

**EVERY MODERN
FEATURE KNOWN
TO RADIO SCIENCE**

**FADA
Radio**

Every feature known to radio science is employed in this great radio to give you the perfect reception that Fada alone can give. Other makes may have one or two modern features but only Fada includes all the ten big radio features of the year. A great engineering staff devoted exclusively to radio for over the past nine years enables Fada to produce this, the greatest of all radios—Fada 35. Come in today and hear a demonstration of this remarkable receiver.

**4 SUPREME BUILDING
ADVANTAGES**

WHEN building a new home or making over an old one, use this greatest of all wallboards. You will get these four supreme building advantages:

Full 3/8" thickness—giving greater structural strength and rigidity.

Easier Application—Goes up quickly, without muss—saving time, labor and money.

Fire-Proof—Non-Warping—Gyproc walls are fire barriers. Cannot crack, warp or shrink.

Takes any Decoration—Including Alabastine, wallpaper, paint and panels.

GYPROC
Fireproof Wallboard

Clean Your Stables
IN 1/3 THE TIME

THE "Toronto" Litter Carrier enables you to clean stables in methods. The big, strong bucket carries three times a wheelbarrow load—and swings along overhead tracks to pile or spread. So simple, a boy can run it.
Built for long years of hard usage. Bucket is absolutely leak-proof, is "hot" galvanized to resist rust, and runs smoothly on roller bearings. It pays for itself in hours saved every week for more profitable work.
Let us explain the many other advantages of the "Toronto" Litter Carrier. Or write for splendid new booklet explaining and illustrating this and many other "Toronto" Stable Equipment installations. It's free.
