Provinces Given Water Powers

Parliament Grants the Neces sary Motion Without Going to Division

Ottawa.-Following many days debate on the question of the ownership and disposition of the water powers under the control of the Federal Government, Parliament finally carried, clared that no armed movement in without division, a motion of H. H. Mexico in recent years has less real Stevens, Conservative, Vancouver, justification than the one headed by that the water powers of Manitoba, Saskatchewan and Alberta shall be administered by the respectivo proto British Columbia in the railway belt as set forth by the Raliway Beil

Water Act. full administration over the water powers in the belt, and therefore the prairie provinces will be placed in the after they have passed the necessary legislation.

The motion originated in one submitted by J. S. Woodworth, Labor, demanding that natural resources should ico entering a period of government not be alienated without the consent by institutions, a goal for which we of Parliament. Hugh Guthrie, Con- have been fighting and which we have servative, amended this to water pow- just reached. It is their purpose to quotations for car lots: ers only. Says Agriculture Facing Body Blow

Hoover Law Amounts to Embargo

.Toronto-Canadian agriculture is facing a real "body blow" as a result of the promises made by President Hoover to the farmers of the United States, Hon. J. S. Martin, Provincial Minister of Agriculture, declared at a recent meeting of the Conservative

Farmers throughout the Dominion must come under the shadow of the new tariff wall, he said. The Hoover law, coming on the heels of the Fordney-McCumber legislation, virtually would amount to an en.bargo and the market to the south would be shut to Canadian exports.

"I do not blame the Americans." Mr. Martin said. "We have been meek so long they probably think they can get away with anything. We are not speaking the language they can understand.

"I think the time has come when Canadians must assert themselves. The Government at Ottawa must frame legislation for the protection of our farmers and if it is not equal to the situation let it step out and have some one take over who can.

the situation let it step out and liave Mr. Martin referred to the agricultural situation in Canada. Pre-war prices never had returned, he said. Experience is bought with cheap Costs were high. The Dominion had and winfer fairds. Difficult times were being experienced.

Student Strike Against Rivera

Spanish Undergraduates Protest on Closing of Segovia Artillery School, Defying Orders to

Desist

Madrid.—Spanish students in sevnal university towns recently went on strike in protest against General Primo de Rivera's action in closing the artillery school at Segovia and

students. The students are demanding the liberation of the undergraduates as well as several university instructors who were imprisoned for political

General de Rivera has peremptorily ordered all students to return to their classes, threatening to shut down all universities and academies if the

order is not obeyed. The students, in violation of the Dictator's order, absented themselves from classes and paraded in the university grounds in several cities, demonstrating boisterously against the dictatorial incasures.

The widow assumes almost the same status. She it "goods and chattels," and if the family establishment is disposed of, the widows and divorcees are a part of the bargain. The age of 14 is considered right for the beginning of the auctioning

off of the daughters of the family.

The new French project, prepared by Ministers Barthou and Tardieu, first attempted to introduce Western customs in the Labyle family by raising the marriageable age to eighteen. Physiological and social conditions prevalled, however, and the Frenchr n now set fifteen years as the marriageable age. As for the barter and sale, attempts are lade to avoid it by having each marriage duly registered and lavestigated in advance by the magistrates. Fine and imprisonment will be imposed on those breaking the

The goal of every man is to make money fasier than his family can spend It. A few succeed.

INVESTMENT

A Saving Bank Account is primarily an investment. But it is the only investment yielding a fair rate of interest, that is available for your use at a moment's notice. Emergencies can be immediately met by the bank account that has been consistantly developed. Your investment, as such, yields regular returns in interest. Your investment as a bank account yields constant satisfaction and peace of mind because it is always available.

THE CANADIAN BANK OF COMMERCE

THE STANDARD BANK OF CANADA

Should include provision for the regular saving of a percentage of your income. . . . Whether the amount is large or small, however, regular depositing is most important.

This Bank Invites Your Savings Account. Interest Compounded Half Yearly.
