### CHRISTIAN CHURCH CONFERENCE

The Young People's Congress of the Ontario Christian Conference met at the Bloomington Christian Church on Nov. 8th. Nearly three hundred people from all parts of the Conference attended. The meeting had in it all the enthusiasm of young people with a deeply spiritual tone. They gave a program of excellent quality.

The Congress opened at 9.30 o'clock with a song service in charge of Mr. Murray Hainer of Oshawa. The devotional period of the morning was conducted by the young people of Victoria Park Christian Church, Toronto. Following the devotional period Mr. Stanley Paisley, Stouffville, President of the Congress, took charge.

Mr. Carl Davis of the Bloomington Church, brought words of greeting and welcome to the Congress to which cordial speech by Miss Laura Thompson, First Christian Church, Toronto, responded.

The theme of the Convention was "Ready, Go" and in accordance with this theme the program of the day planned. Miss Pearl Fletcher, Oshawa, discussed getting ready through our homes. Miss Fletcher is a daughter in a home which has given two sons to the ministry of the Christian Church, and she herself is in training for full time Christian service. She was well qualified to talk about a home which gets its children ready for life and service.

"Getting Ready through the School" was the theme of Miss Evelyn Hamilton who was unable to attend the Congress, but her paper was presented by Mr. Morton Wench. Miss Hamilton is a teacher of experience, and she told in a simple forward way how she got the children whom she trained ready for a Christian life and service. The papers of all the young people rang true, because they talked about things that they knew of, and did not deal with theories.

During the afternoon meeting Miss Kate Reesor, Altona, discussed "Getting Ready through the Church". Her paper was a most impressive one. Miss Margaret Fockler, Keswick, daughter of Rev. C. E. Fockler, President of the Ontario Christian Conference, talked about "Getting Ready through the Conference". Miss Fockler's paper was a definite revelation of the relations of church and conference and the part which the Conference and Congress played in getting young people ready for useful Christian lives.

Mr. Herman Eldredge, Field Secretary of the Department of Christian Church, Dayton, Ohio, was the visiting speaker of the day. He brought two stirring messages. In the morning he discussed the appreciation of the things which we have, pointing out how loyalty to the home, to the local church and to the denomination of which one was a member, better fitted one to have a part in the larger loyalties of the world and of the general church.

### AGED MOTHER GONE

On Tuesday of this week, Sarah Wideman, relict of the late Jacob Horner, died at the home of her grandson, Edwin W. Jewitt, at lot 32, concession 5, Markham. The funeral on Friday will leave the house at one o'clock and proceed to Heise Hill for service and interment. The late Mrs. Horner had passed her 82nd birthday, and was one of Markham Township's oldest residents. Few living had been in the township longer than Mrs. Horner, for she was born on the farm where she received the great call to go up Yonder. Her father was the late John Wideman who lived on this same farm over a century ago. They were of Dutch descent, and the late Mrs. Horner spoke the language in her daily conversation. She was a true Christian woman, adhering to the Mennonite faith. Her husband predeceased her many years, and she is survived by an only child, Mrs. R. Jewitt.

### UXBRIDGE TP. COUNCIL

#### Hospital Withdraws Legal Suit

Uxbridge Township Council met on Saturday, Nov. 13th, with members all present; Reeve W. G. Cassie presiding.

The meeting was called by the reeve one week earlier than adjournment date as County Council goes into session the following week. Minutes of last meeting read, confirmed and signed by the reeve.

A communication was received from C. & H. D. Gamble, K.C., solicitor for the Toronto General Hospital, stating that upon receipt of an affidavit of Edgar McNally, re Wm. Edwick, they had withdrawn the suit against the Township.

The School Attendance Officers' report for October was received, and on motion adopted.

Wm. Shier and Joseph Norton interviewed the Council respecting sale of timber on sideline opp. lot 15, con. 5, and on 6th con. south. If timber is removed it would be a benefit to the road. After consideration by the council the following resolution was passed:

Glaspell—Lee—that the following constitute the committees for town-line adjustments for this year:

South-townline, Reeve, Clerk and Mr. Lewis; west Reeve, Clerk and Mr. Todd; North, Reeve, Clerk and Mr. Lee; East, Reeve, Clerk and Mr. Glaspell.

As the Township of Uxbridge has the full quota of constables, but no Justice of the Peace, convenient, this resolution was carried by Messrs. Todd and Lewis:

"That our Clerk (Mr. Roach) be appointed a Justice of the Peace and our Reeve (Mr. Cassie) make application to the Attorney General, for same."

### Here and There

Philadelphia—The silver cup for the best display of poultry at the Sesquicentennial Poultry Show was won by the Hon. John S. Martin, Ontario Minister of Agriculture.

A newly constructed line of the Canadian Pacific Railway between Unwin and Lloydminster in the Province of Saskatchewan is now in operation. This line 30.6 miles in length will greatly assist the farmers of the district in marketing their grain.

Ripe plums are now being sent to England, arriving there in prime condition. The Ontario Department of Agriculture reports having made a trial shipment with excellent results, as attested by word from the other side. The plums were picked ripe and fully colored.

Vancouver—The largest shipment of tree seeds ever made within the British Empire was that of 3,200 lbs. of yellow pine seed sent from New Westminster to New Zealand by the Dominion Government seed extraction plant at the former place. A further cargo of 2,500 lbs. of seed is to follow shortly. This seed will be planted on waste lands in New Zealand.

Quebec—The Canadian Pacific Railway has decided to add three hundred rooms to its famous hotel, the Chateau Frontenac, and to meet the requirements has taken options on a number of properties near the present buildings. Through the construction of the proposed new wing the Chateau Frontenac will probably become the largest hotel in the British Empire, having some 1,200 rooms.

Christmas travel from Canada to the Old Country is expected to be exceedingly heavy this year over the C.P.R. lines and by the Canadian Pacific liners. High wheat prices and good crops are given as the causes for this exodus. The rush will be inaugurated virtually by the sailing of the C.P.R. liner Montroyal on December 7, for which a special train will be run to ship side at Saint John.

Recognized throughout the West as two of the outstanding authorities on mountain transportation, James and William A. Brewster, president and general manager respectively of the Brewster Transportation Company, visited Canadian Pacific headquarters in Montreal and in an interview for the press predicted great popularity for Banff, Lake Louise and other points in the Rockies. Americans, they stated, were regarding these centres as some of the outstanding holiday resorts in existence.

A British Columbia hen, a white Leghorn, has taken the world record in egg-laying with a total of 348 eggs given in 360 days. The hen was entered by the University of British Columbia in the Dominion Experimental Farm contest extending from November 1st last year, to the same date this year. Previous egg-laying records were held by New Zealand (342 eggs per year), in 1923 and by Australia (347 eggs) in 1924. Last year the honor of establishing a record for this continent went to a hen in Puyallup, Washington, with 335 eggs laid in the year.

### John J. Brown Dies In His 82nd Year

One of the very oldest residents of this section, born and raised in or near Stouffville, passed away on Friday, November 12th, 1926 in the person of John J. Brown, in his 82nd year. The deceased was born on the farm where he had spent all his long life, and subsequently died, on the 10th concession, just east of town. The late Mr. Brown was of U. E. Loyalist stock, his early ancestors coming from Taunton Dene, Somerset, England, and settling at Mount Bether Township, Niffen County, Pennsylvania. Following the Revolutionary War they came to Canada, locating first at Niagara, but the Family Compact of that day was paramount, and they were simply dispossessed of their holdings and compelled to leave their homesteads. The father of the deceased was one of William Lyon Mackenzie's followers at Montgomery Tavern in 1837, together with several brothers.

On December 9th, 1855, the late Mr. Brown was married to Ann Eliza Hunter of Uxbridge, when they immediately settled on his farm near town. To them were born four children, two of whom survive, namely, Mrs. Leland Johnston on the homestead and Ross E. Brown of Stouffville, together with their bereaved mother.

Mr. Brown always took a keen interest in public events, and was a great student and reader. For years he served as a school trustee and as a member of the Markham High School Board. He was one of those instrumental in founding the old Mechanics' Institute in Stouffville, which later became known as the public library.

It was his delight as a boy to see the deer which roamed this section in plenty, and he witnessed most of the surrounding farms being hughed from the virgin forest, long before the days of the railway through Stouffville.

The funeral on Monday afternoon from the farm of his daughter and son-in-law, Mr. and Mrs. Johnston, was attended by a great many old friends and relatives of the family, the last sad rites being performed by the Rev. Edgar Morton of the Christian church. Interment took place at Stouffville cemetery.
