APPRECIATES HOME NEWS

A western subscriber tells what
class of news he likes best to read
in the home paper, in the following
letter which we are pleased to pub-
lish:

Edmonton, Alta.
Dear Sir:—Enclosed find money
order for \$2.00, being renewal of
my subscription. I wish to take
this opportunity of expressing my
appreciation of "Tribune". I read
nearly every item, especially of
"local happenings". It is like a
letter from home.

We regret to hear of the death of
many friends of by-gone days, and
rejoice in reading of the marriages
and prosperity of the younger mem-
bers of families we know so well.
The items "In days of Yore" col-
umn brings to memory the news of
former days spent in the old home
town.

I also enjoyed the letters, or re-
miniscences from my schoolmate,
Mr. A. S. Leaney, he has a happy
way of bringing back the events of
early days.

The letters of ex-Reeve Silvester
describing his travels were very in-
teresting.

I notice you have announcement
of meetings relating to the wheat
pool. Alberta has a very large mem-
bership. It has brought much profit
to the farmers, therefore very many
more are joining this year. I would
recommend the farmers in all the dis-
tricts surrounding Stouffville to
unite with it and give it loyal sup-
port.

Mrs. Daley and myself enjoyed the
old boys and girls reunion of July
1927, we cannot be present this year
but send our greetings and hope all
will have a happy time on July 2nd.
Yours as one of the absent sons,
R. J. Daley

BLOOMINGTON

Miss Elsie Lemon of Todmorden is
at home for the holiday.

Mr. and Mrs. Hood and daughter
of Unionville, also Mr. and Mrs. A.
E. Booth and family of Stouffville
visited at E. A. Storry's recently.

Mr. and Mrs. Alex Hill and baby
of Aurora were visitors at his home
here.

Mrs. Jarvis Storry is visiting
relatives at Victoria Square and
White Rose.

The monthly meeting of the
Women's Association was held at
the home of Mrs. Albert Elson on
Monday night last week. There was
a large attendance and a good
programme. Proceeds amounted to
\$12.00

The following assisted the pastor
at the Dominion Day service last
Sunday in the United Church: Laura
Hill and Annie Paisley giving a
reading.

Mr. and Mrs. McFadden and daughter
of Durham spent over the holi-
day at E. A. Storry's.

Mr. and J. Stouffer of Toronto,
spent Sunday at her mother's, Mrs.
A. Law's.

A chimney fire at Robt. Burnett's
Tuesday night threatened to demoli-
sh the dwelling house. About 20
neighbors quickly assembled and
quelled the blaze.

A splendid Ladies' Aid social was
held at Albert Elson's last Monday,
when the following program was
rendered: Reading by Laura Hill
and Janet Button, solos by the pas-
tor and Mrs. O. Tranmer. The chair
was taken by Warren Rae. Mrs. E.
Storry conducted the business parts
of the meeting, after which a gener-
ous lunch was served. We were
glad to see so many friends from
Stouffville.

Cooper—In loving memory of Geo.
Cooper, who passed away July
6th, 1927.

Rest in peace your work is done,
Rest in peace your work is done,
You are gone where those who loved
you
Soon are coming one by one.
Kindly remembered by sister and
brother.

IN MEMORIAM

West—In loving memory of a dear
husband and father, Harry West,
late of Bethesda, who passed away
July 4th, 1927.

God knew that you were suffering
He knew you were in pain
He knew you would never get better
In this world again.
God saw the road was getting rough
And the hills were hard to climb
So he closed your weary eyelids
And whispered Peace be Thine
Sadly missed by wife and son.

**Big Features
found in no other
Low-Priced Six**

AMONG the scores of advanced engineering
features that contribute to the impressive
quality of the New Series Pontiac Six, there are
three advancements worthy of special notice
... three important features found in no other
six at Pontiac price.

First, the New Series Pontiac Six offers the
smart styling, the luxurious comfort, the rich
appointments and the staunch construction of
bodies by Fisher.

Second, the New Series Pontiac Six engine em-
bodies the new G.M.R. (General Motors Re-
search) cylinder head, which uses ordinary
gasoline to achieve amazing smoothness and
silence with economy of operation.

Third, Lovejoy Hydraulic Shock Absorbers,
standard equipment on the New Series Pontiac
Six, provide an ease of riding that makes the
roughest roads seem smooth.

Here are three big features that no buyer of a six
in Pontiac's price class can afford to overlook. Even
if the New Series Pontiac Six offered no other
exclusive advantages, it would still hold its position
as the world's finest low-priced six.
