MARKHAM T.P. COUNCIL

The council met at the Township Hall on Monday, and the members listened to many complaints as to the state of the roads in various parts of the municipality.
The Council was sympathetic, but pointed out that there had been so much unfavorable weather that it was impossible in many cases to attempt to fix the roads without doing more harm than good. It was decided, however, to repair several of the worst sections if possible this fall.
Foster Wagg was heard regarding a dog of his which had worried sheep, for which the council had to pay damage. He admitted that he saw his dog attack Mr. Brown's sheep, but thought that Brown's own dog might have done the damage, and said it was spite work on Brown's part.
The reeve cited the act and after conferring with the Council, it was decided that Mr. Wagg and Mr. Brown be later heard at the meeting of the Council on Dec. 15th.
