EDITORIAL COMMENT

The Grit slogan, "Meighen can't win", will now be universally accepted.

All girls can't be expected to swim the English channel, but there's nothing to prevent them from paddling around in dishwasher sometime or other.

When we read of fifty lives being lost in a theatre in Ireland, when fire broke out, we are prone to respect our Ontario laws which compel owners of public halls and theatres to take necessary precautions against such disasters.

The Township of Whitechurch has the distinction of returning the smallest township majority in North York on election day. Sifton received just five votes over Lennox, although in 1925 Mackenzie King received 81 of a majority.

It is interesting to note that in the recent election, every municipality in N. Y. which returned Liberal majorities in Oct. of 1925, returned a Liberal majority this time, and all places that went Conservative in 1925, remained so this time. Aurora gave the highest Conservative majority in the riding and Stouffville the highest Liberal vote.

Women in our Canadian Northwest were out helping with the harvest. It isn't as hard as swimming the English channel, nor as spectacular, but it's a mighty sight more practical.

The King Government will have a substantial majority in the next House of Commons. The Liberals and Liberal-Progressives number 130, against 115 Conservatives. Then they can always count on a fair share of the remaining 24 U.F.O.'s, Progressives, Laborites, etc., supporting them without any undue hobnobbing.

Three hearty cheers were given for A. D. Bruce of Markham Township, at the Newmarket arena on Wednesday night last week. He conducted or organized the campaign of the Liberal candidate, in no haphazard manner. Not often an organizer is remembered in this manner after the fight, especially if he didn't just come out on top—but then A. D. is generally popular anyway.

Col. Herb. Lennox and Mr. Harry Sifton received the election returns last week, at their respective committee rooms in Newmarket. When Mr. Lennox was certain of victory the band was mobbed and a real celebration was made of it, then he went to Aurora where similar big crowds awaited him, and these supporters he thanked in a short address.

According to a new law that has just been enacted in England, the penalty for being drunk while driving a motor car is four months in prison and a fine of \$250. In addition to this the license of the driver is automatically revoked for one year. And when a law is passed in England it is enforced. They do not put as many laws on their statute books as we do but there is no playing with the law when once enacted.

What has been anticipated for some time was made public Saturday, namely the retirement of Mr. Geo. Veale from the Liberal candidature for the Legislative Assembly in North Ontario in favor of Mr. J. W. Widdifield, M.L.A. This, it appears was decided on at a party conference the reason given out being Mr. Veale's personal appreciation of the support by the U.F.O. of the Progressive candidate in North Ontario-Muskoka in the election of Tuesday last. The resignation of Mr. Veale leaves the field to two candidates, Mr. J. W. Widdifield, Progressive, and Mr. T.D. Bell, Conservative.

We understand that the contract into which the farmer enters when he gets a rural mail box is that he shall keep his name printed on it plainly. If he doesn't the mail man doesn't have to leave him any mail. Very few of the boxes on the Stouffville routes have any trace of a name left on them. That is unfortunate. When somebody from town or perhaps from the city is going past in a car and admires a fine field of fall wheat or other grain, or a fine herd of dairy cows, and slows his car down to ten miles an hour, in order to read the name on the mail box, it is too bad that he can't satisfy his curiosity. Besides it doesn't show that the owner is very proud of his farm or his name when he so neglects this detail. However, so far, we have never heard of any of the Stouffville couriers refusing to leave mail in these boxes.

SOUTH ONTARIO RESULTS

The election returns for South Ontario show that Dr. Kaiser, Conservative, defeated W. H. Moore, Liberal by 880 majority.

The rural sections went strong to the Liberal candidate, who received majorities in five out of eight municipalities. Mr. Moore received his largest majority in the Township of Pickering, where it was 465. Reach came next with a 208 majority for the Liberal candidate, while East Whitby gave him 112, Whitby Township 30, and Scugog 30.

Dr. Kaiser, in addition to the city of Oshawa, received majorities of 117 in the town of Whitby, and 74 at Port Perry.

Returns to date, as tabulated by Returning Officer Albert W. Jackson, are as follows:

	Kaiser	Moore
Oshawa	4494	2960
Whitby Town	923	806
East Whitby	763	875
Whitby Township	494	524
Pickering Township	387	1352
Reach Township	521	729
Port Perry	339	315
Scugog	94	194
	5565	7685

Kaiser's majority 880.
