DIED AT GORMLEY

Mrs. Tillman Hoover of this town has been twice bereaved within a very short period. Only in June last her sister died, and on Friday, October 15th, her father, John W. Empringham, passed away at his late home in Gormley, following a stroke which he suffered almost a year ago. He was in his 62nd year, and was born down in Scarborough Township. Most of his life was spent on the farm in Markham Township, where he attained more or less success as a tiller of the soil. For many years and when health permitted the deceased attended the Church of England, but this had not been possible of late years. Forty years ago the late Mr. Empringham united in marriage with Elizabeth Mason, who survives him with a family of two daughters and two sons, Mrs. T. Hoover of Stouffville, David and John of Markham Township, and Mrs. Glover of Victoria Square. The deceased was the eldest of a family of five brothers and one sister, all of whom survive, namely: George Empringham of Scarborough; Alfred of Toronto; James of Malvern; Joseph of Toronto; Charles of Scarborough; and Mrs. McHattie of Toronto. The funeral on Monday last to Heise Hill cemetery was conducted by Rev. H. S. Warren of Stouffville United Church, and Mr. David Heise of Gormley. Besides the immediate family and relatives, many friends who held the deceased in the highest esteem were present to pay their last respects, and to sympathize with the bereaved family.

CASH PRIZES!

Can You Find the Twins?

No, they are not all twins! Two and only two are identical, and are the twins you are asked to find. Can you? To be sure, the 18 pictures all look alike; but look closer. How about their hats? There are other differences, too. Read the clues. Only two girls are exact duplicates. They are Twins—can you find them?

----CLUES----

At first glance all of the pictures look alike. But upon examination you will see that almost every one differs in some way from all the others. In some the difference may be in the light or dark band on the brim of the hat or in the brimming on the hat or the collar. Or, some may wear necklaces, or ear-rings, or both. Only two are exactly alike. No, it's not as easy as it looks. You must search carefully.

Just look closely—make sure that you have the twins, then send in your answer. Somebody who finds the right twins is going to win a big prize. Make that "somebody" be YOU.
