

NINTH LINE, MARKHAM

Mr. and Mrs. Carter and children of Toronto spent last Saturday with Mr. and Mrs. McElwain.
Mr. and Mrs. Ham and children spent last Sunday visiting friends in Scarborough.
Mr. and Mrs. McElwain spent Sunday with friends in Palgrave.
A large crowd attended the plowing match on this line.

**CAN'T TALK TO WIFE
TOO CROSS and NERVOUS**

"Even my husband couldn't talk to me, I was so cross and nervous. Vinol has made me a different and happy woman."—Mrs. N. McCall.
Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., gives new life and pep. Vinol tastes delicious. J. M. Storey, Druggist, Stouffville.

GOODWOOD

Mr. John Aisop in Toronto this week.
A number from here attended the supper and concert at Siloam on Monday night.
The gravel crew has started here again in the C.N.R. pit, but only for a short time.
Wm. Collins has gone to the city after visiting here and in the northern country.

Mr. F. Middleton made a business trip to the city last week, and is also agent for the Champion Poultry Laying Mash and Feeds made by the Pier Co., Toronto, and will send you an expert if you need advice on culling or anything free of charge.

The Goodwood Institute are arranging to hold a picture show here on Nov. 9th. Watch for details.
The question is, are we going to have street lights and it is a question whether the council has power to grant it or not, but as Goodwood is not a police village and only a hamlet why hasn't the council the say?

HYDRO IN THE TOWNSHIP

"County papers report that the use of Hydro power is becoming general in the Townships, and that farmers who have quite recently utilized electricity to help them in their work on the farms, and to light their homes, are now wondering how they got along with out it before.
The Uxbridge papers report that Uxbridge Township, which is now practically all served by the Hydro, has started adjoining townships on the move with the result that Hydro petitions may now be said to be the order of the day. And, well they might because cheap power and light is now available to rural as well as urban dwellers, and it would seem that no rural section can afford to be without either.
For the benefit of rural places where Hydro has not yet been introduced, it might be of interest to note that the government pays fifty per cent. of main lines and transformers, which brings down the cost considerably. The government realizes that the cost of erecting wires and poles and transformers in rural sections, where houses and farm buildings are far apart, would be prohibitive to the average farmer, so this bonus has been provided.
With the widespread use of Hydro in rural sections, and the possibility that as more power is developed in Ontario by the Hydro Commission present rates will be lowered, it is not impossible that within a few years farms without Hydro will be less saleable, while those with it will bring a much larger price."

—Whitby Chronicle

MONGOLIA

Death came with startling suddenness to Mrs. Jacob G. Wideman at her home here on Friday, October 19th, 1928. She had commenced her daily duties in the morning as usual, but after breakfast felt unwell and laid down. The doctor was summoned at noon, but at 4 o'clock our neighbor and friend had passed away in her sleep. She was in her 62nd year and was beloved by a wide circle of friends. Born on the farm where she died, Mrs. Wideman spent her entire life there. She was a daughter of the late David Nighswander who came from the U.S.A. in the pioneer days. She was married in 1892, and the bereaved husband and two children survive. The children are Allan and Mrs. Simeon Reesor. The funeral service on Monday was conducted by Messrs. Thos. Reesor and Louis Burkholder. Interment took place at the Wideman cemetery. Every sympathy is extended to the family in their irreparable loss.

FOR SALE—Reg. and Accredited Holsteins, fresh milk cows and springers, also calves. both sex. W. H. Chapman, Phone 4609. 36

APPLES WANTED—A fair price and honest weight will be given for any quantity Cider Apples delivered at Cedar Grove Cider Mill. Cider and Apple Butter making as usual. Lapp Bros. 36

FOR SALE—1927 Hudson Brougham 1927 Essex Sedan, 1926 Star Six Coach, Hudson Sedan, McLaughlin Coupe. The above cars are all in good condition and are reduced in price. Terms can be given with out interest and free fire and theft insurance. G. R. A. Clendening, Dudson and Essex dealer, Markham, Phone 112.

IN MEMORIAM

In loving memory of Mrs. E. Barnes who died October 23, 1927. We watched her suffer day by day And bitter was our grief To see her slowly fade away We could not bring relief Not dead to those who love her Not lost, but gone before She lives with us in memory still And will for ever more Sadly missed by mother, sister and brothers.

MORTGAGE SALE

Under and by virtue of the powers of sale contained in a certain mortgage which will be produced at the time of sale, there will be offered for sale by Fred. W. Silverside, Auctioneer at Public Auction, on

THURSDAY, NOV. 15th, 1928
At the hour of two o'clock in the afternoon at the farm of William Miller Graham and Thomas Armstrong, Graham, the following property, namely:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being, in the Township of Pickering in the County of Ontario, containing by admeasurement seventy acres, be the same more or less, and being composed of the southern or front part of Lot Number Twenty-three in the Ninth Concession of the said Township of Pickering, as described in the mortgage made by Graham Brothers, of the Township of Pickering, and registered in the Registry office for the Registry Division of the County of Ontario, as No. 16628, for the Township of Pickering.

On the said farm there is said to be erected a dwelling-house. The lands will be sold subject to a reserve bid.

Terms of Sale: Ten per cent. of the purchase money to be paid down at the time of sale and the balance within thirty days.

For further particulars and conditions of sale, apply to HARRY W. PAGE, East Block, Parliament Buildings, Solicitors to the Mortgagee. Dated at Toronto this 18th day of October, 1928.

The Solution To Your Fuel Worries

There are dollars lying about your farm in waste wood which a Toronto Saw will readily turn into coal-saving fuel. It's one of the best money-makers I know of and I can recommend it highly as a profitable solution of your fuel worries. All-steel construction—strongly braced—built to last. Will operate best with a TORONTO Engine—built to run efficiently on gasoline or kerosene.
The Toronto Saw is only one of the many money-making propositions in the Toronto Farm Equipment Line. Let's talk over the others when you're in town, or write to me for literature.
