

LOCAL HAPPENINGS

Miss E. M. Lager, graduate nurse has returned to town, and is open for engagement.

Edward Walls, one of our east end gardeners, has a nice patch of potatoes up and almost ready for paris greening.

Barkey Re-union - The descendants of the late Christian Barkey are invited to spend the afternoon of June 12th, at the farm of A. C. Barkey, lot 27, con. 8, Markham. Committee: Fred Jaynes, 89 Macdonell Ave., Toronto., Ross Barkey, Stouffville, R.R. 1

Ballantrae's second store which had been closed for some time is again doing business with Wm. Jackman, a former merchant of Ballantrae, in charge. Mr. Jackman will be glad to see his former friends at the old stand which he formerly occupied.

Potatoes are slumping in price as the demand is lessening. There were not many buyers for the tuber at \$3.00 per bag on the Stouffville market last Thursday. No change in butter and egg prices. Dairy butter of decent quality is very rare, and many users who prefer dairy butter to creamery butter are forced to use the latter.

The seating for the new Baptist church arrived last week and was placed in the church. Instead of the customary pews the new seating is in the form of opera chairs which are becoming quite popular in many of the city churches, probably because they can be procured at a more reasonable price than the better quality of pews, and because they are more comfortable to sit in. The seats were procured from the Dearborne United Church, and will accommodate 350 people.

Reo Touring Car for sale, in good order. D. McCoubrie, Stouffville.

With the north pole no longer classed among the unattainables what is going to provide the next thrill?

Empire Day was observed in the Stouffville public school last Friday by a concert with a fitting program for the occasion.

The backward raw weather of last week seriously affected the work of the bowlers, says Mr. David Russell. Very exasperating, eh?

A Plymouth rock hen belonging to Fred Cook at Ringwood, laid an egg measuring 7 1/4 x 6 inches. This is the first large egg for this season, but is not so large as some received at this office last year.

One spool of barbed wire lost between Goodwood and Lincolnville Monday night. Finder kindly communicate with A. Elson, Phone 3613.

Persons having B. & S. telephones should look up their number in the telephone directory, and if it is not correctly reported, notify central office, so that it may be inserted properly when the next issue of the directory is gotten out. There is an undue number of mistakes in the last issue, which cause no end of annoyance to the subscribers affected.

Canvassers were around last week soliciting prize money for the Stouffville Horticultural Society prize list for the exhibition next September. They were cordially received all along Main street, and as a result the number of prizes can be considerably extended this year. More money was promised than on any previous year. Any citizen in town or country who would like to donate a prize for this exhibition should notify Mr. H. O. Kilnick, when they will be given a place on the printed prize list.

Lost—Leather pocket book containing sum of money. Finder kindly leave at Tribune office. Reward.

Freemasons of Richardson Lodge in goodly numbers attended a special function of Brougham Union Lodge at Claremont on Wednesday evening of this week.

The opening game in Stouffville of the York-Simcoe baseball league was scheduled for Wednesday afternoon of this week, and is in progress as this issue of The Tribune is being printed.

Mr. Peter Wideman sold his prize stallion, MacBrino, to Jas. Torrance of Markham, recently, and Mr. Torrance has since sold this well-known road horse to Alf. Pugh of Stouffville. Three years ago MacBrino was grand champion at the Royal Winter fair.

Accommodation wanted for a couple of months. Lady with boy 10 years and girl 5 years, wishes a large furnished room with two beds, also convenience for cooking their meals in kitchen. Communicate with E. J. Davey or Tribune office.

A special meeting of the Women's Institute will be held at the home of Mrs. E. Baker, Main street, on Friday, May 28th, at 2.30 o'clock. Speaker Miss Robson of Denville, who comes highly recommended as an interesting speaker. Come and bring a friend. Everybody welcome.

The Rev. C. C. Robinson, a returned missionary from Japan, on furlough, will preach next Sunday at 3 p.m. in Christ Church, Anglican, on Missions. This will be a very interesting discourse, and any strangers who would wish to hear him will be very welcome.

The drama, "What Happened to Jones," announced for May 23th, has been postponed to Friday, June 4th, in Ratcliff's Hall. This play is being given under the auspices of the Y.P.S. of Stouffville United Church. It was exceedingly popular with Toronto audiences. Don't forget the date, June 4th. Admission 35c and 25c.

A quiet wedding took place at the Christian Church parsonage last Friday, May 21st, at 2 o'clock, when Velma Florence, daughter of Mr. and Mrs. Joseph Martin, became the wife of James Herbert MacDonald of Peterboro. Mr. and Mrs. MacDonald have planned to spend the summer in travelling. May their life be one of real happiness, is the wish of their many friends.

The Aurora Horse and Pure Bred Stock Show on Thursday, June 3rd, the Kings Birthday, will be bigger and better than ever this year. The Toronto Hunt Club will have their finest horses here and will give the Musical Ride in costume for the first time outside of the Coliseum. Prizes for the Clyde and Percheron teams are \$35, \$20, \$10, \$5. Ladies driving, gents' turnouts and roadsters, ponies and juvenile events; Jerseys, Holsteins and Shorthorns. Big dance in the evening.

The death of Mr. Clarence J. George beloved son of Mr. and Mrs. Samuel George, occurred at the home of his parents, Aurora, on Wednesday of last week. Deceased has been ill for some time. The funeral took place on Friday afternoon from the residence "Cosy Home" to the Aurora cemetery. The deceased was born in Stouffville, his parents having been residents of O'Brien Ave. Mr. Sam George conducted the planing mill here. The funeral on Friday was attended by Mrs. Wm. Gower from this town.

Messrs. Wesley Bowdway and Frank Burkholder, former bank employees in Stouffville, and who have made their homes with their parents here, left on Monday of last week to try their fortunes in a strange country, having gone to the U.S.A., and for a time locating at Detroit. The boys will try the American metropolises before taking out naturalization papers, and in the case of Wes. we are not so sure that he will require these papers of citizenship, as he was born on the American side, and was brought to Stouffville when a baby. We join with the citizens in wishing the boys every success over among our American cousins.

Stouffville Board of Health met last Friday afternoon with Dr. Ball, Reeve Silvester and F.C. Rowbotham present, Mr. Rowbotham was elected chairman, and will be expected to protect the health of the town for the ensuing year, along with the M.O.H. Mr. Ferguson who owns the Boyer pond south of town registered an objection to being unable to sell ice owing to the filth and dirt now being dumped into the creeks which flows into his property. He was advised that he could sell his ice for cooling purposes, but the fly in the ointment is that nobody wants it in this imaginary unfit condition. Just what effect these drains have on the condition of the creek water when it reaches Mr. Ferguson's place is a question the Board of Health will likely proceed to investigate.

PLENTY OF NERVE"

ADMISSION
Adults 25c. Children 15c.

Spring grains are up and the fields are taking on a beautiful green appearance.

Mr. Isaac Borinsky is improving his residence on Main street by the addition of a veranda across the front.

The Snowwhite Dairy will commence a regular summer delivery of ice on June 1st. If you have a refrigerator, communicate with Fred Mowder, Phone 3208. Charges moderate.

Over at Richmond Hill on Monday Mrs. H. J. Malloy got a first-hand impression of the meaning of that old phrase, "right off the bat". In the girls' baseball someone landed the ball a heavy drive which struck Mrs. Malloy in the eye causing a good deal of pain, fortunately no permanent injury was done, although it was a very narrow escape from causing permanent injury to the eye or nose.

The Stouffville Creamery Co. have purchased an additional truck for collecting cream and placed Mr. Geo. Valder in charge. This increased equipment is made necessary owing to the requirements of the new cream grading act. The Creamery people are now gathering from their customers twice a week instead of once as heretofore. So far the new arrangement is meeting with great success, as according to statistics prepared by the company less than 10% of all the cream received has come below second grade. Even this small percentage is decreasing under the more prompt collection.

Alex. Boyd, truck driver of Markham, appeared in police court last week answering three separate charges arising over an accident which befel him when he drove over the embankment on the Rouge between Markham village and Unionville, snapping off four cement posts from the fencing along the embankment. Boyd was fined \$10 on the first count of that of assaulting the road boss, and \$10 for reckless driving, but on the charge of driving a car when drunk, he was given the benefit of the argument of counsel and defence, and allowed to go. F. L. Button of McCullough & Button, Stouffville, defended Boyd.

Stouffville contributed a large crowd and much of the entertainment for the Richmond Hill fair on May 24th. The band boys went over and gave a liberal supply of music, for which great praise was heard from the people of Richmond Hill. The girls' baseball club of Stouffville went down to defeat in a thrilling game with Bolton's championship line-up. Our girls looked like winners right up to the last innings when they were in the lead with five runs. A balloon ascension went through the team and cost them defeat. Final score 16-18. A large number of followers from Stouffville were among the spectators, and report the Hill as having a good all round fair, which is gradually improving each year.

A serious accident which might have proven fatal to the driver as it probably will to the horse, occurred during one of the racing events at Uxbridge fair on May 24th. Mr. Ira Anderson of Stouffville was driving the racing mare Eva Winger belonging to Edw. Bailey, V.S.; in the 2:35 class, when she stumbled and fell. Cart and driver were thrown forty feet over the horses back, and when the spectators rushed up they believed both horse and driver were probably killed. Mr. Anderson was unconscious for some time, but fortunately did not sustain any internal injury, although he is badly bruised about the face and shoulders. It was believed that the horse broke its back, but on Tuesday it was still alive, and it was rumored on Wednesday that the animal had to be shot. At the time of the mishap Mr. Anderson lead the race by 200 yards, and was in the same position in a previous heat when the mare stumbled, and he had to fairly stop to bring her to her feet. The same animal spilled a driver on Saturday during a work-out, and she also fell during a race at Cobourg recently, so Mr. Anderson was afterwards told.

IN MEMORIAM

YAKE—In loving memory of our dear Mabel (Mrs. J. Hanna) who passed away on Sept. 27, 1923. How sadly we miss you, no one can guess. Friends are friends when they are true, and we lost a true one when we lost you. It took such a hold on mother's heart, that with her too we were forced to part. Dear wife and mother was called Home May 27, 1925, no one on earth like you we've found. For all you did your best, and God called you to His

Flexstone
(Approved by Underwriters Laboratories Inc.)

Make sure the roofing you buy will stand the fire test

JOHNS-MANVILLE Flexstone Roofing will—but how many other roofings CAN? And it meets a double test, for not only does it withstand the destructive force of fire, but Flexstone lasts indefinitely under the action of time and the elements. What is of equal interest, it sells at a popular price. Costs practically the same as the better rag-felt roofings but unlike them Flexstone is fire resisting and being all mineral, it can not rot, disintegrate or dry out.

Lowest Cost-Per-Year Roofing

Flexstone is a mineral fabric, composed of imperishable Asbestos fibre, waterproofed with natural asphalt. Furnished in rolls—smooth both sides or with a surfacing of red, green or blue-black crushed slate; or felt-par. Also in the form of individual or strip shingles. Can be laid by anyone; only a hammer is necessary. On a cost-per-year basis Flexstone is the most economical roofing you can buy.

Registration—Our Service Obligation

Flexstone is also covered by the liberal terms of the Registration policy of the Johns-Manville Company which means that their responsibility does not end until you get the service promised. You can register your roof with them through us. Let us explain this protective policy.

The Beautiful
Overland Six Coach

A superb specimen of the coach-building art—long, low, impressive—a beautiful two-tone color combination, with double beading all around the waist line.

Power enough for your every need—over 50 miles an hour with ease. Exceptional comfort and roominess because of exceptionally long wheel-base. Deep, softly-cushioned seats give pleasurable restfulness. Rich velour upholstery indicates the quality which prevails throughout.

At its remarkably low price, this car stands absolutely alone among all popular priced sizes.

Six Cylinder Coach, all taxes included \$1307

THE OVERLAND 4-Cylinder COACH

Is the greatest value in the lower priced field.

Four Cylinder Coach \$907
