83 YEARS BUT AN ACTIVE MAN STILL

Came to Stouffville Sixty-Seven Years Ago.

In the knowledge that flowers in life are more appreciated than when placed on the bier, we pause to pay tribute to one of our citizens, who has reached the weight of years that makes him outstanding among us. We refer to Mr. W. B. Sanders who on May 14th celebrated his 83rd birthday.

Mr. Sanders has been a resident of Stouffville for 67 years, and therefore, with the exception of only two or three people, has lived here longer than any other citizen. He witnessed the coming of good roads from blazed paths, and the railway, prior to which the nearest station was Toronto. No man of sixty goes down the street with a more sprightly step than does "W.B." as he is universally known. He enjoys life to the full, and is a student of events, a great reader, and an authority on provincial and municipal law. Within a week or two he will be going to his summer cottage at Jackson's Point where he enjoys fishing, bowling and summer camp life.

Mr. Sanders was born in Devonshire, England, and two years ago in company with his son Harry, who is the present Reeve of Stouffville, he visited the place of his birth. He came to Canada in 1861, and five years later settled in Stouffville, where as a merchant tailor he conducted a progressive trade for some 25 years. He also carried on an extensive coal and grain business, and was a leader in the community life in the early days. He was instrumental in securing the incorporation of Stouffville, and with the late Dr. S. L. Freel, carried around the petition to secure the ratepayers names to present to County Council.

Mr. Sanders had an outstanding municipal career. In 1875 he was made deputy-reeve of Whitechurch, for at that time he owned and conducted a farm in the township, and he also served as reeve of Stouffville for nine years. He was honored with the wardenship of the County of York in 1887, and conducted the first warden's excursion, which has been a regular feature of the June session ever since. Prominently identified with the Liberal party, he was honored with the postmastership here, a position he held for 33 years. He served as magistrate, in which position he was actively engaged for long years.

Half a century ago Mr. Sanders established Stouffville-on-the-Lake at Jackson's Point. The Lakeview House was built by him, and is a prominent summer resort place to this day, known guests to from all parts of this country and the U.S. Lakeview has twice been enlarged to make room for the ever increasing business. His two sons now carry on the business.

W. B. Sanders who is celebrating his 83rd birthday has been kindly dealt with by the law of nature. He has reached the boundary of life beyond which few men are permitted to pass, and for him who still possesses abundant energy and wonderful faculties the citizens extend their congratulations and good wishes on this birthday occasion.

HORTICULTURAL SOCIETY NEWS

The Stouffville Horticultural Society have chosen Thursday, August 23rd for the annual Horticultural Exhibition. Plan your entries now. The directors are desirous of making this show bigger and better than ever.

Prof. H. J. Moore visited our town last week and advised on preliminary arrangements for the laying out of a demonstration perennial garden in Memorial Park. Mr. Moore was strong in his support of the proposal and well pleased with the site selected.

The President wishes to announce that the four hundred rose bushes being donated to the members of the Society by Mr. Miller of Miller & Sons are to be forwarded to him immediately. Every member should arrange now to get his or her allotment immediately upon arrival. Same may be obtained at F. C. Rowbotham's store on Main st.

Messrs. Weir and Cooper of Toronto met with the Directors at the home of F. L. Button on Monday evening, when it was decided the Society would enter a float in the great floral parade at the C.N.E. on Sept. 1st. Excellent co-operation and financial support will be given by the C.N.E. authorities and plans are already under way to make for Stouffville a showing that will do her real credit.

ABOUT A UNION

At a meeting or conference between the committee on negotiation between the United Church and the Christian Church, held in the office of Dr. Moore on May 3rd, a full discussion took place respecting the basis on which these two bodies might discuss the question of union. The following statement was handed out and will be of interest to many of our readers:

Inasmuch as the Executive Board of the Conference of the Christian Church in Ontario desire to place before their coming Conference in June 1928, a definite proposal for union with The United Church of Canada, a Committee appointed by that Board met with the Committee on negotiations with other Communions with a view to Union, appointed by the General Council of the United Church of Canada, on Thursday, May 3rd, to consider the possibility of union between these Churches. At the request of the representatives of the Christian Church, the following opinions were elicited from the representatives of The United Church, namely:

Question: In the event of union, would the present pastoral relations of the congregations of The Christian Church be disturbed?

Answer: The polity of The United Church provides for a pastoral relationship without a time limit. The pastoral relationships of the churches of The Christian Church would, therefore, not be distributed, except by the action of the minister or of the congregation concerned.

Question: Will the relationship of congregations to one another, as now existing in The Christian Church, be distributed by entering union?

Answer: Assurance was given that the practice of The United Church was not to disturb any congregation without its consent.

Question: Will the organization and practices enjoyed by the congregations of The Christian Church at the time of union be disturbed by the union?

Answer: In regard to this matter, The Christian Church would be put upon the same basis as the negotiating churches that entered union on June 10th, 1925, and, therefore, the section of the Basis of Union, under "The Pastoral Charge," would obtain, namely:

In the management of their local affairs, the various churches, charges, circuits or congregations of the negotiating churches shall be entitled to continue the organization and practices (including those practices relating to membership, church ordinances, Sunday school and young people's societies) enjoyed by them at the time of the union, subject in general affairs to the legislation, principles and discipline of The United Church. Their representatives in the next higher governing body or court shall be chosen as at present.

It was stated that this clause referring to general affairs applies to such matters as representation in the Presbytery, Conference and General Council, etc., but does not bear on the conduct of the local church.

The Executive of the General Council of The United Church has taken official action in that it has appointed a committee to continue negotiations with The Christian Church and expressed the hope that an agreement may be arrived at which will result in the union of these two bodies.

TENT MEETINGS

Beginning next Sunday, May 27th, tent meetings will be held at New Gormley. Rev. N. W. Rich, evangelist, so well known here, will lead the services every week night at 7.45, and on Sundays at 10 a.m., 3 p.m. and 7 p.m. Mr. W. R. Halman will lead the singing. Rev. C. I. Sinden, pastor.

CHORAL SOCIETY CONCERT

The combined forces of the Stouffville and Clarendon Choral Societies put on a concert in Ratchiff's Hall last Friday night, which was highly appreciated, and once more emphasized the fact that abundant talent is obtainable here if it can be drawn out. Although this concert was really a repeat one, the attendance was very good, but still the Women's Institute will reap but a small profit owing to the necessary high expenses. Mr. H. M. Fletcher of Toronto was conductor of the classes and was assisted by Mrs. M. G. Anderson of Toronto, and by local talent. Mrs. E. J. Davey and Mrs. Geo. T. Lee, president and secretary of the W.I. were given the shock of their lives, when they were called upon to accept handsome bouquets of flowers from the Choral Society. Little Helen Hastings and Agnes Kilneck presented the gifts.

WE ARE LOSING LIFELONG CITIZEN

It will be with feelings of general regret that the citizens learn of the intended move of Mr. and Mrs. Wilmot Brown, Church street, who within a month will locate in Toronto, where Mr. Brown has just purchased a residence.

Mr. and Mrs. Brown have been residents of this town for many years, he having been born in this locality, and therefore all his days, have been spent in and adjoining Stouffville. For many years Mr. Brown conducted his farm adjoining the town to the east, and since his retirement had taken an active part in all matters pertaining to the welfare and advancement of the community. Both Mr. and Mrs. Brown will be greatly missed in the United Church, where they have been faithful attendants and supporters for so long.

CLEAN UP DAY.

CHRISTIAN CHURCH

E. Morton, pastor
Sunday, May 27th
Very often visiting the sick on Sunday does more harm than good; because too many are at it. It is often reported that the sick are worse on Monday, because of too much visiting on Sunday. So let us pastors be very careful, that we be in just that place where we can do the most good on the Lord's Day. Let us now sing, "I'll go where you want me to go, dear Lord".

MRS. WALLACE WAS NEAR CENTURY OLD

Death Interceded and She Passed in Her Sleep.

The death of Mrs. John Wallace at her late home in Lemonville on Wednesday of last week, removes so far as we can ascertain, the very oldest living person in this section or locality. Mrs. Wallace was nearing her 97th birthday. On the day prior to her death she attended mass at Newmarket, and was active and bright on retiring on Tuesday evening, although she was slightly indisposed early in the evening. During the night she entered that long sleep from which no man returns.

Despite the fact that she was nearing the century mark Mrs. Wallace possessed a bright intellect, and was active in body too. She was born in Ireland, and came to Canada at the age of 10 years with her parents. She loved to relate incidents in connection with the voyage across the ocean in the old sailing vessel of that day. The trip occupied seven weeks and three days, the passage being so rough that at times all on board feared they would be lost. On different occasions the sailors closed the hatchways and compelled all the passengers to remain in the bottom part of the vessel to prevent panic.

Landing at Montreal, the Bolen family came on to Toronto, and finally located in East Gwillimbury, where the daughter Ellen was married 70 years ago to John Wallace, a sturdy young pioneer of Whitechurch Township. They located in this latter township, east of Newmarket, where they farmed for years. Mr. Wallace passing away 32 years ago. For 30 years the late Mrs. Wallace lived at Lemonville. Old age had not laid her aside, as it so often does, and right up to the last she enjoyed the social events of the community, in which she always maintained a keen interest.

The late Mrs. Wallace is survived by two children, Michael at home, and Mrs. Canning of Toronto. The funeral on Friday last was conducted to the Roman Catholic cemetery at Newmarket, for the deceased was a devout member of that faith, and mass was celebrated in the Roman Catholic church there.

The weekly market was held on Wednesday instead of Thursday this week, owing to the holiday. Butter prices weakened to 38c. pound, or 2c. less than the previous weeks. There was a fair amount of butter and eggs offered, but not a pound of poultry. Potatoes at \$1.25 bag were not all sold.

Two people are believed to have been drowned in the lake at Whitby just recently, who have relations in Uxbridge town. Rev. Norman McGillivray was found in the water a week ago last Sunday with life extinct. He was a brother of the late Judge McGillivray, and Mrs. Stuart whose body is not yet recovered. Both the unfortunate people were patients at the Whitby Rest Home, the grounds of which touch the shores of Lake Ontario.

LEMONVILLE CHURCH ANNIVERSARY

Anniversary services will be held in the Lemonville United Church on Sunday, June 3rd. The Rev. W. R. Auld, pastor of Markham church, will preach in the morning at the 11 o'clock service, and Rev. A. Laycock will preach at the 7 o'clock service in the evening. Ringwood Christian church will furnish the morning music, and the local choir the evening. On Monday evening, June 4th, an old fashioned supper or tea-meeting will be held, served from 6 o'clock. A special program is being prepared, and the folks from all the countryside are heartily welcome both on Sunday and Monday. Admission, Monday 35 and 20c.
