THE INITIAL SESSION WAS QUIET

The initial meeting of the new town council for Stouffville held on Friday evening could not be described as a lively session, being void of any exciting moments, or outbursts of oratory. It was a most orderly session, which dragged out to quite a late hour.

Reeve W. H. Sanders was in the chair and members present were Councillors Borinsky, Ward, Rusnell and Rowbotham, the latter two being the new members who did not have a seat at the council last year.

A deputation from the Fire Brigade, with chief W. E. Morden as spokesman, visited the chambers and told the council of several things they were in need of in order to replenish their wardrobe with rubber boots, and other necessities. They also reported that they had opened that day all the hydrants and found them in need of lubrication, 6 being badly stuck, and one frozen. They asked that the town be equipped with fire sirens instead of the proposed telephone alarm system which they did not approve of as a brigade.

The sirens cost only \$40 each. The necessity of a fire chemical extinguisher was also reported, with the suggestion that the council procure one and not just talk about one such as had been the case for three or four years.

The reeve promised to secure the necessary boots and small equipment at once and said that prompt consideration would be given to the other matters referred to. He said the council was glad to have the brigade come before the board in this manner and tell them of their requirements.

Councillors Rowbotham and Ward moved that the Water and Light Committee be instructed to have all the hydrants put in good working condition at once—carried.

APPOINTED OFFICERS

The main business left was the passing of a by-law appointing the various officers for the year. In this connection F. H. Sangster was appointed assessor at \$100, M. E. Watts and Lud Hoover as auditors at \$19 each, and Dr. Sangster as M. O. H. at \$25.

Other minor appointments included:

Pound Keepers—D. McConnochie, Sandy Jones.

Fence viewers—J. H. Ratcliff, M. Leavens, Robt. Clossen.

Member Library Board—Mrs. N. Forsyth.

Members Board Health—J. Boardway.

Athletic Field Board—Councillors Borinsky and Rowbotham.

Sanitary and Weed Inspector—J. Gower.

There was only one application received for any of these positions and that came from Lud Hoover, applying for the position of assessor. His appointment was moved in committee by councillor Rusnell, but the reeve, Councillors Rowbotham and Borinsky favored Mr. Sangster on the ground that there were the school sections to equalize this year, and experience was necessary to see that the town receives a just deal.

Councillor Rusnell said he was favorable to Mr. Sangster having the position, but he had not applied. Reeve Sanders said he had it from Mr. Sangster that he will act if appointed.

To show there was no ill will against Mr. Hoover those who opposed him for assessorship, sanctioned his appointment as auditor, probably as a stopping stone to something with more lucrative salary another year.

Council decided to do some necessary repair work to the interior of the fire hall where the truck and supplies are stored, with a view to making the place warmer in winter season.

THEIR FORTIETH WEDDING ANNIVERSARY

The fortieth wedding anniversary of Mr. and Mrs. E. J. Davey was celebrated at their home, Main street, last Wednesday, the 16th, and a number of friends called during the afternoon and evening, while messages of congratulations were received from some who were unable to be present. Mrs. Hodge of Lindsay received with Mr. and Mrs. Davey, and the assistants were Mrs. Byam, Mrs. D. C. Smith, Mrs. Malloy, Mrs. W. B. Sanders, Mrs. Leo, Mrs. Hodgins, Miss M. Daley and Miss C. Lehman. During the evening the bride and groom were presented with a handsome serving tray and a pair of silver salt and pepper shakers. Needless to say Mr. and Mrs. Davey expressed their appreciation for the kindness bestowed on them.

REACHED HER 80TH YEAR

Lived 40 Years in Whitchurch

A resident of Almira the past few years, Mrs. John Cook succumbed to a short illness on Wednesday of last week, due chiefly to old age, she being in her 80th year. The funeral on Friday took place from the residence of her daughter Mrs. Nehemiah Gayman at Almira to the Heise Hill cemetery, the divine service being conducted by Rev. Dr. Gray of Meville United Church, who paid fitting tribute to the departed mother whose christian faith and fortitude were an inspiration to all who knew her.

The late Mrs. Cook was born in Pickering Township, near Cherrywood, and one of a family of twelve children born to the late Christian Stove and Mary Shank, pioneer residents of that section. After her marriage to John Cook of Whitchurch in 1879 the couple settled in Scarborough, but five years later located in Whitchurch, where Mr. Cook died ten years ago. To this union two children survive to reverberate the memory of their respected parents. They are Mr. Jess Cook of Whitchurch and Mrs. Gayman of Almira of the family of twelve children to which the deceased belonged, three survive but four children, namely Miss Susan Stover of Whitchurch, Elias Stover of Stouffville Mrs. A. Hare of Whitchurch and Levi of Port William. Elias is the eldest of the surviving family.

MRS HUNT OF TOTTENHAM

The death occurred at her late residence in Tottenham, Ont., after a lingering illness of Lovina Degeer, wife of Isaac Hunt, on the twelfth of January 1929, in her 79th year. The deceased was a daughter of the late Mr. and Mrs. John Degeer, being born in the Township of Whitchurch near Musselman's Lake. She was married to Isaac Hunt on the 31st, of Dec. 1873, they having celebrated the fiftieth anniversary of their wedding five years ago. She spent 39 years of her married life in Township of Tecumseth, having moved into Tottenham five years ago. She was a member of the United Church for a number of years.

The funeral was held on the fifteenth of January. After a short service at her late residence, the remains were taken to the United Church, where the service was conducted by Rev. R. W. Beveridge after which interment was made in Mt. Tegart Cemetery. The late Mrs. Hunt is survived by her husband, and by six sons and an only daughter, namely, Ellsworth of Mathison, Wilford of Orillia, Charles of Tecumseth, Mrs. Alex Gray of Mono, George of Whitchurch, Isaac and Nelson of Tecumseth. Three children predeceased—her namely; Manuel in infancy, Percy and Mrs. George Watson. Two brothers and two sisters also survive.

DOGS WORRY 65 SHEEP

(Alliston Herald)

George Cameron, the well known live stock dealer of Alliston had 65 head of sheep on the J. J. White farm on 3rd street, north of Idylwyld park. The farm is now worked by William Tate. On Saturday afternoon Harold Dowling of the 5th line, Caledon, went to the barn to see a horse he was going to purchase from Mr. Tate. The latter was absent but Mr. Dowling discovered four dogs worrying the flock of sheep. Four of the sheep were dead and a number were badly mutilated. He chased the dogs away and hurried up town and informed Mr. Cameron of what had happened. They secured rifles and quickly returned to the barn. In the meantime two of the dogs had come back and were worrying the flock. Shooting started and one dog dropped dead and the other was wounded, but was able to make its escape. Four sheep were killed and another one had to be put out of misery. It is quite likely several more will have to be despatched. The dogs are owned by local citizens and they will be asked to foot the bill, which will probably amount to \$400. In any event the town may have to pay half or perhaps two thirds.

DAIRY BUSINESS CHANGES HANDS

On Monday morning of next week Mr. Clayt Baker will take over the Maple Leaf Dairy business from Mr. Ira Rusnell, who purchased the business just a year ago from Mr. Joan Lewis. Mr. Baker is a new man in this business, but no doubt will make a success of it.

Mr. Rusnell is arranging to go on the road for the Rawleigh Medicine Co. He will continue to live at the dairy and will attend to any customers who call after hours when Mr. Baker is not there.

A SERIOUS FALL

A very regrettable accident occurred on Monday morning about 8 o'clock, when Miss Mildred Barkey who lives with Mr. and Mrs. Jacob Boardway, fell on the icy sidewalk immediately north of the United Church, and fractured her left leg in two places midway between the knee and ankle. Miss Barkey was on her way down town where she is engaged as operator at the B. and S. Telephone office, and somehow fell while navigating the icy way along Church street. There being no one on the street at the time, Miss Barkey called for help, and was heard by Miss Rae, just across the street. Mr. Frank Rae hurried out and with other assistance carried the unfortunate young lady into the Rae home, where everything was done to alleviate the great pain she was suffering. An x-ray examination at Dr. Freeland's office later showed the two breaks of the bone. Since last Friday's big rain storm followed by a freeze up the sidewalks and roads are a glare of ice in the majority of places, and in many instances it is impossible to get the ice off especially where the walks are below the level of the streets.

SCHOOL BOARD

The inaugural meeting of the 1929 school board was held in the council chambers on Wednesday evening of last week, when the first act of business was the taking of the declaration of office by the new members Messrs Ambrose Stover and A. V. Nolan.

The first resolution to pass the board was one appointing Trustee W. H. Shaw to the position of chairman of the board, and after being escorted to his seat, the regular business proceeded.

The standing committees for the year were appointed as follows:—Management—Nolan, Stover, and Lloyd.

Property—McMullen, Baker and Nolan.

The first mentioned on each committee is chairman.

Trustees Nolan and Baker submitted a resolution compelling all motions coming before the board to be made in writing, and after a short discussion the entire board supported the resolution; and henceforth this year at least there will be no verbal motions recognized.

Chairman Shaw expressed his appreciation of being honored with the chairmanship.

An insurance policy in the Liverpool and Manitoba for \$5000 was renewed by the payment of the premium of \$41.00.

On motion of Nolan and McMullen, Harold Sanders was appointed as a member of the public library board for a term of three years.

Trustees Lloyd and Stover moved that the following accounts be passed for payment:

J. Mowat, supplies \$27 65

E. Wm. Baker for supplies 5 75

Ab. Lehman, cartage 5 50

water rates for school 50 00

LONGEVITY

James Johnston was a careful man. He lived according to a plan. Of healthful living, safe and sane. He never ventured in the rain, Nor ever trod a muddy street Without his rubbers on his feet. He never stayed out late at night, He exercised by morning light, He wisely slept, he wisely ate, His health was in a perfect state, Until one mild and balmy day He got the "flu" and passed away. Bill Hoosier is a careless man, He never lived by any plan, He never cared a single whoop For colds or measles or the croup, He ventured out in rain or storm, Not worried if his feet were warm, He walked about in the wintry air With summer socks and underwear, The "flu" came on and passed away And Bill is on the log today.

SPRING WHEAT SOWN ON JAN. 2

Mark Kay of Kennedy, Sask., and former owner of the Ferguson farm just below the village, writing from his home in the west on January 16, to his solicitor, F. L. Button, says: "It is very cold here now, but we have the best weather I ever saw. We have not had any rain since the 15th of August, and the weather was fine and warm until two weeks ago. We have had a little snow now."

There was some spring wheat sown at Indian Head on January 2nd, and the ground is so dry we could now sow if the snow were gone."

"When the election expenses, amounting to \$70.00 were passed at the Uxbridge Township Council Meeting last Monday, the sum looked small to that which have to be paid if a controller and four aldermen are unelected in the city, which would amount to \$32,000. Some difference."—Uxbridge Journal.

Councillor Ross E. Ratcliff returned home the middle of last week, following an operation for appendicitis in Toronto General Hospital. Mr. Ratcliff made quick recovery, and came home little the worse of his encounter, but with a big sense of satisfaction knowing there is one disease that cannot assail him again in this life.

The Mall and Empire has an editorial on the liquor smuggling across the border, under the caption, "Canada Not Uncle Sam's Constable." That sounds very much like the reply Cain is said to have made after killing Abel. And Cain was branded as a murderer. "We haven't any desire to see Canada branded as the country in league with bootleggers that debauch our neighbor not only as in the matter of liquor but crimes attendant on bootlegging. The Canadian Government should show its willingness to stop the exportation."

Bad roads somewhat curtailed the crowd that might have attended the auction sale of farm stock and implements belonging to Arthur Dowsell west of Goodwood, last week, but bidding nevertheless brisk and the total sale mounted up to \$5,280, being one of the biggest auctions of the season. Some farmers who came up from Markham didn't get any farther than Stouffville, owing to condition of the 10th concession for cars. It was said to be impassable owing to snow. Mr. Dowsell is known as a 1st-class farmer, and had a big list of stock to sell. Auctioneer Silversides conducted the sale and as soon as all the articles are taken off the place, Mr. and Mrs. Dowsell will move to their newly acquired home in Stouffville.

The sudden change in the weather last Thursday to a heavy downpour of rain, spelled doom for the carnival that evening and for the hockey match advertised for Friday night. Both these events were cancelled but will be held this week. The children's carnival will be held in the Arena on Thursday night, the double-header hockey Friday evening. This encouraging season for rain, and it is hoped that liberal will be given these events. Speaking about discouraging the children are entitled to consideration too—what a disappointment to get all read a carnival, and then have the cancelled by the weather. We hope that conditions will be favorable for a good time at the Arena.

SIX MILLION TO ELECT HOOVER

Herbert Hoover's election cost the Republican party more than \$6,000,000.

The final statement of Treasurer J. R. Nutt of the National Committee, filed with Congress last week, shows total campaign receipts of \$6,541,748.05 with a net surplus of \$285,637.20 after all bills have been paid.

There were 144,124 contributors, as compared to approximately 90,000 in 1924. Of the total receipts \$1,697,247.60 was collected as agent for State Committees and returned to them through donations at the discretion of the National Committee. The totals in the final report, publicity and details of which are required by the Corrupt Practices Act, are exclusive of the amounts collected and expended by the large number of State Committees that have financial autonomy. The totals from these needed to make the cost of the national campaign are not available.
