MARKHAM TP. COUNCIL

The regular meeting of the Markham township council was held at the Township hall, Unionville on Monday Feb. 6th with Reeve Gohn in the chair and all the members present. The road superintendent was authorized to attend the superintendents' convention in Toronto this month and the whole council were appointed delegates to attend the annual convention of the Ontario Good Road Association. The clerk was authorized to forward the annual fee of \$5.00 to the organization. The usual grant of \$15.00 was made to the Richmond Hill Public Library.

The council took no action on the request to join the Ontario Municipal Association. The monthly report of the Medical Health Officer showed the following list of cases for the month of January: scarlet fever 3 German Measels 6; Mumps 1 and Chicken pox 5.

Mr. C. E. Stiver, addressed the council regarding the many neglected cemeteries in the township. He pointed out the new law in the matter which made the township responsible and urged that some action be taken in the matter which he felt was a very important one. Reeve Gohn assured him that it would be considered by the council.

A by-law was passed fixing the rental for the Township hall at Unionville as follows:—Basement \$2.00 per night and upper hall to organizations resident in the township of Markham \$4. per night and to non-residents \$10. per night. All arrangements for the hiring of the hall will be taken care of by the Janitor.

A petition signed by members of ratepayers was received asking that a new school section should be formed at Milliken composed of a section of Markham and a section of Scarborough townships. It was pointed out that the school serving a portion of the proposed new union school section is now over-crowded and many pupils had to walk great distances to school with the result many were irregular in attendance. No action was taken by the council as it was felt that more information should be available.

Mr. McKinnon of Cashel, was heard respecting the needs of a poor family in his locality and he was instructed to make provisions for them.

The following general accounts were ordered paid:—
 D. A. McKinnon wood supplied charity \$4.25
 F. J. Minton, blacksmithing Toronto Stamp and Stencil Works 23.65
 F. H. Stiver, valuing sheep and mileage 19.00
 Charles Hoover, shovelling snow 1.63
 G.A.M. Davison, stamps and express 4.75
 Willow Lake Garage, work on crusher 7.50
 Municipal World 55.12
 W. J. Clayton, salary and mileage for January 13.10

The following road accounts were ordered paid:—
 D. Graham, acct. as per statement \$14.40
 F. R. Mann, acct. as per statement 20.25
 L. Middleton, salary and mileage 97.85
 A. Stephenson, acct. as per statement 3.90

The death took place at Gormley on Tuesday of this week of the year old daughter (Norma) of Mr. and Mrs. Alvin Winger. Funeral Thursday at 2 p.m.

HOCKEY TOURNAMENT

A hockey tournament will open in the Stouffville Arena on Tuesday night, Feb'y 21st, for Senior and Junior teams, competing for \$200 in prizes.

The Senior group will be donated gold watches for eight players, and the Juniors, club bags.

The rules to govern are set out on the large posters, and teams are expected to enter from all over the district.

GOVERNOR-GENERALS TROPHY

Two rinks of local curlers skipped by D. H. Rusnell and W. R. Sanders are making a great showing in the District Cup semi-finals today in Toronto, as we go to press. Only three rinks were left in the running for the Governor General's trophy, Orillia, Stouffville and Toronto High Park, for which winners will be declared before this paper is issued.

HARD-TIME PARTY

Dear Mr. Nigar—
 I wonder if you would make an announcement that the Stouffville Old Boys and Girls Association of Toronto, one of the most flourishing institutions of its kind in the city, is holding a Hard Time Party in Hygeia Hall, Elm street, near Yonge, Toronto, on the evening of Tuesday, Feb'y 21st. I know that the executive would be glad to welcome any who would care to come in from the old town. Any one wearing Sunday best clothes will be slain, so come in the oldest clothes that will stay together. That's the plan of the party. Mr. Ernest D. Lott and his committee are supplying lots of ideas for entertainment and the admission is to be 50 cents. There will be checkers, dominoes, cards, dancing, conversation and, of course, eats, all in keeping with the Hard Time idea.

The Grand March of the Hard Timers is set for nine o'clock, but there will be plenty doing before that.

Yours truly,
 R. P. Stouffer, Toronto.

THE STRAP IN SCHOOLS

Respecting the newspapers controversy as to abolishing corporal punishment in public school, our view is that it would be unwise as the abolishing of capital punishment in the state has proved to be. Where it has been tried out it has resulted in a rapid increase of homicidal crime.

If mothers who object to the use of the strap in the school could be depended on to use it in the home it might be dispensed with in the schools, but as long as the children are brought up on the theory of their unrestrained self-expression, it will be wise to retain the strap in schools as a deterrent, in the case of wilfully bad and rebellious youngsters who defy authority and invite the penalty.

Teachers must be allowed the right, subject of course, to appeal, to decide when the extreme penalty for refusal to submit to discipline is incurred and to administer the penalty if necessary discipline is to be maintained.

There are teachers who manage to dispense with corporal punishment and to maintain necessary discipline, and who do not understand why all teachers should not be able to, but they are rather the exception.

As long as home discipline dispenses with the slipper and strap, teachers will encounter cases where the alternatives are the strap, expulsion of the pupil or resignation of the teacher.

The Toronto Civil Service hockey team will play the best line-up Stouffville can produce, in the local Arena on Friday night this week.

See the big bills for the carnival next Monday in Stouffville, giving a list of the classes for prize costumes.
