LEMONVILLE

The White Gift Service entitled the "Kings Tribute" was rendered in the United Church under the leadership of Mrs. T. Gilroy, and Miss Cora Cook before a large congregation and was a decided success. The main theme, Playing Homage to the Christ Child the New Born King—run like a golden thread through the whole service. The following features were ably represented by Miss Cora Cook as Spirit of Love, Miss Clara Hall, Spirit of Memory, Miss Florence Barkey, Spirit of Truth.

The group of Bethlehem Children in expectant wonder was demonstrated by Misses Jean Baker and Rota Wells, Don Hall and Lewis Wells. The group of Shepherds in quest of the Christ Child was impressively taken by Messrs Walter Brown, Wilfred Yake and Jack Laycock. The Angels Song and Tableau was effectively given by Mrs. T. Gilroy, Misses Florence and Velma Farrow. The Wise Men bearing their gifts to the manger in Bethlehem was typified in song and Tableau by Messrs Warren Rae, Bert Taylor and the Pastor. The Madonna was characterized by Miss Ethel Saunders.

The spirited carol singing by the Choir interspersed the Hallowed scenes. Suitable Readings by Mrs. Ross Winterstein illuminated the tableau. The whole scene cast a spell of holy awe upon the congregation and everyone present was impressed with the dignified simplicity attending the Coming of the Saviour King. After the singing of the Anthem "White Gifts" the Sunday school children and adults placed

their "White Gifts in the Manger. These White Gifts are sent to the Fred Victor Mission of the United Church to help relieve the distress at this season of the year.

DO YOU REMEMBER WAY BACK

When—Dan McMurchey kept the tannery?
When—John Bickerstaff used to make shoes?
When—There were six hotels in Stouffville?
When—Dr. Shaw veterinary surgeon lived where Swift's Garage is now.
When—Tom Shaw published the first newspaper, opposite Jermain's blacksmith shop (then)?
When—Wm. Roddick and John Bruels used to make waggon on the lot now owned by Miss Mae Urquhart?
When—Edward Wheeler's vegetable garden was located on the site where Ed. Davey and Mrs. Hoover's residences are now situated?
When—Dave Stouffer used to have a singing class in a little wooden church on Church street?
A. S. L.

A game of "Duck on the Rock" was engaged in the school yard? One of the boys instead of tossing his Duck back to the stand in the usual way placed it on his foot, intending to toss it back with his foot. It clung to his foot and went over his head into a garden where a young girl was playing and struck her.

Someone got a licking for being careless. Was it you?
The big fire known as Lloyd's fire took place, starting in the old Hotel buildings, which ran along Main street from Church street to the property owned by Ed. Lloyd, destroying all the Hotel property, and all but the walls of Lloyd's store, (recently occupied by the late J. J. Rae)?

What a fire brigade we had that night after pumping all the wells in the neighbourhood dry, a double bucket line was formed to the mill pond, thereby saving a number of buildings adjoining the fire. Were you in that bucket line?

June Feed in January

It has been proved by test and by experience that good corn ensilage, when combined with hay and grain, produces the best quality beef and greatest quantity of milk—at smallest cost! A "Toronto" Silo will turn your corn into the finest ensilage, and give it 1/2 to 1/3 greater food value than when fed as dry fodder. By feeding "June feed in January" you keep your cattle healthiest, most valuable—you get more milk and better milk. A "Toronto" Silo soon pays for itself in increased profits, and earns big returns on your original investment year after year. "Toronto" Silos are strongly built from selected spruce staves, double tongued and grooved to exclude the air, treated with creosote to lengthen their life. Silage juice can't affect treated wood—can't freeze to the walls of a wooden silo. Special Hip Roof construction gives 15% greater capacity.

Over two thousand years ago Shepherds watching their flocks by night saw a new Star in the sky, and heard heavenly voices singing of peace on earth, Good Will Towards Men.
That was on the eve of the first Christmas and how fitting it is that at the same season when all the Christmas world is celebrating the Birthday of the Prince of Peace we should bring a message of Peace from an envoy of Good Will.
