Eastern Steel Products Limited,
PRESTON, ONT.
Successor to Metal Shingle & Siding Co. Limited.

TOWN FARM SOLD

Mr. Hugh Clark of Ballantrae will shortly become a resident of Stouffville, having bought the 65 acre farm at the rear of the public school from Mr. A. E. Booth. The house and buildings are all within the town limits, as is part of the farm lands. While possession will be given this spring, Mr. Booth has arranged to have the house until June next, so that his family will be able to complete their school year before they move to Toronto, where they lived prior to coming here in 1913. This farm is ideally located, and the house and barns have town water installed, also hydro in the dwelling. Mr. Clark recently purchased a 50 acre farm in the centre of the tobacco growing section near Simcoe, but we understand he has good prospects of turning this over at once. His friends will be glad to know he is not to leave the old home locality.

WESTERN HORSES SOLD

While the crowd was very large at the horse sale on the Wilmot Brown farm last Saturday afternoon the number of really interested buyers were few. Mr. Norman Cloughton, the owner of the horses had the animals in good condition, all of them showing great improvement after their long ride from Western Canada. Eighteen of the twenty-two horses offered were disposed of, a big team being withdrawn from the sale after \$149 being bid on each animal. Ralph Wellman took home the highest priced animal of the sale, at \$155. W. Ward bought one at \$142.50. W. Fairles at \$130. R. Walker at \$137, and a nice 2-year-old sold at \$132. In fact the young horses all created better bidding than the older horses. Buyers were all local as the roads had scarcely been opened after the big storm of the day previous.

FAREWELL TO PERCY
The young ladies and the young men's bible classes of the United Church at Stouffville met at the parsonage on Monday evening and enjoyed a social time together. The young people took this occasion to make a presentation to Mr. Percy Britnell of the Standard Bank staff, who is being transferred to Chatham on Monday next. He was made the recipient of a handsome pair of cufflinks, the presentation being made by Miss Emma Heise, while Mr. Harold Sanders read an address eulogizing the good qualities of Mr. Britnell, and further it read: "We believe that your activities in connection with the church, the part you have played as a member of the baseball team, and in making a wide circle of friends, have all contributed to create a place for you in the life of the community that will not be easily filled." Dominion Store Special (this week end) Pic-Nic Hams—17c. lb. Paul Boadway, Manager.

DISTRICT AND GENERAL

Tara councillors have voted themselves a salary of \$3 per session.

Sheriff Paxton is expected home in Whitby this week, after having accompanied the Varsity Grads to Switzerland where they won the world's hockey championship at the Olympic games in St. Moritz.

For failing to take out a radio license upon installing a radio receiving set Wesley Wallin, Barrie, was on Saturday morning fined \$5 and costs. The fine was paid. This action was instituted by the Inspector of Radio Telegraphs.

A heifer missing from the barn of Herman Swaffield and supposed to have been stolen was later found wedged tightly between two stacks that had been built close to each other. The animal had evidently been there for some time and was of course dead. How she got so far in between the two stacks is not easy to see as they are as close together as it was possible to place them.

Beaverton Express—Mr. D. Bone, Beaverton's only centenarian passed away quite suddenly Tuesday evening. Mr. Bone was on the street Saturday enjoying his usual fair health. According to Mr. Bone he would have reached the century mark, August 1st, but relatives state his age as being 102. Deceased came to Beaverton some thirty years ago from the Township of Oro where with his family he had lived for many years coming from Leith, Scotland with his parents, they met the usual hardships of the Canadian wilderness of those days.

BIRD SANCTUARY FOR WHITCHURCH

The creation of a sanctuary for birds and a refuge for creatures of the wild in general, are the reasons for an unique real estate deal in Whitchurch Township, which was completed last week. The property is located a mile and a quarter west of Bethesda on the proposed new county road, and it comprises 75 acres. The vendor is Mr. S. P. Foote of Bethesda, while the purchaser is Mr. Taylor Smith of Toronto. This is described as a beauty spot in the rustic life of the township, and on the property is a delightful 25 acre lake in addition to the 75 acres of land. The property is well wooded and contains a quantity of first growth timber. The new owner plans an extensive tree planting program in order to provide additional quarters for his feathered friends, and he will also build a stone home overlooking the lake. "I intend," said Mr. Smith, "to establish a bird sanctuary. The lake which I have purchased I have named Lake Placid, and I will stock it with speckled trout. It is from 50 to 75 feet deep and will be splendid for water fowl." Plans are advanced for the building of a stone bungalow this summer.

GOODWOOD

I. J. Foskett was in Toronto on Monday. Mrs. Morris Johnston of Mantoulin Island was visiting friends. Joseph Cooper and his mother are visiting friends at Iroquois Falls. Mrs. Murison and Miss Nora Stapleton of Stouffville, were here for the "Dummy" concert and supper. They report a fine evening. We are glad to report Mrs. Thos. Armstrong improving and also Mrs. Lyman Fields is a little improved, but apparently very ill. Alfred and Arthur Hall have returned from England where they spent the winter with their parents. They brought with them their brother Richard and his chum Albert Randall. This means two more sturdy young men for the assistance of the farmers. Mr. and Mrs. Russell Lee of Greenbank made a short call this week at the home of the latter's grandfather, Isaac Wagg's on the return journey of their honeymoon trip to Niagara Falls. They were married in Toronto on Friday the 9th inst. The postponed entertainment which was to have been held last Friday night and held Monday night was largely attended for the condition of the roads. The supper was all anyone could wish for and the play held, the house spell bound at times. The electric lighting for the concert was supplied by our garagaman E. Latham, and answered their purpose to perfection. Our citizens are getting anxious about the water supply in town and they were out with shovels, getting the ditches opened on Tuesday afternoon. The supply is beginning to come more plentiful and the citizens are anxiously waiting the result.

THE SPRING POET

Last week we stated that spring was just around the corner, and now comes sure evidence that it is, in the budding of the spring poet. The March number of a booklet named "The Casa Star" published by the Canadian Automobile Service Association, is to hand, and therein are words from a Stouffville poet, Mr. Frederick Marshall of local bank fame. Under the caption, "The March of Seasons", he pens these words. When the snow is melting on the hills And the first faint note of the blue-bird trills, Then we know Mother Nature will soon be atune To the sound of the great reveille, And lo! 'tis gentle spring. When the sun rides high in the western sky And the oriole sings in the elm on high; When my being aches For the northland lakes, Then 'tis glorious summer. When the red and gold are on the leaves And the mellowing breeze sighs through the trees; When the ducks take wing And the bullets ping, Then I know 'tis autumn. When Boreas shakes his hoary mane And Jack Frost paints the window pane, Then out across the gleaming bay The speeding ice boats skim away And once again 'tis winter.

ROD AND GUN

A most instructive article on the factors contributing to the tremendous loss of trout fry after their being planted from the hatcheries is one of the outstanding features of the contents of Rod and Gun and Canadian Silver Fox News for March. Many other splendid outdoor articles and stories also appear. W. J. Taylor Limited, Woodstock, Ont.

JUDGESHIP FOR CLAREMONT NATIVE

Mr. Donald Ross, B.A., LL.B., of Barrie, and a native of Claremont, has been appointed Senior Judge of the County of Simcoe, and has been notified of his official appointment. Needless to say the appointment is popular throughout that County and Judge Ross is being congratulated on all sides. Donald Ross was born at Claremont, Ont., of Scottish parentage, but went to the Township of Innisfil when a small boy, where he spent his younger days. He attended Barrie Grammar School under the late H.B. Spotton, and after securing a third class certificate, taught school for three years, in Innisfil, at Killyleigh and Churchhill. During these years he studied and took his second class certificate, and by attending the Grammar School for six months passed his matriculation exam. He then attended the Toronto University for four years, taking his B.A. and later secured the degree of LL.B. After graduating he attended the Bar went to Barrie and has been practicing there since. He was an active Liberal, and a fine type of man.

THOMPSON—WILSON

On Saturday afternoon, March 10, at the home of the bride's parents, Aurora, Ont., a quiet house wedding was solemnized when Minnie Smith, youngest daughter of Mr. and Mrs. W. S. Wilson became the bride of Mr. Fred R. Thompson, son of Mr. and Mrs. W. J. Thompson, Newmarket, Ont. The ceremony was performed by Rev. A.E. Marshall, pastor of Trinity United Church, Newmarket. The bride, who was given in marriage by her father, looked charming in a gown of peach georgette trimmed with radium lace, carrying a bouquet of butterfly roses and lily of the valley, entered the room to the strains of Lohengrin's wedding march played by Mrs. (Rev.) A. J. Brace of Toronto, aunt of the groom. The bride was attended by her sister Miss Lillian Wilson wearing blue canton crepe, and Mr. Wm. Neufeldt of Newmarket, acted as groomsmen. During the signing of the register Mrs. Brace played Mendelssohn's wedding march. Guests to the number of about thirty were present.

ALMIRA

Regular meeting of the Guild next Thursday evening. A large crowd attended Mr. Sam. Hisey's sale Tuesday. Harold McKay was home with his parents over the week end. James Murray is engaged with Edwin Jewitt for the summer. Mrs. Peter Steckley spent Tuesday at Mr. Geo. Hoover's, 7th line. Mrs. Breckin is visiting at the home of Albert Lester. Henry Hoover, Miss Baker, Miss Kock and Mr. and Mrs. Levi Grove were visiting with Mr. and Mrs. Robinson Jewitt on Sunday. Mr. and Mrs. Herb. Spofford spent Sunday in Toronto at the home of Mr. and Mrs. Fred Kirk. Geo. Baker and family, and Mr. and Mrs. Harvey Houck were the guests of Mrs. S. B. Lehman on Sunday. The storm on Friday did not stop our representatives to the Toronto markets. Despite the terrible condition of the roads, Peter Steckley of Almira and Edwin Jewitt of the 5th line were at their usual stand Saturday morning. Bruce Bros. were unfortunate in having a break in their tumbler dam. This particular season of the year causes owners of water power many anxious moments. We are glad to hear they will be able to resume business shortly. The skating party held last Thursday evening at Baker's Arena under auspices of Bethesda, Melville and Peache's Young People's Societies was a real enjoyable event. Several prizes were distributed for speeding and other contests. The prize for the youngest skater on the ice was carried away by Miss Vera Topham of Melville, while the reward for the oldest skater on the ice was won by Mr. Chapman of Bethesda. The members turned out en masse, also the support of the neighboring young people and friends is greatly appreciated.

RINGWOOD

Miss Nellie Grove spent a few days in Toronto recently. Mr. Delos Graham is building a new well drilling outfit, which is mounted on a Ford chassis. Albert Boake has returned home from the northern lumber camps, where he spent the winter months. Most of the roads in this vicinity were snow bound over the week end, but were opened for car-traffic on Tuesday. Mr. Bradshaw and family of 7th line, Whitchurch, have moved to the farm which he purchased from Mr. F. Dewey recently. Mr. and Mrs. Gordon Holden intend moving in the house vacated by Mr. Bradshaw.

BUSINESS PLACE FOR SALE

The frame corner store and dwelling for years used as a millinery store. Will sell reasonable. An ideal location with plenty of space. Mrs. Fred Wilson, owner.

FORTY YEARS OLD

The Tribune has entered on its fortieth year of publication. The business of this newspaper came into existence ten years after Stouffville became an incorporated village, and ever since has stood the test of the times. There are those who long ago predicted that the big city daily would ultimately crowd out the small town papers, but we never believed this. A newspaper reflects the community sentiment, and it must be like losing an old friend to part with the home paper. Even in our short career we have seen, however, many weeklies pass out of existence through failure or amalgamation, but the stronger local papers, properly edited and well printed can never be replaced by the daily press.

AMONG THE CHURCHES

ST. JAMES' PRESBYTERIAN
Rev. W. H. Fuller, Th.B.
Usual service next Sunday. Public are invited.

MENNONITE CHURCH
S. S. Shantz, pastor
Sunday, March 18th

Friend, you may be in that position. Are you discouraged? Is the tide of defeat smashing down your power of resistance? Are you a defeated man or woman? Come Sunday night, there is a message of hope for you.

LOCAL HEALTH BULLETIN

The Open-Faced Sneezer
We read almost daily in the press the sad results of carelessness of pedestrians and motorists, but we seldom, if ever, read of the sad results of the carelessness of "open-faced" sneezers. Nevertheless, the "open-faced" sneezer is more dangerous than the careless motorist. A person is guilty of criminal negligence who is careless and lacks consideration for others; who, without any thought, sneezes, showering particles of material from his nose and throat all around him. A man who strikes another is guilty of assault. Public opinion, as expressed in the law, does not allow of such assaults, and requires that the person who commits one be punished. A far more dangerous assault is committed by the careless sneezer. Public opinion should recognize this and stop it. Disease germs pass out in the secretion of the nose and mouth. A sneeze casts a germ-laden spray for ten feet. If the sneezer cover his nose and mouth with a handkerchief the danger is practically ended. If the desire to sneeze is too sudden to allow of using the handkerchief, the head can at least be lowered and the spray directed to the floor, not into other people's faces. In addition to those actually ill, many persons carry disease germs in their nose and throat. People with colds continue to go about their business. For these reasons, the sneeze may be the means of spreading disease, and, for these reasons, also, an end should be put to the "open-faced" sneezer. Questions concerning health, addressed to Dr. F. A. Dales, M.O.H. will be answered. Questions as to diagnosis and treatment will not be answered.

SICKLY BOY, 7 GAINS 15 LBS.—FATHER HAPPY
"My boy, 7, would not eat. I gave him Vinol and the way he eats and plays now makes me happy. He gained 15 pounds."—J. F. Andres.
Vinol is a delicious compound of cod liver peptone, iron, etc. The very first bottle often adds several pounds weight to thin children or adults. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. Tastes delicious. J.M. Storey druggist, Stouffville.

ROADWAY'S DRUG STORE STOUFFVILLE
