Why It Pays to Cut Your Own Silage

It is extremely important to cut silage at exactly the right time. If cut too green, or after frost has taken hold of it, it won't make nearly as good feed as if cut when just right.

With your own "Toronto" Ensilage Cutter you are independent of a hired outfit, with its frequent annoying and costly delays. You cut when your silage is ready.

It costs but a fraction to operate a "Toronto" Ensilage Cutter compared to hiring a customs outfit. Again, it enables you to refill after shrinkage—cuts your straw in winter. It quickly pays for itself.

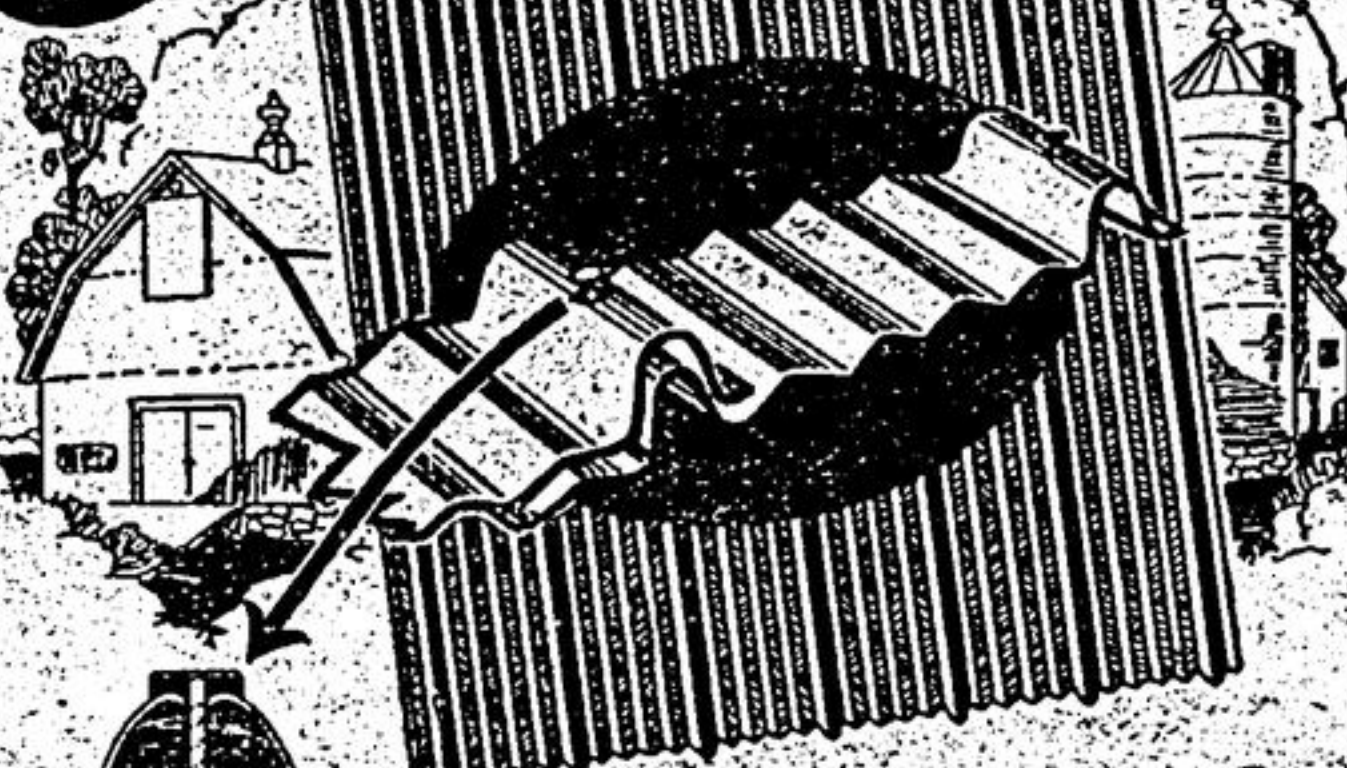

TORONTO ENSILAGE CUTTER

A "Toronto" Gasoline Engine economically operates this dependable, efficient machine. Come in for a demonstration of its many features, or write for free literature.

GEORGE J. LAWSON, Stouffville, Ontario

Protect

your BUILDINGS from FIRE AND WEATHER

Put it on with PRESTON LED-HEAD NAILS

Specially adapted for use in putting on metal roofing. The head on the nail positively seals the nail hole—making it weather-tight and waterproof. No washers; no more "threading." 22¢ per lb. Free sample on request.

Rib-Roll Galvanized roofing shields property from lightning and fire. Wooden roofs are easy prey. In 1927 in Ontario alone, \$1,814,700 worth of property was destroyed by fire caused by spontaneous combustion and by embers falling on inflammable roofs. Rib-Roll is absolutely fire-proof and water-tight. It protects your crops from dampness that is conducive to spontaneous ignition. Handsome, permanent; easy to lay on any roof. Has seven ribs to nail; others give less security. Take steps now to protect your livestock, crops and buildings. Write for a free sample of Rib-Roll.

Prevent Spontaneous Combustion and have a Well Ventilated Barn

Warm, moist air in an improperly ventilated barn produces conditions conducive to spontaneous ignition. Preston Ventilators for the roof, adjustable side-wall windows and spacious doors protect the barn from fire dangers by keeping the air in constant circulation. They are built to keep the elements out. Write for full particulars.

Barn Door Tracks and Hanger
Preston hot galvanized four-wheel hangers and birdproof Barn Door Tracks are the best hardware made for heavy barn doors. The Hanger is adjustable up and down, and in and out. This makes erection so easy that hundreds of builders will use no other type.

PRESTON STEEL TRUSS BARN

—the strongest barn on the market. There are more Preston Barns in the Province than all other metal barns combined. Fireproof, roomy, well-ventilated, handsome. To our knowledge, no Preston Steel Truss Barn has ever been destroyed by lightning or spontaneous combustion. Write today for our big Barn Book.

Markham Tax Rate

INCREASED ONE MILL

Fixed at Eight Mills — Proposal To Retain Old Rate And Issue Debentures Was Defeated

At a special meeting of the Markham township council held at Unionville last week, the rates by-law was passed and the township rate fixed at 8 mills, an increase of one mill over last year. This rate will raise \$41,527.56 which will be several thousand dollars short of the amount required this year and which will have to be carried as an overdraft. The matter of fixing the township rate has been a bone of contention for some time. Ever since the big spring flood which did several thousand dollars damage to the roads and bridges of the township it was evident that the council, was faced with largely increased expenditures this year. The contention was on the best method of handling the increased expenditure. The issuing of debentures for a period of five years, was suggested and it was claimed that this would avoid any increase in the township rate. On a division of three against two the council finally decided against the issuing of debentures, and in favor of a one mill increase of the township rate with an overdraft to be carried over to next year.

The present financial position of the township as reported by the treasurer G.A.M. Davison showed the township owed the bank at the present time about \$50,000. Of this \$15,000 has been advanced to the newly formed union school section at Milliken and will be covered by the issuing of debentures. Approximately \$1000 has been paid for electric installation at Thornhill and will likewise be covered by debentures. The amount of township taxes returned to the County for collection, covering a three year period amount to \$10,421.50 and a certain percentage of this amount will come back to the township treasury this year. It is estimated that it will require the following expenditure for the balance of the year; bridges \$7000., unfinished road work and repairs to bridges \$500., Board of Health \$400., Salaries \$2500., Interest \$2000. In addition to items of miscellaneous expenditure.

Deputy-Reeve Stiver felt that the rate should be increased to eight mills and that the overdraft could be wiped out by maintaining the same rate in 1930. He thought that this was better business than to issue debentures. Councillor Cookwell and the Reeve concurred and the clause fixing the rate at eight mills was adopted. Deputy-Reeve Padgett pointed out that with an eight mill rate there would be an overdraft at the bank at the end of the year of \$17,000. Treasurer G. A. M. Davison said that undoubtedly there would be an overdraft at the bank at the end of the year and that probably \$12,000 would not be far out. He would estimate it at between \$15,000 and \$17,000. Deputy Reeve Padgett did not think that this was good business and favored keeping the rate at seven mills the same as last year and issuing debentures for \$20,000. for a term of five years. Those opposed to the debentures said it would cost a mill every year to carry them but Mr. Padgett claimed it would cost no such thing. Councillor Smith also favored issuing debentures and predicted that the overdraft at the end of the year with an eight mill rate would be \$20,000. Speaking in favor of the eight mill rate, Reeve Gohn pointed out that next year the township would receive a government grant increased by some eight thousand dollars by virtue of the extra work this year and also drew attention to the \$10,421.50 unpaid taxes which he claimed was a liquid asset. Deputy-Reeve Padgett foresaw difficulties in financing as he pointed out he understood the township could only borrow up to ninety per cent of the taxes levied for township purposes. "I think your courting trouble" he said "but if the majority favor it go ahead. You'll stand the brunt, but I won't."

The county tax is also up this year. \$43,806. is the amount required for County purposes and this will require a rate of 3.2 mills which is an increase over last year of 1.14 mills. The rate for the Police village of Unionville was fixed at 10 mills and for general High School education throughout the county \$7,006.20 with a rate of 1.3 mills. There is also the general-township rate for education and the rates for the various school sections according to the amount required. Councillor Smith wanted something done to the sixth concession which he said was in very bad shape. Deputy Reeve Stiver suggested that there was a lot of good material on the sides which would be scraped up with the grader to fill the bad holes at the side. The road superintendent will go over the Scarborough and Pickering townlines and ascertain how much will have to be done, but the council plans no large expenditures on these roads this year.

UXBRIDGE TWP. COUNCIL

Uxbridge Township Council met at Goodwood on Aug. 17th. Members all present.

Communications
Plaxton, Hueston & Co. Toronto, re Township Road Insurance claiming they can give us a better rate of insurance, and not based on our Road expenditure.

H. M. Robbins, stating that a certain party had been admitted to the Ontario Hospital at Whitby, and wishing to know if a resident of this Municipality.

Messrs J. F. Reid and George Todd waited on the Council requesting a grant of \$100. to the Goodwood Park fund, but as the Council declined to make the grant, this years debenture for same will have to be raised from School Section No. 7. (The Treasurers semi-annual report was received and adopted.)

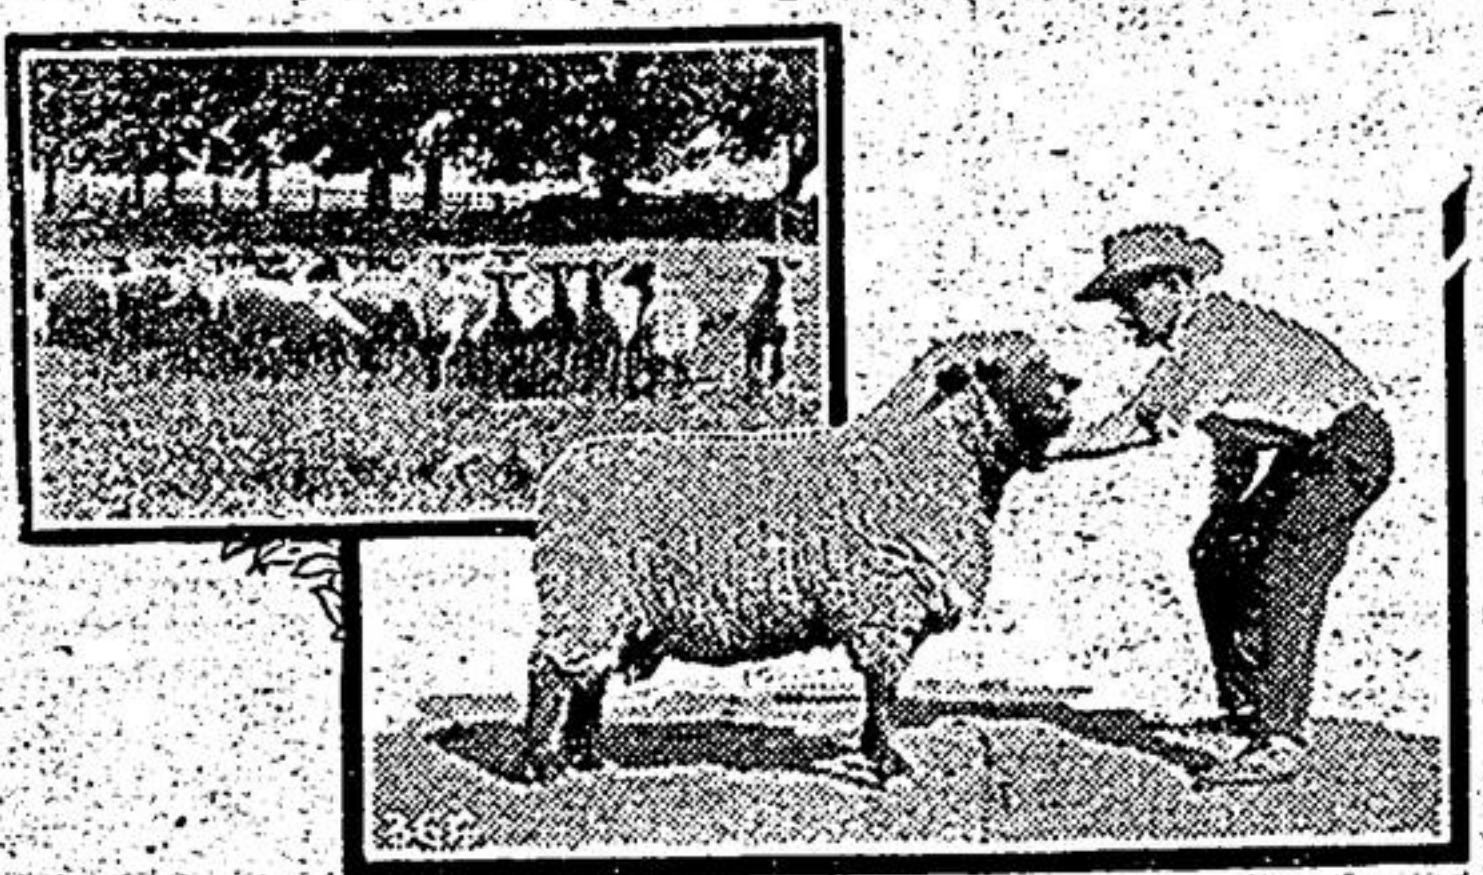

The usual by-law was passed striking the various rates of the Township. The County Rate had to be raised nearly 1 1/2 mills to meet the requirements for that purpose. The Council gave the Township rate a lengthy consideration, and finally decided to raise the same by two mills as that seemed the only way out without showing a heavy deficit at the end of the year. The council reluctantly made the raise as they feared this would not be a good year for the farmers. Three large concrete culverts beside other heavy washouts, and also three Concrete Bridges on our boundaries that T.P. will have to pay half on contributed much to the increase. The following rates struck:—County purposes 12.48. Mills, Township 12 mills. General School same as last year 6.31. The Trustees Rates were struck to meet the requirements of the different School Boards.

Pickard—Lewis, the clerk was instructed to forward a letter of condolence to Mr. Owen Davies. The following accounts were passed for payment to the different road foremen mostly for weed cutting:—

C.P.R. Champion Sheep

Canadian Pacific flock of Suffolk sheep at Tilley, Alta.—there are 300 of them—have been sweeping the board in western stock exhibitions lately. Against strong competition at the Saskatoon Exhibition they won every first prize and every championship. Also shown in above is the C.P.R. champion Hampshire ram which took first prize in every show in which it was entered. Prize sheep and cattle on the C.P.R. experimental farms in the West are doing a great work in improving stock in the Prairie Provinces.

BLOOMINGTON

Mr. Eugene Lemon has gone on a trip to the West.
Mrs. W. J. Mahon of Florida is visiting with Mrs. Mahon.
The Misses Fockler of Toronto spent the week end at their home here.

Mr. and Mrs. Ahoos Smith of Hartman were at Mr. H. Smith's on Sunday.

Miss Marion Hood of Unionville was visiting with Miss Ruth Storry last week.

Mr. and Mrs. Art. Smith, also Mr. and Mrs. Everett Smith took a motor trip to Port Severn and other points north.

Much sympathy is extended to Mr. Wm. Hill and family in the very heavy loss which they have sustained in the death of a kind wife and loving mother.

RINGWOOD

Miss Ada Barkey is visiting in Toronto.

Miss Jean Grove is visiting with friends in Oshawa.

Mrs. Nancy Lee was a Lindsay visitor on Wednesday.

Harvest is in full swing in this locality. A good crop is reported.

Mrs. J. Allan, daughter Jean and son Douglas are spending a couple of weeks at E. R. Sinclair's.

Miss Alice Raymond of Toronto has returned home after visiting with her aunt Mrs. John Fisher.

We are glad to report that J. M. Grove, who has been very critically ill for the last six weeks is somewhat improved.

ATTENTION! Ford Owners

At last you can procure a timer for your Ford car, truck, or tractor, which will last indefinitely, without any oiling or attention.

The Dynamo Timer replaces your present commutator. It is built like a dynamo; hence it gives you instant starting, with longer, more dependable service than other timers.

You have never got the best performance from your Ford or Fordson, unless you have used a Dynamo Timer. It is the most necessary improvement you can install, makes driving a pleasure, with no more commutator worries, or troubles, and a smoother, running, more powerful motor.

BETTER YET! — The Dynamo is fully guaranteed to give 100% efficiency for 3 years. By far the most service for the money. Recommended by every user.

Give the Dynamo a trial, and if not well satisfied, your money will be cheerfully refunded. Price \$2.75

And I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law.

The last day for filing appeals is the 5th day of September, 1929.

Dated at Unionville, this 15th day of August, 1929.

G. A. M. Davison,
Clerk Of Markham Township

Business Sold

Watch, Clock, and Jewelry Repairs

I have disposed of the watchmakers tools and equipment, formerly belonging to my father, to Mr. Hector Pollard, who is a former employee of my father, having learned his trade with him over twenty years ago. Mr. Pollard is the same thorough type of watch repair man as my late father, and I can highly recommend him to our old customers as well as our new customers. Until Mr. Pollard takes over the Jewelry store in the near future, I will collect the work and we are prepared to give you a prompt and efficient service.

We solicit your repair work and will give you satisfaction.

The big jewelry sale is still going on, although the time is now limited. Get your jewelry bargains now and avoid disappointment. Why not get your next Christmas gifts at a big saving?
