

LOCAL HAPPENINGS

The flower beds and well kept grass plots in front of the Baptist church, add much to the good appearance of this prominent corner of Main street.

Whitchurch Twp. Council meets as a Court of Revision on the Assessment Roll next Saturday, and in a general session of council, following the adjournment of the court.

Pupils of T. W. Eagleson will give a Recital on Friday evening, July 6th, in Ratcliff's hall, Stouffville. A unique program is being arranged consisting of vocal solos, instrumental solos, duets and trios. They will be assisted by an elocutionist and Hawaiian guitars.

For the past week the weather has been usually cold for this time of year, and every night light frosts are formed. So far the garden vegetables have escaped serious injury, although tomato plants have been killed out in some instances. At Balantrae the early potatoes have suffered.

On Sunday quite a number of Stouffville people were in attendance at the annual rally of the Business Men's Bible Class at Uxbridge, some 20 being present at the afternoon service, while others went up at night. Over 1600 people gathered for the afternoon rally, while the total for the three services was 4000 people.

Good progress is being made on the new baseball diamond at the park. It will be ready for the boys next week.

LOST—5 gallon can of motor oil between Stouffville and Balantrae. Return please to British American Oil Co., Stouffville.

The North York Plowing Association are looking for a suitable farm on which to hold their annual match. If you have any suggestion to offer communicate with the President, Ross E. Ratcliff.

The monthly meeting of the local branch of the W.C.T.U. will be held on Tuesday next, June 12th, in the Sunday school room of the United Church at 3 o'clock. It is expected that reports will be presented by the delegates attending the convention at Newmarket this week.

The potato market took a bad slump in Stouffville last Thursday, when tubers for seedling sold at 65c. a bag, and not many buyers at this bargain price. Good eating potatoes were plentiful at \$1 bag, but the demand is very light for them now. The produce end of the market also slumped some. Butter dropped to 35c. pound, a reduction of 3c. and eggs sold at 27c., duck eggs 35c. doz. Old hens were scarce at 25c. pound.

It is estimated that more tin cans were removed from the properties in Stouffville on the annual collection this year than last. While this may be true, the cost of collection was less. The system of removing them by truck is the proper one, and it just cost \$46 this year. Those councillors who insisted that the tin can day be not abandoned, and who were responsible for seeing it to a successful conclusion deserve the thanks of the citizens.

Those members of the village council who are endeavouring to better conditions at the town reservoir will have the full support of all the citizens. While the town water is generally of good quality, there is no denying the fact it is mighty muddy at times, and this muddy condition will sooner or later do damage to the mains. Councillor Borinsky is determined to sink artesian wells and deliver the water from underground direct into the reservoirs, instead of passing it along the surface as at present. This would eliminate the accumulation of dirt, and it is hoped the council will give the matter further thought.

Mr. and Mrs. W. A. Quantz have returned after spending a couple of weeks at Lake Simcoe.

On Friday and Saturday, June 8th and 9th at the Auditorium Theatre, "Forlorn River" with comedy and news reel.

Friday of this week is the day when there will be men and teams at the Bloomington Christian cemetery, to start to have it put in much better condition. All who are interested in the work are invited to attend the bee.

Old friends and citizens in general will be delighted to know that Dr. Rowan of Toronto is returning to Stouffville. He has purchased a vacant lot from Eli Raymer near the 9th concession on Main street, and will build a house there at once. The location is just west of Harry Brillinger's.

Last Thursday evening Uxbridge choir presented the play, "The Fruit of His Folly" in Ratcliff's hall here to a good sized audience, under auspices of the Junior Institute. The play was well presented, and delighted all its patrons.

The public school boys went to Claremont on Saturday, and entered a team in the softball competition. Although they won by a big margin Claremont denied them the prize of the running shoes. After hearing the circumstances it looks as if our boys who are all young and inexperienced in standing for their rights were given a "raw" deal.

A former resident of Stouffville, Mrs. John F. Madill, aged 51 years, died in Toronto on Tuesday. The funeral will take place to Stouffville cemetery today (Thursday). Mrs. Madill and her husband who survives her, left here a few years ago, but have many friends in town. Mrs. Madill was a daughter of the late Rev. Mr. Booker and friends will be sorry to learn of her demise.

NOTICE—The Council has notified Constable Pennock to prevent young men from loitering in groups in front of the restaurant or anywhere on Main street Sunday evenings. Parties not heeding the warning will be brought before Magistrate Brunton.

Mr. and Mrs. Richard Ward were in Georgetown last Saturday attending the wedding of their only son, Charles, who was united in marriage to Miss Edna Hill, daughter of Mr. and Mrs. Edward Hill of that town. The young couple will take up their residence in Georgetown where Charlie is engaged in the garage business.

Starting next Saturday at the local Theatre for the benefit of the children, the picture will be shown in the afternoon, 3 o'clock. Any age admitted, whether with adults or not. One price 15c. This will continue if the response is satisfactory, and it will avoid the children being out late on Saturday night. S. G. Schmidt, prop.

At the annual spring fair to be held at Brooklin on Saturday of this week the Stouffville baseball team will play against the St. Andrews team of Oshawa. Earl Cook will pitch for the locals, and in his practice games he is delivering a better ball than last year, hence the locals will give a good account of themselves with Earl on the mound.

Mr. Elijah Pennock has sold his building lot on Church street to Mrs. Abram Yake, whose husband is building a new house on the lot adjoining this property. They intend to build another house on the newly acquired property before the summer is over. Mr. Pennock has held this building lot for some fifteen years, intending some day to build on it himself. It has a 50-foot frontage.

The council is contemplating some better heating system for the municipal hall in Stouffville, and have delegated the Reeve and Councillor Borinsky to secure estimates on the installation of a furnace that will heat the entire building. It is said that hundreds of dollars worth of rubber goods are destroyed over a period of time through the lack of heat in the fire hall, and it is also a great convenience to have the upper room in the building heated for public meetings and court proceedings from time to time. The idea will commend itself to most ratepayers, as the expenditure would not be large.

We have several times had our attention called to the quality of the gravel being put on the town streets, but as we are not experts in road making, we hesitate to pass an opinion. It is claimed that the kind of gravel being used is little or no good for roads, there being too little stone in it. Certainly stone is conspicuous by its absence, and if small stone is what makes good roads there isn't too much of it in what is being put on the streets. However, the chairman of the road and bridge committee is not a novice in road making, and no doubt is looking well to the town's interests. It is a big problem to get first-class gravel.

Dr. W. A. Summers, 169 Yonge St., Toronto, (formerly with Robt. Simpson Co.) Eye Specialist, will be at Yake's Jewelry Store every Thurs.

Miss Jennie Laurie of Markham, spent Sunday with Mr. and Mrs. K. G. Farr.

Mr. A. J. Ward will preach in the United Church next Sunday evening on the subject, "Was Judas born to betray His Master".

Mrs. (Dr.) Barker is spending a little time at her summer cottages at Lake Musselman.

John Windross, of the 3rd concession of Whitchurch, (White Rose) died on Monday and will be buried today at Victoria Square.

After weeks of dry weather this immediate vicinity was visited on Tuesday and Wednesday with a beautiful spring rain, which means much to the crops.

Chattel mortgage sale of High-class Chesterfield Suite will be held on Thursday, June 14th, at the old Rae Store, Stouffville. Sale at 10 a.m. E. Pennock, bailiff.

On Tuesday Walter Thorn of Stouffville was fined \$25 and costs before Magistrate Brunton, for speeding. Thorn was said to have travelled nearly 50 miles an hour between Stouffville and Ringwood.

Old time and modern dancing every Wednesday evening, starting June 13th, at Baker's Pavilion, Lake Musselman. Sergt.-Major W. H. Hole, floor manager. Ed. Baker, proprietor.

A former resident of the 9th concession of Markham, living a mile and a quarter south of Stouffville, Mrs. James C. Anderson died at her late home in Toronto on May 30th, in her 76th year. She is survived by one daughter, her husband having predeceased her some years. The funeral took place last Saturday, to Markham First Baptist Church and cemetery.

On Tuesday evening a goodly number of the Stouffville Choral Society went to Toronto and entertained the boys at the Christie Street Hospital. Judging from the comments of the inmates of the institution the veterans all enjoyed the program. This was a very kind act on the part of the society to help brighten the lives of the boys who are suffering because of their participation in the defence of the empire.

Myron Anderson expects to have his arm taken from the cast next week, after nearly eight months, or since the time he was wounded by gunshot, when the arm was almost destroyed. After being removed from the cast it will, of course, be helpless.

The remains of Cerele Cunliff, the 22-year-old son of Mr. and Mrs. R. S. Cunliff reached Stouffville in charge of the parents on Tuesday morning, and were interred in the local cemetery. The Rev. J. J. Robbins conducted the brief ceremony. The parents with the remains of their son left Los Gatos, California, on May 31st, and were thus only six days in reaching their destination. The young man died of pneumonia while in attendance at University. The parents are well remembered here, the father being a member of the firm of Cunliff & Peters, general merchants.

The funeral of Mrs. Fern Saunders Pearson took place Monday afternoon, May 28th, from the residence of her mother, Mrs. Hattie Saunders, where a simple but impressive service was conducted at 2 o'clock by Rev. W. W. Fleischer of the Baptist church, assisted by Rev. E. Morton of the Christian church. She had been employed by the T. Eaton Co. for several years until her health failed. She was of a very bright and sunny disposition and beloved by all who knew her. Mrs. Pearson leaves to mourn, a widowed mother and brother Ray, also two children, a daughter Leola and son Jimmie. The pall-bearers were war veterans, all of whom have been very kind. Mrs. Saunders first husband, Frederick Jennings, was also a soldier, being killed in the Great War.

June 1st seemed to be marked for a great deal of moving about town. Mr. Noah Baker moved his household effects from his home in the east end to the dwelling he is completing where once stood Mrs. Wilson's millinery store. Harmon Hoover moved into the house occupied formerly by Mr. and Mrs. Baker. Bert Boyd moved from the Bartholomew place on Church street to the house vacated by Mr. Hoover and owned by George Brownsberger. Harold Forsyth moved from one of Mr. Brownsberger's houses to his new home in the east end which is just being completed. Dawson Davis has rented the west half of the new double house at the corner of Church and Main street now being completed by Mr. Noah Baker, and will take possession this week. George Cox of Leaskdale moved to Stouffville this week and is occupying his newly acquired house on Church street which he purchased from the Bartholomew estate.
