

**LOCAL HAPPENINGS**

Less than three weeks more holidays for school children.

East Whitby Township Council paid out \$570 to two farmers for sheep killed by dogs during July.

Messrs. Cober Bros., Pontiac car dealers in Stouffville, expect to open a sales room in Markham shortly.

Accommodation for school children. All conveniences. Apply Mrs. A.J. Pamerter, Church street, Stouffville. 27

Certificate of all candidates who wrote their Entrance at Stouffville school have been received and will be given out in September.

Local advertising in your local paper is a service to the community, for it tells the people you are in business to serve them. They will appreciate it, especially if you provide bright newsy advertising.

The new County roadway from Ballantrae south for 2 1/2 miles has been completed by the Dagg Construction Co. This provides a first-class tarvia road through the entire Township of Whitchurch with the exception of a good gravel stretch from Baker Hill to Ringwood.

Work is expected to start on the dilapidated roadway in the east end and centre of the town about Aug. 27th, or a week later. The Jupp construction gang now on the 8th concession of Markham will be transferred here for this job which includes taking out the old corduroy roadway near the Presbyterian church.

**AUDITORIUM THEATRE STOUFFVILLE**

**Twine Prices**

**GOLD MEDAL PLYMOUTH TWINE**

650 ft. to the pound at

**\$13.45**  
CWT.

600 ft to the pound at

**\$12.45**  
CWT.

A RELIABLE ball in your twine can means money in your pocket. The other kind means wasted twine and serious delay.

Every man knows this. The thing is to find the reliable kind.

**Plymouth Twine**

has satisfied thousands and will satisfy you. It does not tangle or fall down, and it's even in size.

Plymouth runs full length and ties more bundles than other brands. Buy it this year and order early.

We sell it.

**F. Y. W. BRATHWAITE**

Successor to Silvester Bros. Hardware  
open Tuesday, Thursday and Saturday evenings  
and close Wednesday afternoon.

Two feather bed-ticks for sale, in good condition. F. C. Rowbotham.

The Canadian National Exhibition opens on Friday of next week.

Board and Room for a couple of school girls. Mrs. W. Lewis, Stouffville.

Lim Young who is remodelling his Cafe and Ice Cream Parlor is arranging to put in a frigidaire for ice cream and soft drinks.

Montmorency Cherries were never better than they are now. Three baskets \$1.00 on trees. Barkey's Fruit Gardens, east end.

Lansing girls softball team visited Stouffville on Wednesday evening last week, and were well in the rear against the local girls, when the game was called off on account of darkness.

A derailed freight car at Agincourt prevented the regular passenger train from Toronto, reaching Stouffville last Friday morning. The mail was routed via Port Perry and north, getting into Stouffville on the mixed train at 3:30 in the afternoon. It is some years since the morning train missed a run.

Last week it was stated that Messrs. D. L. Stouffer and Harvey Clendenning were unsuccessful at the Lennox picnic in the horseshoe pitching contest. Our informant misinformed us, as this team won the first prize, hence Dave and Harry came home with a good day's earnings, the \$10 prize.

Rev. H. R. Young of Elmwood, informs us that it was hardly right for us to state in our last issue that the people of Elmwood are like unto the angels in heaven, in that there is no marrying or giving in-marriage there. While he performed the first wedding in fifty years in the Elmwood church recently, the former pastor of St. James Stouffville, united two other couples in wedlock during the month of July.

Have you ever been standing on the sidewalk and some motorist came along and run through a mud puddle and splash you with the dirty water? And did you ever get terribly peeved about it and wished you could get even with the motorist who did this disconcerting trick? Well you can. Any driver that does this is looked on by the law as a reckless driver. The other day a chap was haled into court in Toronto for doing this very thing. He sent his auto plunging through a puddle and soaked several people who were standing on the sidewalk—and then the magistrate soaked the driver \$10 and costs for the dirty trick.

Get ready—The local Horticultural Society Show is just a week away.

The Canadian National Exhibition is the world's largest annual spectacle.

The farmers will note that the next U.F.O. live stock shipment will be on Aug. 27th. No shipping on week of Aug. 20th.

The Stouffville Bowling Club are putting on an Irish Tribles Tournament, Wednesday, Aug. 22, starting at 1:30 o'clock.

On Wednesday of last week, while the O.E.S. picnic was in progress at the town park, Photograph W. R. Sanders took a group photo of the members and their families.

Seldom at this time of the summer do the meadows and grass lands look so green and fresh. With such an abundance of rain this season, the sun has had little effect in burning the grass lands.

Dan Gleibner has been engaged by Mr. Hugh Clark on his farm recently purchased from A. E. Booth. Mr. Gleibner and family moved on Tuesday into the residence on the property, which is just south of the school house.

An airplane flew over Stouffville last Wednesday afternoon, coming quite close to the tree tops, and entertaining those who watched him from the ground with a few stunts. Although the passenger with the pilot waved his hands at us, we couldn't recognize him up there where traffic is not crowded.

Walter Gray who has charge of one of the routes for the Stouffville Bakery, has bought a house and lot at Lemonville from Mrs. Kellington. The land comprises one acre, and the sale price is reported at \$2000. Mr. and Mrs. Gray are now living in their new possession, and will shortly be joined by his mother who is leaving town.

On Saturday the local club staged a tennis tournament in which they participated in goodly numbers. Tea was served on the grounds and a delightful time enjoyed. Miss Opal Doten and Mr. F. Marshall won the mixed doubles, while Mr. Marshall with Tom Barnes captured the men's doubles. In the ladies doubles Anne Lehman and Anne Barnes were the winners.

Some of the ditches on Main street Stouffville, are in a disgraceful condition with weeds, and long grass. Some better working arrangement ought to be had with the County for the care of these unsightly spots right on the front door-step of the town. Speaking of weeds also recalls the fact that some private properties are due for a visit from the local weed inspector John Gover, whose duty it is to enter such neglected places to cut the weeds. The cost will be chargeable against the property owners lands in taxes.

The Tribune has been able to discuss with Engineer Maddock of the Hydro Electric Power Commission the recent new rates enacted for Stouffville, and are able to announce that there is no relief or reduction in sight for the householder who gets onto the 2 cent rate. The reduction in rates only works to the advantage of that class of customer in Stouffville who burns around 30 or 40 kilowatt hours per month, and they are greatly in the majority. The matter of rates is worked out on a percentage basis, the domestic, commercial, power, and street lighting each bearing a portion of the cost according to the investment in that part of the system. Also the two-wire house service is separated from the three-wire service, and as the latter group is small in number they get no cut in rates. Probably next year the other group will get more consideration.

A couple of gentlemen who have each spent more than half a century in Stouffville were discussing matters in the Tribune office on Saturday afternoon respecting the needs of the town. They were both agreed that two things badly needed here now were appointments of a magistrate and a coroner. The need of an official to fill the former post is more apparent than that of a coroner. Every time a constable finds it necessary to haul someone for speeding, or for some other offence, he must take his man all the way to Toronto, a big expense, and a great loss of time. With the appointment of an official who could act in the capacity for say Stouffville and Markham, it would be much more convenient and would save expense. In order to bring a matter of this kind before the proper authorities it would probably be necessary for the municipal council to take the matter up with the Attorney General at Toronto. The appointment of a coroner for this section of York County would also be a good move. It would cost nothing to have an official in our midst, and when occasion arises, it would eliminate the necessity of sending for a medical man at Newmarket or Aurora. Anyhow, it Newmarket, Aurora, Uxbridge, and other places provide such officials, why not Stouffville?

**LOWER SCHOOL RESULTS**

The Lower School Examination results for those pupils from Stouffville school who failed on the examinations set by the teachers, have just been announced by the Department of Education.

A very satisfactory proportion of those who wrote the dept. exams. were successful. Several who had just as good a chance of passing did not try at all. Principal A. Stouffer informs The Tribune.

The list of successful pupils is as follows, in the subjects indicated:

Malvin Burnett, geography, botany

Erie Collard, arithmetic

Henry Stover, botany

Bianche Topham, physiography.

Help swell the entries at the Horticultural Exhibition next Thursday.

Dr. W.A. Summers, 159 Yonge St. Toronto, (formerly with R. Simpson Co.) Eye Specialist, will be at Yake's Jewelry Store every Thursday.

Stouffville Baseball team will play a final game with New Toronto for the District Championship this Friday afternoon (17th inst) at Vlad Park, Toronto, 5 o'clock fast time.

On Wednesday, Messrs. Wm. Armstrong, Albert Davis, Donald Lewis, and Wm. Harding of this town left on a trip to Western Canada, by automobile. Their final destination by auto will be Winnipeg, where the party will go their separate ways. Mr. Armstrong intends to visit Saskatoon, and will be at Ninga where he has 350 acres of land under crop. The other members of the party will assist in lifting the western harvest, and all expect to return home in the fall season.

"Bobbie" Silversides is suffering from a fall sustained last week, and is under medical care, having sustained a bad straining of the ligaments of one arm and leg. Bobbie as he is so well known to all in Stouffville, was at the home of Mr. Levi Forsyth, and on entering a doorway he fell down stairs, mistaking the cellar door for the one entering to the hall. Bob says that climbing the Golden stairs will be a far more pleasant job for him, than falling down cellar steps, when you don't miss one in fifteen.

By the contracts made during the summer for bands to play at celebrations and other outdoor attractions it appears that the price is dropping considerably, and that in future musicians around here will not demand so high a price for tooting their horns. Stouffville band which last year was engaged to play at the annual school picnic at Lake Musselman, at a cost of \$50, was dropped this year in favor of the Newmarket band which took on the job at \$25. Then last week the Uxbridge band was engaged to play at the Goodwood Field Day for \$15, a contract the locals had last year at nearly three times this sum. Anyone will agree that a decent orchestra couldn't be engaged at \$15, and the conclusion is that the Uxbridge band, many of whom are business men of the town, wished to do something to assist Goodwood people on their sports day. If this conclusion isn't correct then Jack Low's "pipers" are so anxious to blow their own horns they are willing to do it for nearly nothing.

The following case in Whitby should lead Stouffville ratepayers to ask themselves what position this corporation would be in under such circumstances. Are we liable for damage caused by our firemen when in charge of the local fire-truck? The Whitby Chronicle says: "A damage action against the corporation of the town of Whitby and Chas. Lavery, fire engineer, arising out of the accident at the townsite on May 15th last, is now in the hands of Town Solicitor A. E. Christian, who will advise the town what steps it should take. The writ, issued by a Toronto firm of lawyers, is on behalf of Ernest Stafford, cited as an infant, by his father, N. W. Stafford, for the sum of \$500 for damages for injuries alleged to have been sustained by reason of the fact that Chas. F. Lavery, employed by the corporation, drove a fire truck into a crowd standing on the townline, two miles west of the town of Whitby. The council will take no action until it hears from the solicitor."
