendick's daughter.

On Sunday, the 18th Mr. Wm. Williams, local representative of the British American Oil Co., accompanied by his wife, motored to Brantford and return, a distance of about 200 miles. Mr. Williams states that they saw no snowbanks after passing Cashel.

The following members of Richardson Masonic Lodge, Stouffville, were in attendance at the official visit of the District Deputy Grand Master to Markham Lodge on Friday evening of last week: Clayt. Baker, Ross Davis, W. H. Shaw, Dr. Ball, Jas. Muston, Frank Mowder, Fred Crossen, Art Lehman, Jack Baker, Ora Reaman, A. V. Nolan.

Mr. Allan Colliard was home from Windsor for a few days this week. Allan is working with a firm in Detroit engaged in the manufacture of machinery for automobile plants, and goes to and from across the river by ferry to his work. The new auto tax did not create any furry down in that centre, and Ford cars dropped in price only a few dollars. American wages look attractive at a distance, but other things are correspondingly high. New potatoes, for instance, retail at \$17 per bag, and old ones at \$7. Early vegetables grown on the Canadian side bring fabulous prices in the American border cities, partly on account of high American tariff. When a workman pays such fancy prices for his table supplies, plus \$50 or \$60 rental for a small five roomed bungalow, the attractive wage of the American centres dwindles considerably. As Allan is not in the married class these things have no worry for him however.

RENGWOOD

E. Sinclair who recently acquired the Button hotel property here, is having the electric lights installed. The number of users are gradually growing here.

Mrs. Fred Graham who lives with her son, Delos, has gone to Toronto to take special treatment for a cancerous growth. Her condition is serious, but we hope the new treatment will prove successful.

GRAND MASTER COMING JUNE 1ST

A notable gathering of Freemason is being planned to take place in Stouffville on the evening of June 1st next. The Grand Master of the Order, Most Worshipful Bro. John A. Rowland of Toronto, will be present to address the gathering. The local lodge (Richardson) will have charge of the affair, with the assistance of all the lodges comprising this district, and it is expected that some three hundred members of the order will be entertained. We understand that both Ratcliff's hall and the Auditorium will be required for the day, and decorations fitting to the occasion, will be displayed.

The gathering is primarily a social function, calculated to keep alive the spirit of fellowship, and at the same time it will afford many country members an opportunity to meet and hear the Grand Master. Stouffville Lodge feels that it has been signally honored in being selected with the staging of this affair, for the district. Probably it is a tribute to the able manner in which their lady friends have handled the 15 annual banquet the past few years, which has been the delight of so many outside members of the craft.

DEATHS

At Vernon, B.C., April 8th, 1926, John Storry, formerly of Stouffville, aged 82 years and 3 months. Interment at Vernon on April 10.
