HER 79th BIRTHDAY

Mr. John Balsdon of Markham village got a genuine surprise on Sunday evening last when some of the members of his family walked into the house bringing with them the making of an Oyster supper and a tempting birthday cake with 79 candles, which was set on the table with every candle burning. The supper and cake was the gift of Mr. Balsdon's youngest son Lorne and Mr. Balsdon knew nothing of the party in his honor until he was called to the room to tea. Those present at "dad's party" were Mr. and Mrs. Walter Balsdon and family, Don Mills Road; Mr. and Mrs. Allan F. Balsdon and family, "Donalda," Todmorden Mr. and Mrs. Arthur Hoover and family 9th line, Markham, Norman and Lorne from Toronto and Jean at home, and of course Mrs. Balsdon. Mr. Balsdon who is convalescing from a long illness thoroughly enjoyed the occasion as did all present. —Markham Economist

ALTONA

(Melvin Tindall is all smiles. Its a girl.)
Hugh Macintosh had a severe tummy ache a few days last week. Too much curling Mac.
We are glad to hear that Mrs. Henry Wideman underwent a very successful operation and is expected home from the hospital this week.
John Hutchinson of Claremont, was the purchaser of the late Flavius Reesor property. We learn that Mr. Hutchinson intends moving in the near future.
It came upon the old burg all unsuspected, no one had any news of its coming, it spread like wildfire throughout the town. The Lord High Mayor of Altona has a handsome new hat.
H. Macintosh, W. McNair and W. Reesor were curling in Toronto last week. The boys tell us they had a very good time. As for winning any prize, they never mentioned that.
Frank Wagg is still confined to bed following the flu. Frank is fortunate in one respect, he has four capable boys at home who will keep his work well up.

SCHOOL TAXES

A gentleman from York Township who was in the Tribune office last week, happened to point out to us that his tax bill for a small house on a 30-foot lot amounted to \$143 for school taxes alone, while four years ago the school tax was \$90. Both figures are exorbitant, and our visitor was surprised to learn that it was such municipalities as York that are causing much of the increase in school tax today, aided by the Ontario Government. This visitor didn't even know that restaurants or cafeterias were being built into the schools and that scribbles were bought for the pupils through taxes, costing thousands of dollars. If the citizens of York are no better informed on school law than this gentleman, its no wonder the trustees in the south end of this county are going mad in their effort to build large and expensive schools with high cost of upkeep, when ratepayers do not know what is going on about them.

BALLANTRAE

The Kidd brothers of Ballantrae are growing increasingly popular as violinists, and provided good music at Forsyth's dance.
The Ballantrae Young People's League held their social night jointly with Lemoville League at Lemoville, and report a splendid time both on the sleigh and also at the church. The Ballantrae contingent provided an excellent program and took charge of the recreation period before which the Lemoville Contingent provided an appetizing supper for all. During the evening the Lemoville Young People presented Mr. Geo. Martin with a wicker table in honor of his recent marriage.
The Ballantrae Ladies Aid recently presented Mrs. (Rev.) Laycock with a beautiful basket of fresh mixed fruit as an expression of their love and sympathy.

We were glad to see Earl Cook back in Stouffville again playing hockey with Lemoville, against Rouge River.
Miss Cora Cook and Miss Margaret Thomson were very successful in their canvas for the Missionary and Maintenance Fund of the Church. The total they collected was \$24.
The Young People's Society of the United Church entertained the Ballantrae League on Thursday evening and enjoyed the program given by the visiting league. The same evening the following presentation was made to Mr. George Martin, by Miss Velma Farrow and this address read by Miss Mabel Hall: "We the members of the Young Peoples Society of Lemoville United Church wish to embrace this opportunity of wishing Mrs. Martin and yourself God's richest blessing as you are now making your home amongst us. We ask you to accept this table, not merely as a gift but as a token of the high esteem in which you are held by the members and friends of the League, and also in recognition of the splendid service you have always so cheerfully rendered in any work connected with the Young Peoples League, and in the community. WHAT CHANCE AGAINST FIRE HAS A ROOF LIKE THIS?

MODERN BUILDING—for permanence, low-keep and appearance—sounds the death-knell of wooden roofs. The dangers of fire to the building itself, to other buildings and to human life is rapidly being banished by metal roofs of high quality.

RE-ROOF WITH RIB ROLL
The appearance of this roofing alone has sold thousands. Whenever a roof of this material is laid in any district, it immediately secures a preference, and others who are roofing any kind of building, whether it be barn, house, garage, shed or warehouse insist on Rib Roll. It is made to famous "Council Standard" specifications.

EASY TO LAY ON NEW ROOFS OR OVER OLD ROOFS
The cost of laying Rib Roll is lower than that of nearly all other types of roofing. Any man who is handy with a hammer can put it on. Its handsome appearance adds many dollars to the value of your property. Send ridge and rafter measurements of roof or roofs in question, for free estimate of cost.
