MINISTERS ALLOTTED NEW APPOINTMENTS

If the interim report of the Settlement Committee of the United Church is adopted there will be some noticeable changes in the residence of some of the ministers about Stouffville.

Rev. Robt. Young, former pastor of the Stouffville Presbyterian church and since union associated with the United Church, is likely to be located at Elmwood in the Grey Presbytery. Elmwood is the next station to Chesley on the Palmerston to Owen Sound line of the C.N. R., and though a village of about 600 people has at least four denominations. Many of its people are of German descent and are a careful, industrious class.

Rev. E. M. Burgess who had ministered so successfully on the Lemonville circuit is transferred to Sutton West. The Melville-Bethesda circuit will be served by Rev. Dr. E. H. Gray, and the Lemonville-Ballantrae circuit will have as its minister Rev. R. J. McCarten. Rev. H. S. Lee, a former pastor at Stouffville, is transferred to Woodbridge.

THE SCHOOL BOARD

The chief item of business at the May meeting of the School Board on Friday evening was that of passing accounts. As a result of a recent inspection of the boiler used in connection with the heating plant extensive repairs had to be made, costing over \$100, but the system is now pronounced as good and therefore safe. By R. O. Ward, the engineer making the inspection.

LUTHERANS COLONIZE

The newest colony of Lutheran immigrants in Canada has increased its population by one by the birth of a baby boy ten days after the colony was settled. The colony consists of four Lutheran families of young people from Hungary who selected a site near Petersfield, Man., purchasing on the "half-crop payment" plan a farm from Mrs. Martin Luther, a medical practitioner of Minneapolis, Minn., whose late husband was a direct lineal descendent of the first famous Martin Luther.

According to the terms of purchase, which were negotiated by Rev. P. H. Kohlmeier, of the Lutheran Immigration Board of Canada, and R. C. Duncan, of the Canada Colonization Association, \$26,000 will be paid beginning December 1st, 1927.

The members of the new settlement have lost no time in converting the resources of the district to practical use. They shot enough rabbits to make rabbit pie for a week, according to a western reader, being impressed with their thrift in going out into the marshy grounds to cut enough willow to make brooms for their stables. "They were good brooms, too," he said.

The Lutheran colony possesses twenty five cows, which Mrs. Luther sold with the farm, and full equipment of implements and other stock for carrying on successful mixed farming.

UNIONVILLE

The funeral of the late Mrs. David Duncan, a well known and highly esteemed resident of Markham township, was held from the home of her daughter, Mrs. Ada L. Hood, here on Tuesday afternoon last to St. John's cemetery on the 5th concession. The late Mrs. Duncan was in her 82nd year, was predeceased by her husband, the late David Duncan, about two years and is survived by three children, two daughters, Mrs. Hood and Mrs. R. L. Silver of Unionville, and Alexander in the west. The funeral services were in charge of Rev. Frank Rae and Rev. Mr. Eaton.

DEPUTATION URGES WORK ON 8TH CON.

Alarmed at the slow progress in road making as compared with the avalanche of traffic in the north end of York near Stouffville, a deputation composed of councillors from Stouffville, Markham Township and village, and Whitechurch, waited on the Toronto and York Highway Commission in the city on Monday. The main point stressed was the necessity for building the 8th concession of Markham from Ringwood without delay. It is said to be the intention of the Commission to build only the Byer bridge this summer, at a cost around \$10,000, but assurances were given the deputation that if no tarvia road were constructed it would be kept up to the standard of a first class gravel road.

Reeve Silvester of Stouffville, introduced the deputation, and Mr. Robt. Miller, presented the case of the municipalities. Reeve Wilson of Markham and Councillor Campbell of Markham Township, also Reeve Baker of Whitechurch, all urged before the commission the necessity of early attention to the eighth.

Although Markham Township is perhaps the most vitally interested municipality in making the request only Deputy-Reeve Campbell and Councillor Coakwell were present from the municipality. Other municipalities were all strongly represented.

Under the auspices of the Y.P.S. of the United Church, in Ratcliff's Hall on Friday evening, May 28th, an amusing comedy entitled, "What Happened to Jones", will be presented by the Y.P.S. of Richmond Hill. Be sure you reserve the evening. Watch for posters.

YOUNG MOTHER CALLED

The sad and untimely death took place at Glasgow on Thursday, May 13th, in the passing of Mrs. William Eckardt in her 28th year. Although seriously ill for only a couple of weeks, Mrs. Eckardt had not been in good health for some months since an attack of the flu. She was the youngest child of Mr. James Slack, being survived by her father and three brothers, Louis, Henry and William, all of Uxbridge Township. A particularly sad feature of her death is the fact that three little children are motherless, aged eight, five and three. The funeral from her late home, lot S, con. 2, Uxbridge on Sunday afternoon, was the largest held in the neighborhood within the recollection of those present. The United Church at Glasgow where the service was held was quite inadequate to hold the large gathering of people. Rev. W. W. Fleischer of the Baptist Church conducted the service both at the church and at the graveside in the Stouffville cemetery. The floral tributes included a beautiful wreath from Richardson-Lodge, A. F. & A. M., Stouffville, of which the sorrowing husband is a member.

GOVERNORS' ACTION DEPLORED

At a joint meeting of the deacons of the Stouffville and First Markham Baptist Churches, held on Sunday last in the local church, a resolution, was unanimously passed "expressing their deep sorrow and great alarm that the governing board of McMaster should at this critical time in the life of our University deprive us of the leavening and godly influence of this saint of God, Prof. Campbell."

SIX VALUABLE COWS ARE FOUND DEAD

Six valuable milking cows owned by John Proctor, Third line, Melancthon Township, were found dead in the barnyard Friday afternoon. At 1.30 p.m. Proctor, on his way to a field to plow, turned the cattle out of the barn, and they appeared to be all right. When he returned at 4 o'clock all but one were dead, and it died shortly afterwards. A Government official from Toronto was here on Friday and besides a blood test took one of the animals' stomachs to Toronto to analyze.

FISHERMAN, NOTE THIS: The game and fisheries law provides that all trout under 7 inches in length must be returned to the water. The limit is 20 for one catch, or ten pounds in weight. The season closes on September 15th.

During house cleaning operations in the Toronto post office last week several letters were found, lodged in out-of-the-way corners, from one to three years old. One of these was mailed by a citizen at Stouffville in September 1924. The Globe remarks that as this housecleaning takes place annually, the past two years it must have been just a "lick and

Mr. and Mrs. Jas. Schneider spent the week end with their parents. The bus made its first trip on Monday and picked up some passengers here for Toronto.

Mrs. Jos. Cooper, sr., and Mr. and Mrs. Thos. Farrow spent Sunday with Mr. and Mrs. E. H. Mairs of Gormley.

A number attended the funerals of the late Richard Reynolds, Toronto, and Mrs. Wm. Eckardt of Glasgow, only daughter of Mr. and Mrs. Jas. Slack, Glasgow.

A number of our citizens are asking when will we get hydro. That depends on everyone getting busy. The next game of football will be played Tuesday, May 25th, between Goodwood and Green River. This will be a game for you to see as the visiting team are former champions of Ontario.

Hannah, wife of Mr. Jas. Stewart, of Roseville, Uxbridge Township, passed away on April 27th, aged 55 years, after seven years of ill health. She was a warm-hearted, hospitable woman, a great church worker when health permitted, and is sadly missed by her family and friends. She was interred at Goodwood on April 30th, after a service at her residence. Rev. William Kendall and Rev. Otton officiated. Mr. Kendall spoke from the text: "We spend our years as a tale that is told", and Mr. Otton laid stress on a mother's great life.

Mrs. Stewart leaves two sisters, two brothers, and a daughter, Mrs. Annie Irene Johnston, a son George at home and a sorrowing husband. Other relatives present were: Mr. and Mrs. Albert Stewart, Mr. and Mrs. Adam Stewart, Mr. and Mrs. George Stewart and family, Mr. Roy Stewart, Miss Minnie Stewart, Mr. and Mrs. Cecil Wallace and Miss Sadie Stewart of Stouffville. The bearers were: Messrs Wellington Smalley, Manford Vagg, John Jones, Wm. Loughheed, Isaac Thompson and Ira Stiner.
