ANNUAL MEETING UNITED CHURCH

Greeting to the Presbyterian Congregation

At the annual meeting of the Stouffville United Church congregation held on Wednesday evening of last week, unanimous approval was given to the official board of the church in their action in arriving at a complete settlement with the congregation of St. James Presbyterian respecting the sale of the building from the United Church to the Presbyterians. The amount of money to be paid the United Church is \$1175.

The annual meeting went further, and passed a resolution expressing the hope that the time would not be distant when a union church service might be held by the two congregations in order that they show to the world that though they disagree in temperal matters occasionally, they are one in the cause of Christ.

The meeting was attended by only about 50 members, being about one-third of other years. The cause of the decline in attendance at the annual event, was the abandonment of the usual supper and social gathering that had heretofore characterized the annual meetings.

The chief business beyond that stated above was the reception of reports and the election of officers for the year 1928.

The pastor Rev. H. S. Warren officiated as chairman and stated that the membership, resident and non-resident stood at 337. He summarized the financial report for the nine months ending Dec. 31st as follows:

Raised for all church purposes	\$2482.00
Sunday School	397.00
Woman's Association	110.00
Young People Society	94.00
W.M.S. organizations	753.00
M. & Ex. Fund	1197.00
Conf. and Pres. Fund	29.00
Charitable, etc.	247.00
	\$4708.00

The election of officers resulted in the following being elected for the ensuing year:

Elders—W. H. Todd, S. Stouffer, A. G. Lehman, H. W. Sanders. Stewards—F. E. Rae, C. Stouffer, L. Barkey, A. V. Nolan, H. Moyer, A. E. Booth, K. G. Tarr, Fred Winn, W. H. Shaw, G. R. W. Thomas, W. J. Taun, E. A. Button, E. J. Davey. Extra Trustee—Isaac Barkey.

THE ADVT. DID IT

"Tell your readers that The Tribune sold my farm." This is the statement Mr. Fred Paulicat made to the editor over the telephone when we called him to confirm the report of the sale of his 150 acres on the second concession of Uxbridge, north of Glasgow. The purchaser is Mr. Victor Stover of Markham.

Mr. Paulicat is a good farmer and possessed a valuable property with fine buildings, but had decided to retire from the business, provided he could dispose of the property. In order to do this he inserted a small advertisement in The Tribune, and it caught the eye of one of our Markham subscribers. Mr. Stover promptly investigated and completed the sale arrangements on Saturday.

MRS. THOS. F. BOYNTON

The death occurred on Monday, January 23rd at Richmond Hill of Mrs. Thomas F. Boynton. She was born in Markham Township 87 years ago, and had lived there all her life with the exception of the last four years when she resided in Richmond Hill with her daughter, Mrs. Alice Sanderson.

The late Mrs. Boynton was a member of the Victoria Square United Church. She was married over sixty years ago to Thomas Boynton, who predeceased her 18 years ago. After their marriage they began farming on the third concession of Markham where one son, Thomas Boynton, now resides.

The funeral was held Wednesday from her daughter's residence to Victoria Square cemetery. The pallbearers were six grandsons, Cecil Sanderson, Herbert Sanderson, Russell Boynton, Nelson Boynton, Ralph Boynton and Elmer Boynton.

Besides her daughter Mrs. Sanderson, Mrs. Boynton leaves two sons, Thomas, third concession of Markham and Charles, second concession of Vaughan Township. One brother also survives, Wm. Monkman of Unionville.

WARNING TO ICE SHIPPERS

Take notice that persons who sell ice in Stouffville contrary to the by-laws governing the same, will be prosecuted according to law.

All persons bringing ice into Stouffville for use by local users are required to have a permit for same obtainable from J. S. Dougherty, secy. B. of H. By order F. A. DALES, M.O.H.

ALTONA IS ACTIVE FOR HYDRO POWER

The farmers east of Stouffville have gotten into action respecting the securing of hydro electric power for their farms. A petition is now in circulation along the townline Markham and Pickering from the power line running from Mount Joy to Claremont, as far as Ira Brown's corner where it is proposed to turn east and run across to Altona.

It is said that thus far the necessary three farmers per mile have signed a petition asking for the current, while at Altona it is believed that most of the householders will have their places wired so soon as they are assured the line will be built. The United Church have decided to wire their building also.

It is now being ascertained whether enough farmers will sign contracts to continue the line up to Goodwood, and if they do the little village in the hollow may yet be raised out of the gloom of dark nights. It is said that 25 residents in the village are willing to wire their homes, also the stores and garages.

The matter of rates will be the deciding factor with many of the people living along the proposed line, and if the H.E.P.C. can deliver the juice to them at anything like a reasonable price, there is every reason to believe that plenty of users will be secured.

MARKHAM TIE THE GROUP

Must Break with Stouffville this Week

Stouffville Junior O.H.A. team lost their best grip on the championship of this group Monday evening when they dropped a game to Markham in the southern village, after twenty minutes overtime play. The final score was 5-2. By coming out victorious Markham tied Stouffville for group honors, and they were ordered to play off the tie with home and home games this Wednesday evening in Stouffville and Friday evening in Markham with goals to count on the round.

Monday's game at Markham was a "hair-raiser" for the seven hundred or more fans, (700 paid admissions). It was impossible to predict the winners until the last ten minutes of overtime, when McDonald on the Markham forward beat the Stouffville goalie with a fairly easy shot, delivered from outside the defense line. After this, Stouffville broke up their own defense in an effort to even the score, which they failed to do, instead allowing Markham to break away and score on an open net twice. The game was virtually over after the tie was broken.

The first period was scoreless, and the play evenly divided. The tactics on both sides spelled "caution"; no really fast hockey being exhibited. The second period saw more life in the game. Stewart starting the scoring by notching a counter for Markham in a brilliant end to end rush that no one was able to stop, and this first net-bulger of the evening sort of started things. A few minutes later Harold Lewis counted for Stouffville, but before the period ended Williamson for Markham broke the tie. Score 2-1 for Markham.

The best hockey of the evening was staged in the final period of the regular game. Lewis again counted for Stouffville, tying the score which remained sewed up to the end at 2 all.

Neither side was able to score in the first fixture of overtime, and both teams were manifestly growing tired. It was predicted that the team to land the rubber in the nets first would win the game, and so it was, as told in previous paragraph.

Allan Hoover in goal for Stouffville made many good stops, clearing the puck on a couple of occasions when Markham broke through the last defence man, but as is often so, the easiest one beat him. Fred Todd and Ken Reesor on the defence were hard to beat, although they did not give the extra assistance to the forward line that they sometimes do. Lewis, Garland Lehman and Earl Clendenning on the forward line outplayed their check-mates, but Stewart and Williamson on the Markham defence were quite formidable and did great work in holding Stouffville out. Frank Ross and Herb Simpson as subs, were effective, but the team as a whole so evenly balances Markham that a big struggle is necessary to declare winners whenever they meet.

The game was clean, Stouffville drawing four penalties, and Markham one, all more or less minor offences. In the third period Markham lost a great opportunity to break the tie when both Reesor and Todd, the two most formidable defence men were penalized at the same time.

If Stouffville wins the round on the Wednesday and Friday games they will meet Lindsay Juniors next week.

FIRE DAMAGES LOCAL GARAGE

Fire broke out in Arthur Swift's garage, opposite W. H. Todd's residence, on Tuesday afternoon about 4 o'clock, doing considerable damage to the building and the stock of tires and auto accessories. Although much of the blaze was in the office room the books are not damaged to any great extent. The estimated damage to the building is fully covered by insurance of \$1000, but Mr. Swift carried no insurance on the stock, the loss on which is not yet estimated.

At the time of the outbreak several men were in the workshop at the rear, where an expert was setting up and trying out a new tire vulcanizing machine. A small cap blew off the gas container and in a twinkling shot a blaze of fire into the partition and corner of the wooden walls. Every effort was made to quench the blaze without success, at the same time sending in an alarm for the fire brigade which responded promptly.

One stream of water was turned on, and the fire was under control in 15 minutes, although it smoldered for hours. The wooden interior of the building is badly damaged by smoke and fire, but the flooring is uninjured, and Mr. Swift intends to make all haste with repairs, so that he will be asking for "business as usual". In the meantime gasoline and oil sales will be welcome. The gas tanks were uninjured.

CASHEL

Mrs. Annie Pingle relict of the late Philip Pingle and, formerly, Miss Annie Frisby lived at her home, 3330 Borne St., Toronto, on Thursday, January 26th. The funeral service on Tuesday afternoon from Toronto to the Victoria Square cemetery, was attended by numerous relatives and old friends. She is survived by her son, Ernest of Buttonville, and one daughter, Elsie (Mrs. Chas. Summers), by three brothers and a sister, Mrs. Wm. Forester.

January 25th, they passed from our midst. George Love, who has been failing for some time. Born in King Township in 1840, he came to Markham some fifty-five years ago and in 1879 married Maria Brown. They settled in Whitechurch and were there about five years when on returning to Markham they lived on the 5th con. for eleven years. Retiring from the farm the late Mr. Love purchased a home at Cashel and spent the remainder of his days here. In religion Mr. Love always was very active, being converted sixty-three years ago at a camp meeting in King. That conversion was lasting as he himself expressed it. For the memory and mind seemed clouded at times, yet when Dr. Gray of the United Church called, the late Mr. Love said in response to a question by the doctor, "Sixty years and still the anchor holds". He was a worker in the Victoria Square church until he could no longer attend and was also active in the cause of the S. S. and of temperance. The funeral to the cemetery of the United Church, Victoria Square, was largely attended and the last sad rites were performed by Rev. Mr. Wall assisted by Rev. Haig. The sermon was from John 14:12. His widow and one sister, Miss Lydia Love, are the nearest surviving relatives. To Mrs. Love, who has so faithfully attended for so long to the needs of her husband, is extended the sympathy of her many friends in her bereavement.

LEMONVILLE

Mr. Geo. McKean visited us a few days last week.

We are glad to see our teacher, Miss Thompson out again, after several days illness.

Mr. Herman C. Burkholder is reported doing nicely after his recent operation in Wellesey Hospital, Toronto.

On Tuesday evening of last week, Rev. and Mrs. Laycock were pleasantly surprised, when the members of the Christmas Cantata, gathered at the parsonage to enjoy a social time. The chief feature of the evening was the presentation to Mrs. Laycock of a five-dollar gold piece brooch, engraved with initials, in appreciation of untiring efforts in getting up "The Adoration Pageant" cantata at Christmas. Games and refreshments were provided by the members and a pleasant evening was enjoyed by all. Those present were: Misses Mary E. and Cora Cook, Lena and Mildred Tarr, Dorothy Hood, Mabel and Clara Hall, Jean Baker, Reta Wells and Florence Barkey, Mrs. E. S. Barkey and Mrs. Ross Winterstein, Messrs. Harold and Earl Cook, Herbert Hood, Geo. Martin and Mr. Sherman. Walter Brown was absent owing to illness.

Scotland talked to Montreal by phone the other day.

PRESBYTERIANS REPORT GOOD YEAR

The annual meeting of St. James' Presbyterian Church was held on Wednesday evening when a full attendance was present.

The various reports read showed progress in all the branches of the church activity. The congregations are increased and the finances are encouraging since the reorganization following union. The congregation is under the ministry of Rev. W. H. Fuller, Th.B. jointly with the Presbyterian church at Markham village.

The ladies provided a splendid lunch which was enjoyed and appreciated by all present. The election of officers resulted as follows: Managing Board—Jas. Rennie, David Gray, David McConnochie, Robert Kelly, C. J. Brodie. Trustees of Church Property—J. A. Mitchell, W. H. Clark, James Rennie. Treasurer—Jas. Rennie. Secretary—David Gray.

MARKHAM FARM SOLD

Fred Dewey has sold his farm of 150 acres at lot 28, concession 7, Markham, to Walter T. Bradshaw of the same locality, and will hold an auction of all his farm goods on February 16th. The sale price was \$10,500.

Mr. Dewey is not only a farmer, but a decorator and painter, taking important contracts in Toronto, where he is engaged now on a large contract. His eldest son is running the farm. Mr. Dewey is giving up farming largely on account of the health of Mrs. Dewey who is more or less in delicate state, and their friends will be sorry to have them leave the neighborhood.

Send the Tribune to absent friends.
