intense heat at once!

"BAKES SPLENDIDLY"
"With a Perfection you don't have to worry around and get used to build a fire. Simply touch a match to it and you have a hot fire at once. If you can have a little heat, an intense heat, and if you are behindhand, an intense heat is secured in five minutes."
—Mrs. T. B., Galtburg, Ont.

YOUR Perfection Range is instantly on the job for quick, clean cooking! Each burner has a patented wick stop which positively does not allow the wick to flare or the flame to rise above a set point.

Clean, intense heat strikes the bottom of the cooking utensils, which never become soiled with smoke or soot.

Have you seen the beautiful new Perfection models? Modern...quick...convenient. Finer than you ever dreamed an oil range could be. Perfection prices run from \$8.75 to \$212.50.

White Cedar Shingles

If you contemplate a new roof or repairing an old one, it will pay you to consider our WHITE CEDAR SHINGLES. The White Cedar Shingles we handle are grown and sawn in Eastern Canada from Virgin growth timber, where climatic conditions are similar to our own. They are air dried. Although there are a number of different grades in White Cedar Shingles, we only handle the best grade, being five Butts to 2" in thickness. For a lasting roof it will pay you to investigate the good qualities of our White Cedar Shingles. Phone, or better still, call around and see us.

BALLANTRAE

Several of the neighbors paid a visit to Mr. and Mrs. Wm. McIlree a few nights ago. Later on a few more neighbors dropped in. Then some more came. They kept on coming, until there were more than fifty there. Finally, after a good part of the evening had been pleasantly passed in conversation and games, a handsome leather club-bag was produced and presented to Mr. and Mrs. McIlree as a token of their neighbors' good-will as they leave Ballantrae. Mr. McIlree made a fitting reply, in which he expressed his appreciation of the gift, and of the friendship of those who gave it. Mr. and Mrs. McIlree expect to move to Toronto about the end of this month.

Mrs. Thos. Horlop of Uxbridge, his only sister, visited him in the afternoon, she having passed her 80th year. Our football club re-organized on Saturday night last, with a good attendance. Prest. John Scott was in the chair. Dr. Tomlinson, W. Wallace and Ernest Bryant were elected honorary presidents; John Scott its president; Levi Linton vice-pres.; Irvin Dopkin, first vice; D. A. Scott, sec'y-treas.; F. Cowie, manager. Several of the boys attended the meeting at Brooklin on Monday evening, but owing to some small dispute with the Association the meeting was postponed till a later date.
