THE OPENING GAME

The opening game of the York-Simcoe baseball league was played here on Wednesday afternoon last, between Newmarket and Stouffville and resulted in a win for the home team by the score of 1 to 0. The game was a pitchers battle between Bruce Lehman for the winners and McHale for the Newmarket team. Each pitcher struck out 8 men; McHale yielded only 3 hits and Bruce Lehman only 2, both of which were made by Hugo, the heavy hitter of the visiting team. The Stouffville team played errorless ball behind Lehman, while the visitors made a couple of errors, one of which paved the way for the only run of the game. It was the finest game of ball played here in a long time and the Stouffville team and especially their pitcher deserve great credit for the game put up in view of the fact that they had very little practice this season and had never been all together on the field at one time. There was a fairly good bunch of fans present. The team deserve the support of the town and we trust at the next game the field will be too small to hold the crowd.

FREEMASONS HOLD NOTABLE BANQUET

Craftsmen of Toronto District B., accompanied by the Grand Master, and over 60 officers attend.

One of the most successful fraternal events ever staged in Stouffville, and no doubt the largest, was held here on Tuesday evening of this week, known as a Grand Masters' Night of the suburban Lodges, Toronto District B., Ancient Free and Accepted Masons. The Grand Master of the Grand Lodge of Canada in the Province of Ontario, M.W. Bro. John A. Rowland, was the guest of honor, and over 500 masons from the eight lodges in the district were present for the occasion.

To insure the success of such a large undertaking entailed considerable work, but most of the officers of Stouffville lodge, and many of the private members entered into the spirit of the task so wholeheartedly that everything was conducted in excellent manner. Then too, the ladies played no small part in preparing the banquet which was a stupendous undertaking, but they handled it with skill and promptness that was a source of satisfaction to not only the guests of the evening, but to local masons.

The ever willing hand of R.W. Bro. Whealy, representative of the Grand Master in this district, solved many of the problems of preparation, and to him the local order owe thanks for valued assistance.

At 7 p.m. the lodge convened in the Auditorium, which had been specially prepared for the purpose with suitable lodge regalia, and which provided seating for over 475 Wor. M. Clayton Baker, of Richardson Lodge, received some sixty Grand Lodge Officers in due form, including the Grand Master, J. A. Rowland, also the Deputy Grand Master R.W. Bro. Hon. John S. Martin, Hon. W. D. McPherson, P.G.M. and several District Deputies and Past District Deputies.

A pleasing feature of the occasion was the presentation of Minton China pieces to the Grand Master on behalf of the district lodges.

Following this there was the presentation on behalf of Richardson Lodge of a Past Master's Jewell to W. Bro. K. Ross Davis, the immediate Past Master of the Lodge. The presentation was made by the Grand Master.

The ceremony behind tyled doors was only brief, and the large assemblage withdrew to Ratcliff's Hall for the banquet. The hall decorations were particularly pleasing in blue and white, which added much to the gayety of the evening. Toronto talent furnished a splendid musical program, and an enjoyable toast list followed the banqueting. R.W. Bro. J.S.A. Whealy officiated as toast master, and proposed the toast to The King, R.W. Bro. G.A. M. Davison, past D.D.G.M., proposed the toast to The Grand Lodge of Canada, and the response was made by R.W. Bro. Hon. Jno. S. Martin. R.W. Bro. W. S. Ormiston proposed the toast to the Grand Master, to which the head of the craft made an able reply.

In replying to the toast the Grand Master was given a rousing ovation. His address was of a very high order, and was greatly appreciated. He defined Freemasonry as "the science of living", "Freemasonry" said he "is the realization of God and the practice of brotherhood." It must begin with each of us in his own life. While the whole world today is learning and must learn universality, we Freemasons of all men ought to know it already. Our fraternity is a living exemplification of many men throughout the world, dwelling together in unity as brethren. Our great task is to organize all men of good will for the purpose of making brotherhood prevail. Democracy in the final analysis means Fraternity. It is a government by friendship and brotherly love. Brotherhood is a lamp without which all other lights flicker and fade as we walk together in the dim country of this world. All of life and of religion may be summed up in the one word—a deep and tender fellowship of the soul with the Father of all; and turning man-word, a filling of all the relations of life with the spirit of sincere and sympathetic brotherhood.

Other toasts included those of "The Suburban Lodges", the "Visiting Brethren", and to the ladies who played so important a part in making the evening's enjoyment one grand success.

The visit of the Grand Master to this town will be ranked upon by local masons as a signal honor for Stouffville, and all who participated in any way towards the great func-

The past winter is said to have been the most severe on fall wheat since 1918. About thirteen per cent. is estimated to have been winter and spring killed this year in this section.

Lionel Raymer, aged 10 years, son of Mr. and Mrs. Clarence Raymer of Toronto, formerly of Orillia, died of burns received while standing before an open grate in his night clothes.

The Village of Cannington which recently had its Main street paved, is likely to asphalt some of the side streets, as a largely signed petition requested the council to proceed with the work.

Mrs. Gould, wife of A. J. Gould, marble and granite dealer, Uxbridge died suddenly last week, aged 66 years. Mrs. Gould was preparing for church when she took a fainting spell, passing away in a few hours. Besides her husband she leaves four children.

The first sod of the new \$100,000 addition to the Newmarket High School was turned last Thursday afternoon without the usual ceremony. It is expected that the foundation will be completed early in June, and the laying of the cornerstone will take place about that time.

While working in his garden at Virginia, Ont., on Monday afternoon James Lyons, the father of Hon. James Lyons, late Minister of Mines in the Ontario Government, was seized with a heart attack and was found dead by his family a short time later. The late Mr. Lyons was in his seventy-fifth year, and had lived in Virginia for many years.

About a week ago the Godson Contracting Co. shipped two carloads of machinery on flat cars from Cannington. They took every precaution, giving the height, width and weight of the shipment to the C.N.R., and in return got a clearance receipt. As the train was passing under the Bay street overhead bridge, the mixer, which was about four inches too high, crashed into the bridge and swept everything from the car, leaving a twisted mass of debris on the ground. About \$30,000 worth of machinery was rendered useless in a few minutes' time. The railway, in all probabilities will have to settle with the Godson Co., for the loss.

High on a hill overlooking peaceful Barrie and the quiet waters of beautiful Kempenfeldt Bay the fiery cross of the Ku Klux Klan ominously reared itself on Sunday evening last week. Several hundred members of the Ku Klux Klan of Canada assembled in Barrie, coming by motor and T.T.C. busses from all parts of Central Ontario on Saturday afternoon and Sunday forenoon, and in spite of the refusal by civic officials to allow them the use of one of the town's parks, held afternoon and evening sessions in Hubbard's field at the north end of Toronto street. Throngs of curious townspeople numbering many hundreds braved a bitterly cold north wind to watch the proceedings of both gatherings.

tion carried out in such resplendent style from start to finish. It will put the town on the map in the knowledge of many people who heretofore did not know us, and the hearts and minds of many important citizens of this province will have "Stouffville". Indelibly printed thereon, as a community able to put over big undertakings of this kind in true Masonic spirit.

PERSONAL NOTES

Do not overlook the comedy, "What Happened to Jones," to be given in Ratcliff's Hall this Friday evening at 8 o'clock. Richmond Hill Dramatic Club will furnish the talent, and the affair is under auspices of the young people of Stouffville United Church. Excellent music is promised. Admission 35 and 25 cents.

THE DIVISION COURT

The upstairs room of the council building was filled to capacity on Monday morning by witnesses and others anxious to hear the cases to be tried in Division Court. His Honor Judge Widdifield presided, and aside from a judgment summons case which was heard in camera only one case was on the docket. It provided sufficient interest however, to hold the crowd for a couple of hours.

A.W. Snowball, thresher of Markham Township, claimed \$120 damages from D. Graham, farmer of the 10th concession of the same township. The action arose out of an accident at Graham's farm in Oct. 1924, during threshing operations when a team belonging to the defendant, became frightened at escaping steam from the engine and jumped onto the cutting box badly damaging the box. In order to settle the matter without law costs the two men decided on arbitration. Snowball selecting Arthur Lapp to act for him and Graham selecting H. S. Clary of Locust Hill. These two picked the third man, being R. A. Fleming of Markham. F. L. Button for Mr. Graham contended that the arbitrators never really sat as Mr. Clary objected to certain methods employed when they came together, but the other two agreed on a sum of \$100 as a proper amount for Graham to reimburse Snowball, and gave a written finding to each of the men concerned a week after Clary refused to participate in the arbitration.

His Honor reserved judgment to determine whether the arbitrators were properly selected and convened, and if not, then to determine the amount of damages, if any, that should be allotted to Graham. The plaintiff didn't submit evidence to show that the defendant was in any way negligent in allowing the accident to happen.

YOUNG WIFE DEAD

A sad and untimely death took place at the Toronto General Hospital on Sunday, May 30th, in the passing of Mrs. Bertram Tawn, who since her marriage two years ago lived on the J. W. Tawn farm, lot 11, con. 5, Whitechurch. Mrs. Tawn was only 29 years of age, and had been ill a couple of months, being in the hospital four weeks, until she finally passed away, suffering from internal trouble, from which recovery was impossible. The late Mrs. Tawn was a happy, bright girl, beloved by a wide circle of friends. Her maiden name was Maggie Myrtle Empringham, daughter of Mr. and Mrs. J. W. Empringham of Hisey Hill, Gormley. Besides her husband and parents there also survives two brothers and two sisters, Mrs. Tilman Hoover of Stouffville, Mrs. Glover of Victoria Square, and John and David Empringham of Gormley. The funeral on Wednesday of this week was attended by a very large concourse of friends and relatives of the bereaved families. Rev. E. M. Burgess of Lemonville, pastor of the broken home, officiated.

Owing to today (Thursday) being the King's Birthday, it is observed as a bank holiday, and the post office recognizes it also, thus the dispensing place for mail will be closed a day and a half this week.

TOO SHORT NOTICE

Markham Township Council Court of Revision on the assessment roll, which was to have met on Monday last was postponed, although only two or three appeals were filed. It was claimed by one of the appellants that the statutory notice had not been given, and court adjourned to next council meeting.

Do You Drive a Car?

Eye strain may be very easily aggravated by driving a car. The attempt to focus the eyes on objects which you are passing rapidly errates the already strained eye. Don't give up the car — but have your eyes attended to. Begin by letting us examine them to find out what causes the strain. Good sight is too valuable for your success and comfort to run the slightest risk of impairing them. Our equipment, together with our skill and experience, enables us to determine exactly the condition and needs of your eyes.
