CREAM

Take advantage of the accurate service we render and
 the price we pay. More so this summer on account of the
 cream grading. Over 90% of the cream received since
 the grading started is First and special grade. Our prices
 compared with many others, are absolutely the highest.
 A dollar is just as valuable if received in the form of the
 price paid to you, than if received in the form of dividends
 or profits. If you are not yet a shipper we would be pleased
 to have you as one.

EDITORIAL COMMENT

There are thirty-one applicants
 for the position of postmaster in the
 village of Teeswater.

A successful farmer feeds his
 land before it is hungry, rests it
 before it is weary, and weeds it be-
 fore it is foul.

The dirigible air-ship made good
 time, averaging 40 miles an hour
 for the 2,700 miles of her voyage
 across the pole from Spitzbergen to
 Alaska.

A careless man in New York
 swallowed his collar button, and
 six operation have failed to recover
 it. Looks as if he'll have to buy
 another.

The old horse caravan days of the
 gypsies have almost come to an end.
 Several bands now in Ontario have
 equipped themselves with automo-
 biles, but not all, for one passed
 through Stouffville last week with a
 green covered caravan and number
 of horses.

A town across the line has solved
 the spring chicken trouble. All
 chickens found running at large are
 by the ordinance given to the
 preachers of the town. This might
 be called "class legislation", but
 apparently no one kicks excepting
 the chicken owners.

Strathroy town council has decid-
 ed to offer encouragement to citi-
 zens to construct cement curbs
 for boulevards in front of their re-
 sidences. It agrees to pay 25 per
 cent. of the cost of constructing
 same. A number of our citizens
 have constructed curbs at their
 own expense. The result has been
 an improvement to the streets, and
 really is an advantage to the town.
 —Acton Free Press.

The village council of Bradford
 has passed a bylaw compelling the
 merchants of that place to close
 their shops every Monday, Wednes-
 day and Friday at 6 p.m. Bradford
 has no half holiday, and up to the
 passing of this bylaw the village
 merchants had been rendering al-
 most a 24 hour per day service.

Vegetation is fully three weeks
 behind the average spring season in
 the Beaverton section.

The oldest man in attendance at
 Richmond Hill fair on May 24th,
 was Mr. F. Button of Thornhill, who
 is in his ninety-third year and who
 has the proud record of having at-
 tended the Richmond Hill fair 76
 years out of the 77 which it has
 been in existence. This the Rich-
 mond Hill paper claims is a world
 record for continuous attendance at
 any fair. Mr. Button is a veteran
 of the Fenian Raid and is still ac-
 tive and bright and enjoyed the
 fair this year as much as he did 77
 years ago. Mr. Button is a cousin
 of Mr. John Button of Stouffville.

Referring doubtless to the investiga-
 tions now going on into the work-
 ings and practice of the Federal
 Customs Department and having in
 view the fact that almost every de-
 partment of public service when in-
 vestigated gives more or less a like
 result, our contemporary The Os-
 hawa Reformer says:—

"Breathes there a man with soul
 so dead that he doesn't shudder
 when he reads of dishonesty and
 graft in the officialdom of his coun-
 try? A great deal of this has been
 exposed in recent months and weeks.

The monetary loss to the country
 from dishonesty is bad enough. It
 makes the average citizen boil to
 think that he is taxed to make up
 for moneys lost to the national cof-
 fers through graft and all sorts of
 conspiracy with manufacturers.

But this sort of thing destroys
 confidence also. By the average man
 official dishonesty is regarded as an
 iceberg of which only one-sixth ap-
 pears above the surface while five-
 sixths remain below out of sight.

A civil servant may not be satis-
 fied with his salary. Few are. He
 may think that he is worth much
 more to the country. Most do. But
 he has accepted the position at that
 salary; he remains in the position at
 that salary; and by so doing he con-
 sents to that rate of remuneration.
 Therefore, he has no right to at-
 tempt by foul means to augment his
 monetary reward.

Most civil servants are honest,
 but the innocent suffer in the public
 estimation with the guilty. Surely
 there are enough strong men in all
 parties who can force partisan pol-
 itics and unite to rid the government
 service of undesirable.

GRADING SATISFACTORY

The new cream grading act is not
 proving a hardship to the farmers
 in this section as is evidenced by
 the fact that at the local creamery
 there is less than 10% of all the
 cream taken in grading poorer than

first and special grade. The local
 management is doing much on their
 own initiative to improve the grade
 by constantly coaching the farmers
 in methods to improve the grade,
 and by putting on additional trans-
 portation to gather cream twice a
 week.

 the cloth coat near Forsyth's corner,

 dly leave at Tribune office.

LEE-DICK

A very pretty wedding took place
 at the home of Mr. and Mrs. Alex.
 Dick, Sandford, on Wednesday, May

19th, at 2.30 pm. when their young-
 est daughter, Agnes Luella, became
 the bride of Joseph Clifford Lee,
 youngest son of Councillor and Mrs.
 Chas. Lee of Uxbridge Township, in
 the presence of the immediate re-
 latives. The Rev. C. H. Qualfe
 officiated. The bride who was un-
 attended entered the room on the
 arm of her father to the strains of
 Lohengrin's wedding march, and
 took her place before an arch of
 roses and carnations. She wore a
 becoming gown of ivory silk crepe
 with silver trimming and tulle veil
 prettily caught with orange blos-
 soms. She carried a shower bouquet
 Sweetheart roses and wore the
 groom's gift—a handsome rope of
 pearls. After the ceremony a dainty
 wedding luncheon was served. The
 happy couple left amid showers of
 confetti and best wishes for Toronto,
 Niagara and Buffalo. The bride
 travelled in Rosewood Canton Crepe
 dress with hat and fur trimmed
 coat to match. On their return

they will reside in Uxbridge Town-
 ship. Mr. and Mrs. Geo. Lee and
 daughter, Kathleen of Stouffville
 were among the guests.

Twenty-one mothers in the City
 of Oshawa are receiving assistance
 under the Mothers' Allowance Act
 of the Ontario Government.

 at the roadside, so they may be
 conveniently lifted by the dray-
 men. Do your part in keeping
 the town clean and healthful.
