PROHIBITION A PRESIDENTIAL ELECTION ISSUE

Mr. Hoover, Republican candidate for the presidency of United States has come out definitely in favor of prohibition of the liquor traffic. This he made absolutely clear in his speech of acceptance, delivered in California, but, by means of that modern miracle, radio, heard over the world. It is said that on the occasion of this deliverance, Mr. Hoover spoke to the largest audience which ever listened to a human voice.

Mr. Al. Smith governor of New York State, and the Democratic presidential candidate, is as definitely opposed to prohibition, as Mr. Hoover is for it.

Thus Prohibition—Temperance—is against the Ruin Power is in U.S. politics bigger and deeper than ever before.

VANDORF SCHOOL FAIR

The exhibits at the school fair on Monday, were unusually fine and the teachers and children of Whitechurch Township deserve great credit for the success of the fair and in giving the large number who attended a very pleasant and profitable afternoon. Vandorf school did very well in carrying off many prizes. Congratulations to Elsie VanNostrand who won the T. Eaton Co.'s champion trophy cup for the highest number of points, Elsie having 33 and Olive Bostwick 30, winning the second prize, the set of books donated by the T. Eaton Co. Wilhemina Graham came first in the public speaking contest, entitling her to enter the York County Council public speaking contest which will be held later. The refreshments booth, under the management of the Women's Institute did a rushing business, having to stock up the second time to satisfy the appetite of the crowd.
