MARKHAM TOWNSHIP

The license fees are as follows: For each dog the sum of \$2, if only one, and \$4 for each additional dog; \$4 for each bitch, if only one, and \$6 for each additional bitch.

Under the provisions of the Act, an extra charge of 25c. will be made for license tags if payment is not made before April 15; and further, owners or harborers of dogs not reporting same to assessors are liable to severe penalties for not taking out licenses for same, and the dogs subject to be destroyed.

ALL PARTIES AGREE TO A SETTLEMENT

As predicted in these columns two weeks ago, the writ issued on behalf of Mrs. G.R.W. Thomas for injuries received in an automobile accident last August, against Mr. and Mrs. Chas. Billings of Gormley, has been settled without going to court. While the amount of damages asked in the writ were placed at \$5000, the claimants had little or no hope of obtaining any such amount, and the case has been settled on the agreement of the Billings to pay \$2,200 cash.

The amount of damages obtained will not represent anything more than actual cash outlay incurred for hospital expenses, doctors, and nurses for Mrs. Thomas, in the effort to save her life and injured limb. Up to date about \$1700 has been expended, and while Mrs. Thomas is at her home here, she is still a patient far from recovered, and will have to make many trips to the hospital. Only last week she was taken in for further treatment, and it will be two months before her leg can come out of the cast, and she may never be able to walk without crutches.

Friends of both parties involved will be glad the case is settled without expensive litigation. The amount of damages obtained will not compensate Mrs. Thomas in any way for her unfortunate condition, while on the other hand it is said the payment agreed to will fall heavily on Mr. and Mrs. Billings, who are not possessed with the wealth they would like to have to meet such an emergency.

WHITCHURCH BOARD OF HEALTH

Whitchurch Township Board of Health met for their first meeting of this year on Saturday last. The Board is composed of Dr. G. W. Williams, Reeve Morgan Baker and Mr. W. D. Richardson, the appointed member by the council.

Reeve Baker was made chairman for the year. Dr. Williams made a report on his investigation of administering toxoid to the children throughout the township. He said that not more than 40 per cent of the school children were willing to take toxoid treatment, and because of this he thought it advisable for those desiring treatment to have it performed by their own doctors. The board concurred in this view by passing a resolution embodying this sentiment.

At a meeting of Jubilee Chapter, O.E.S. held Tuesday, the members voted \$15 of the proceeds from their carnival held on Monday evening, to the gymnasium fund of the local high school.

JUST MISSED IT

Stouffville players came within an ace of winning the Ontario Provincial Curling Championship and Governor General's cup in Toronto last week, when they defeated every team they were pitted against, climbing into the semi-finals, and finals, but unfortunately, after two days of hard steady playing, they went down to defeat before the crack High Park rink, a team of fresh players who had drawn the "bye". The High Park players were fortunate not to have to play all the games, and thus they were enabled to get in easy at the last against a team of tired granite throwers.

As it was, the Stouffville teams were only down 12 shots, and to them is due great credit for the splendid showing they made. They were instrumental in bringing much publicity to the town, as all the daily papers carried big headlines telling of their prowess.

The Stouffville rinks were made up as follows: Harold Sanders, Walter Brillinger, Thos. Birkett and W. R. Sanders, sk.

Wm. Reesor, Bert Smith, Wm. J. Mather, D. H. Rusnell, sk.

THE FARMERS SUPPER

The annual U.F.O. supper last Thursday night was not quite so largely attended as in former years, although the crowd was not small, and the evening was enjoyed by all the people present.

After the splendid supper had been partaken of, and the men had their palates tickled with big fat oysters, cooked or raw, all sat back to enjoy the program of music and speeches.

Mr. Gilroy, last year's president of the U.F.O. Co-operative was the chief spokesman, and he dealt at length with the wheat and live stock pools. Mr. and Mrs. Wilmot of Sharon were also guests of the evening, each responding to their names for short addresses. Mrs. Wilmot is the vice-president of the U.F.W.O.

ICE RACING

Horse racing on Bond Lake is attracting considerable interest, and several local people have been over to enjoy the sport. The result of Saturday's racing in the free-for-all (two entries) in four heats gave Joe Todd, owned by J. B. Cooney, three firsts and J. Kitchener, owned by J. Bowthorpe, one first. Time 1.12, 1.10 1/2, 1.09 1/2, 1.08.

George A., owned by Geo. Anthony won the green race against Judge Girl, owned by Fred Judge. Further racing next Saturday afternoon, Feb'y 25th, at 2 o'clock. There are nine entries, and the best racing of the season is looked for. You are invited to enjoy these winter ice races at Bond Lake.

LOCAL POULTRY SUCCESS

The Markham and Stouffville Poultry Club held a "meet" in the Orange Hall, Markham on Thursday last, when several local fanciers attended and exhibited with good success. Messrs. Fletcher Goudie and Paul Boadway put up an excellent string of Rhode Island Reds, and secured 1st on cock; 1, 2 and 3 on hens and 1, and 2 on cockerels, a 100 per cent win. Councillor Ward took 12 birds and secured 3 firsts, 3 seconds, 3 thirds, 2 fourths and 1 fifth. An excellent address on "Blood Testing of Poultry" was given by Dr. Brown of Markham, and a resolution was passed that the Minister of Agriculture be asked to consider the desirability of issuing certificates to those breeders who submit their flocks to this test. A good attendance of members manifested the interest that the local hen men take in the society. It is hoped that in the near future a meeting of the society will be held in Stouffville to stimulate interest in poultry raising.

HANNA WIDEMAN PASSES TO REST

After being in poor health for some time, there passed peacefully away at her residence, lot 19, com. 6; Uxbridge Township, on Sunday, Feb. 12th, 1928, Hanna Wideman, wife of George Hopkins, in her 75th year. She was of a retiring nature and was highly respected in the community. She was a member of the Christian Church at Bloomington.

Born in Markham Township, she deceased was a daughter of the late Mr. and Mrs. Samuel Wideman, who were pioneers of that township and were well-known and highly respected.

For many years Mr. Hopkins worked for Todd & Cook of Stouffville. About 18 years ago with her husband they moved to Uxbridge Tp. To mourn her loss besides her husband, she leaves seven children, namely: Herbert at home, Edward of Victoria Corners, Roy of Uxbridge Tp., Mrs. B. Arthurs, Mrs. Ronconi, Mrs. B. Brown, Toronto, and Mrs. M. Linton of Oshawa.

BRILLIANT PUPILS IN ORATORY

Janet Button Again Captured First Place

Those who failed to take in the Oratorical Contest in Ratcliff's Hall on Friday evening, conducted by pupils of the Stouffville Continuation School, certainly missed a treat, and a program of real benefit to the audience.

Besides the oratorical and elocutionary numbers, there were several choruses in which the pupils participating, showed careful training and excellent voices. Instrumental trios by G. Lawson, D. Hodgins and A. McConochie were also appreciated and demanded an encore. Although the program showed nineteen items it was run off with despatch, and the audience dismissed at about 10.30 o'clock.

The feature of the evening was the seven addresses, each speaker orating on "Canada." After the first two or three were heard, it was evident to all that the judges would have a hard time arriving at a decision, as most of them spoke with real merit. Each pupil held the floor for about ten minutes, and after listening to them one could not help but feeling proud to be a Canadian under the British flag. Janet Button, winner of the contest in 1927, was again declared winner by the judges, and as a result she is eligible to enter the Star contest, representing the local school. The successful contestant in this event to be held in Toronto shortly, will be awarded a trip to Europe this summer with all expenses paid.

Luella Stouffer won second place in the contest Friday night. Mildred McKay 3rd, Linora Brown 4th. Judging from the finding of the judges the coming generation of men are not going to be in it with the women as talkers any more than the present generation, for the only two boy contestants failed to capture a place in the list of winners. They are Robt. Norris and Wilbur Hill. Another contestant Blanche Topham made an excellent speech on Canada's future.

The judges were Rev. W. S. Whitcombe, Garnet Stewart, son of Mr. and Mrs. Robt. Stewart of this town, and high school teacher in Toronto, also Mr. Gale of Markham High School staff.

Mildred McKay, Blanche Topham and Opal Doten, contestants in elocution, finished in the order named, the judging being done by Mrs. R. Winterstein, and Miss M. Gardhouse.

The presentation of diplomas was made by Rev. C. E. McLeod, chairman of the evening. Carl Davis, president of the School Literary Society, presented the general proficiency medals to Bruce Rowbottom, Betty Booth and Robt. Norris, while Principal Stouffer made the presentation of prizes to the winners in oratory, and at the same time seized the opportunity to thank the citizens in general for their patronage.

The Oratorical Contest and Commencement Exercises of the local school are growing in favor with the citizens each year. Unfortunately, this year there are so many functions, that some were kept away, feeling they cannot "take 'em all in." The staff and the scholars are to be congratulated on the excellent talent displayed on this occasion.

The proceeds for the evening amounted to \$70, and will be devoted to furnishing the new gymnasium at the school.

EASTERN STAR CARNIVAL

The fancy dress and old-time carnival held in the Arena Monday evening, by the local Eastern Star Chapter, was very well attended, although the rough weather prevented the crowd from being much larger. The number in costume was particularly good. The judges were: Mrs. L. E. Todd, Mrs. J. A. Helse and Mr. H. O. Kilneck. Benj. Doten and family were awarded the \$5 for having the largest family on skates, there being five of them, while Ben. also cleaned up on a couple of other prizes, for best fancy dressed man, and for the oldest skater in costume. The other prizes were awarded as follows: Hard-time costume, Helen Nicely, Murray Clendinning; Fancy dress costume, Miss Ball; clown, Roy Wagg; old time lady, Laura Forsyth; boys costume under 14 years, Chas. Nolan; girls, Margaret Ball; youngest child in costume, Jack Hare.

Miss May Urquhart, who makes frequent visits to the General Hospital, reports her father, Mr. John Urquhart, as about holding his own, although perhaps weakened by the steady confinement. Despite his advanced age, Mr. Urquhart when well never missed his daily exercise.

On Wednesday Mr. and Mrs. W. H. Clark were in Scarborough visiting at the old homestead where lives his youngest brother, Hugh and family who are about to leave the old farm home to live in Agincourt. Their sale is announced in this issue of the Tribune register.

A number of citizens met last week at the home of Mr. Jas. Mowat bringing with them good wishes, and donations of different kinds, to celebrate his 75th birthday. Among the useful presents given we noticed, a good warm, home-made pair of woolen socks, knitted by Mrs. Fred Wilson and Miss Lehman. In the toe of one of the socks was placed seventy-five coppers.

The Brantford Expositor carries an interesting article on the work of the Kawans Club of that city, and makes complimentary reference to the vocal assistance given at one of their gatherings by Miss Ida Davis, daughter of a former resident of this section, Mr. Jess Davis. The Davis family will be remembered as possessing musical talent, and the coming generation are evidently developing that talent to a greater extent.
