WELL KNOWN MAN CALLED BY DEATH

No more familiar figure ever trod the streets of Stouffville than Joel Nendick, who was called by death on Sunday morning at 8:30 o'clock, at his home on O'Brien Avenue. Last fall Mr. Nendick suffered a severe attack of pneumonia, from which it was thought a man of his advanced years could not survive, but his rugged constitution stood him in good stead, and for some weeks he had been about town almost daily, although he could not accomplish the work he loved so much to do. Last week he was seized with a severe attack of kidney complaint, the nature of which made his case at once serious. On Friday while in a serious condition, he was bright and able to talk, but on Saturday he sank into unconsciousness, from which he never rallied.

The late Joel Nendick was born in Weaverthorpe, Yorkshire, England, on Dec. 18th, 1848, thus he reached his 78th birthday, the day prior to his passing away. When 21 years of age he was united in marriage with Emma Nelson, in St. Mary's Church, Scarborough, Yorkshire, and that same year the couple sailed for Canada. They located first at Aurora, coming to Stouffville 54 years ago, where they remained ever since. By honest toil and the assistance of a faithful wife, Mr. Nendick soon gathered the comforts of a good home. Work to him was not mere toil, for he was never more happy than when performing a day's work. Indeed, after his severe illness with pneumonia, to be unable to perform a heavy day's task was one thing which broke his spirit, and up to last summer he could hold his own despite his age, with men of prime years.

To Mr. and Mrs. Nendick were born eleven children of which four sons and two daughters survive, besides his bereaved wife. They are: Mrs. F. F. Saunders of Toronto, Mrs. J. B. Doten, Stouffville, George Nendick of Calgary, Nelson of Lake Francis, Man., Frank of Toronto, and Charles at home. In 1919 Mr. and Mrs. Nendick celebrated their golden wedding anniversary in a very fitting manner. Deceased was a member of the York Pioneers, a firm believer in Liberalism and a consistent member of the Methodist church for many years. Since the erection of the present United Church building Mr. Nendick had been its faithful and painstaking caretaker until his retirement a short time ago.

With his life partner who is two years his senior, and for the family the town mourns the loss of a fine type of citizen.

The funeral on Tuesday to Stouffville cemetery was largely attended, and the service was in charge of Rev. H. S. Warren, B.A., the family pastor.

Among the many floral tributes were wreaths from the United Church Board, the Stouffville Corporation, the Stouffville War Veterans, and The T. Eaton Co.

O. H. A. HOCKEY SCHEDULE

The manager of the newly organized Stouffville Intermediate Hockey team, Mr. Thos. Blirkett and his assistant Mr. Jack Baker were in Whitby on Thursday last week, when the schedule was drawn up for this district. Uxbridge as has been intimated before, dropped out, leaving Lindsay, Markham, Stouffville, Whitby and Port Perry to fight it out. The local boys were fortunate in holding off a local match until January 7th, by which time they will have played two games away from home, and it will also allow more time in which to get the new Stouffville Arena ready. Here is the schedule. Cut it out for future reference.

DISTRICT and GENERAL

Uxbridge is holding an Old Boys' and Girls' Reunion on July 29th to August 1st, four days.

Newmarket, Orillia, Midland and Cavan Borden are in a group for O. H. A. Intermediate hockey.

The Town of Barrie has been held liable for damage to goods in a resident's cellar, through being flooded as a result of the town sewer becoming blocked.

York Rangers from Aurora paraded out to Vandorf on Sunday morning last week to attend a church service. Rev. T. W. White preached the sermon.

George Clark of Aurora, fell on the icy walk in front of his own home and fractured his hip, necessitating him being removed to the hospital.

The Walkerton Times has this to say concerning potatoes up in that neck-of-the-woods: "The extent of the injury to potatoes from rot in this section is not fully realized. A councilors, school trustees and commissioners signed a car of potatoes to the U. S. had the shipment turned back on account of the damage by rot. Those who have potatoes in any great quantity should exercise precaution in order to save them."

Various farmers in Pickering Tp. have been suffering heavy losses from cattle and other live stock dying from some mysterious disease. Veterinary McEwan, who had been called to treat a number of the animals, suspected that the grain fed was the cause, and sent a dozen samples of grain, mostly wheat and oats, to both Guelph and Ottawa Experimental Farms. After analysing the samples, both reported the grain unfit for feed as it contained ptomaine poison. They recommended that the feed be boiled before using and then used in small quantities.

Auctioneer Pearce of Paisley, Ont. had the most notable experience of his professional life at a sale a few days ago, when he was right pleased to have bids for a bunch of old decrepit farm horses for which he did not expect an offering of any kind from the good crowd of buyers assembled. Three of these old implement haulers were disposed of at figures that aggregated the sum of \$4.00 for the lot—two at \$1 each and the other at \$2. Had it not been that there is a new factor in the horse market there would have been no bids. The fox farmers of the district are on the lookout for cheap meat, and we are told, were the ultimate purchasers of the carcasses.

We know some farmers who would despatch a faithful horse on his own farm, rather than chance him in other hands when his useful days are over.

The smoker held by the South Ontario Football Association in the Community Hall at Claremont, Saturday evening last was a great success. There was a large number of the football players and their supporters present, including the Cherrywood and Ashburn teams, and all enjoyed the smoker and games, after which a pleasing program was given. John Scott, chairman of the Claremont football club, occupied the chair. With Gordon Gregg at the piano, the old favorite songs were sung by R. E. Forsyth, G. M. Forsyth, Fred Evans, Walter Kerr and Thos. Scott. Short addresses were given by Mr. Flett, chairman of the Cherrywood football club, Roy Morish of Cherrywood, R. E. Forsyth, Mr. Tomlinson, G. M. Forsyth and James Palmer, President of the S.O.F.A., after which John Scott asked the Claremont football club to come to the platform. James Palmer then presented the McLaughlin Cup to the officers and their club.

CITIZENS DECLARE FOR CELEBRATION

Old Boys' and Girls' Back to Stouffville, June 30th-July 3rd

The adjourned citizens' meeting in connection with the proposed Old Home Celebration to be held next July in Stouffville, came off on Monday evening, when the twelve canvassers presented their reports, which showed conclusively that the citizens are behind the enterprise from the drop of the hat. Nearly \$600 was promised in subscriptions, and still there are many citizens who have not yet been interviewed. The entire six teams hadn't more than half a dozen people who spoke against the undertaking.

The dates have been set for June 30th, and July 1, 2 and 3rd, beginning on Thursday and ending on Sunday, taking in the Dominion Day holiday. All indications point to this Old Home Celebration and Golden Jubilee of the town as going over with a bang. The following men have been appointed into a striking committee: Messrs. F. W. Silvester, F. Marshall, F. L. Button, A. V. Nolan, H. O. Klinck, Dr. W. A. Sangster, Harold Sanders, Walter Brillinger, W. H. Shaw, with the task of forming the various committees, and their proposals will be submitted to a general meeting to be called early in the new year.

Immediately following this meeting active work will be entered into as the matter of preparing a mailing list of every living citizen who ever lived here, and they will be kept in close touch from time to time with the progress of the various committees who will be preparing for their entertainment.
