INAUGURAL OF THE SCHOOL BOARD

At the inaugural meeting of the Stouffville School Board held in the council chambers on Wednesday evening last week, A. V. Nolan was elected chairman for another term. Two committees were appointed, the property committee being composed of Messrs. Edw. Baker, J. W. McMullin and Dr. Ball, while the management committee consists of Ambrose Stover, Edwin Lloyd and Dr. Ball. The first named in these two committees are the chairmen.

The Continuation School Inspector's report was read, and was one of the best ever received. The staff was commended for their work, while the equipment was regarded as good, and few suggestions were offered. The chairman introduced the matter of the caretaker's salary, and asked if the board thought he was justly paid. The management committee was authorized by resolution to consider the matter, and secure figures from other schools of like size to Stouffville.

The board discussed the problem confronting the school attendance officer, and suggested that he take such action as is necessary to protect the rights of children where parents are neglecting to send them to school. John Cower was re-appointed to this position as a salary of \$25 for the year 1930.

A few small accounts were passed for payment, mostly for books used in the course of study in the public school. The members were all present at this meeting with the exception of Mr. Lloyd who is still confined to his bed through illness.

SIX DOGS SHOT SUSPECT RABIES

Hunting Dogs Destroyed by Government Officials at Unionville

Excitement prevailed in Unionville and vicinity last week on account of the action taken by Government authorities regarding the dogs that were run by local hunters in the Burwash district that came in contact with the stray dogs from the Rockford camp, and owned by Dr. Agier of Sterling, and afterwards died, supposedly of rabies.

Shortly after the Unionville hunters returned a dog owned by Percy Stiver became ill, and a local veterinary diagnosed that a bone was stuck in its throat. The animal was afterwards taken to Toronto where it died, and upon examination of the skull at the provincial laboratories, the trouble was diagnosed as rabies, and has caused considerable uneasiness.

Since then the medical authorities have been warned to watch for further development of the disease, and recently six dogs owned by Philip Dixon, Fred Stiver, Ernest Dukes, Thomas Shadlock, Harold Harper, and five dogs of the Rockford camp have been shot by order of Government authorities. Also all dogs that ran within a radius of 40 miles of these camps have been put under quarantine. Sportsmen are feeling that this development keenly realizing that the unwritten law of caring for the lost dog in the bush of another sportsman has now become a serious proposition.

CHORAL SOCIETY CONCERT

The annual concert of the Stouffville Choral Society will be given on Friday, Feb. 21st. Antony Remouch, violinist, who was so well received at last year's concert has again consented to assist. Keep the date in mind, Friday, Feb'y 21st.

PLOWMEN HOLD ANNUAL MEETING

Next Match May be Held in North End of Whitchurch
On Thursday afternoon the annual meeting of the North York Plowmen's Association was held in Stouffville, and a fairly good attendance was on hand to hear the financial statement, and participate in the election of officers for this year.

President J. W. Reesor opened the meeting, and intimated that it was thought advisable to hold the 1930 match in the north end of Whitchurch Township, adjacent to Aurora or Newmarket. The meeting approved of the suggestion, and on this account only half the directors were elected, so that at a proposed adjourned meeting to be held at Newmarket or Vandorf, additional directors in the north may be added.

The financial statement for last year, showed over \$400 paid out in prizes, cash and goods. The last match cost the society over \$200 in actual cash with a still greater value in goods. After all liabilities were met there is a small bank balance carried forward.

The election of officers resulted in Ralph Baker of Lemonville being made president, and Mr. Baker in taking the chair asked for the full co-operation of every member so that the 1930 match may be the best in the history of the organization.

Other officers elected were P. E. Ferguson and Archie Fleming as Vice-Presidents, while three directors were put in, being Jess Cook, Fred Timbers, Ross Ratcliff.

The District Representative for this county Mr. White of Newmarket, was present and promised to give assistance to the organization as he believed the plowmen were doing a good work among the farmers.

An adjourned meeting will be held at the call of the chair.

CONSTABLE PENNOCK RESIGNS

Council Holds Private Session

Reeve H.W. Sanders called a council meeting on Tuesday afternoon, and presented the gathering with the resignation of Edw. Pennock as town constable.

This paper was not represented at the special meeting and does not know the discussion that poured forth, but we are informed that applicants will be called for next week to fill the vacancy.

One town father said "the council are hearing complaints about some law infractions and breaches of the liquor act, hence we must waste no time in securing a man who will give the time and ability to the job to maintain order in the community."

IN MEMORIAM
In loving memory of Lieut. R. Wildgoose, who passed away, Jan. 13, 1922, and of his dear wife, Eva, Jan. 4th, 1929.
Sadly missed by their children, mother, sisters, all relations, and friends.

4th LINE UXBRIDGE

Everybody is going to the Stouffville Chautauqua Festival.

John Moore has been home a few days.

Clarence Jones has been assisting Edgar Storry.

Miss Hattie Maye is attending the Domestic Short course at Uxbridge for women.

Andrew Ashenburt has installed a radio, and is listening to all the high lights now.

A number of our nimble young people are enjoying the skating at Goodwood.

Both Russel Feasby and Bert Maye received knock-outs from King Winter and are under the doctor's directions.

Arval Roach who is advertising his auction sale for Wednesday next week is going to Toronto, we understand. No truth in the report that Orva was to become Mayor of Altona, since Ollie Madill has a lease on the position.

ALTONA

Miss Evelyn Reesor was home for the week end.

Mr. and Mrs. Wm. Clarkson spent a few days with Mr. and Mrs. Herb Jarvis, near Unionville.

There will be two afternoon and four evening programs at the Stouffville Chautauqua Festival.

Miss Jessie Watson of Agincourt visited with Miss Flossie McNair on Sunday.

Misses Viola and Ethel Bunker and Arthur Wagg visited at Madill's Sunday.

Miss Ethel Bunker who is attending Business College successfully passed the 30 word per minute examination, also Miss Verna Wagg passed her sixties.

The Christian church skating party on Thursday night was greatly enjoyed by many of our young people.

Jack and Norman Spang were badly frightened when their pony ran away, dumping both young gents into the snow. The little Shetlands can "cut up" some times, like a collie dog in harness.

Altona had the largest attendance at the Sunday school convention at Clarendon on Wednesday in the afternoon of any other church. All benefited by the wonderful addresses given, also the splendid meals which were generously served by Clarendon.

The remarkably reasonable price of the Chautauqua Festival season ticket is due to the fact that a number of public-spirited local citizens have pledged themselves to sell a large number of tickets. Give your support, buy your tickets as soon as possible and make the Chautauqua Festival in Stouffville an outstanding success.

They say the war is over in Vivian, you had better go home now Percy the fun's over.

John Giles is the new caretaker at Vivian school.

The Government is not bankrupt yet. There is lots of hay being hauled to the reforestation barn.

The roads are fair for sleighing, but not so good for trucks. Potatoes are still being trucked to the city.

Herb Pegg was elected as school trustee for Vivian school.

Cheer up Alex, your bachelor days will soon be over.

FATAL ACCIDENT ON SLIPPERY WALK

Highly Prized Citizen Was Mr. Robt. Rae

The citizens were shocked on Saturday evening (Jan. 18th, 1930) to learn that Mr. Robt. Rae had passed away rather unexpectedly following a fall on the slippery sidewalk on Wednesday, preceding his death. That afternoon Mr. Rae was in company with his son Thos. B. Rae, having left the office of the B. & S. Telephone Co. together, and when making the crossing at Market street, Mr. Rae sr., slipped and fell, and it was with some difficulty that he was able to make home. It was later found that a blood vessel was ruptured as a result of the fall, and death was from this cause.

The funeral on Tuesday took place to Mt. Pleasant cemetery, Toronto, from the residence of his son on Clark street. The divine service was in charge of Rev. H. W. Laing, pastor of Park Road Baptist Church, and was attended by a very large number of friends and citizens.

The late Robt. Rae was born in Glasgow, Scotland 75 years ago. Going to London, England, when a young man he became a chartered accountant, and later came to Canada at the age of 26, where his knowledge of book-keeping, and thoroughness in all things he undertook, was readily recognized by those with whom he was employed.

He was united in marriage with Christilla Burgess of Toronto who died in 1911. To them were born two children, Thos. B., accountant with the Bethesda & Stouffville Telephone Co., and Miss Mary Rae of Toronto. Two sisters and a brother also survive in England.

In the year 1910 the late Mr. and Mrs. Rae moved to Stouffville where Mr. Rae was identified with the B. & S. Telephone Co., as accountant and remained here until a year after Mrs. Rae died. When his son came to Stouffville in 1926 the father also returned. The late Robt. Rae had sterling qualities, a true christian and leader in the community, taking a special interest in boys' work. He established a boy scout movement here some fifteen years ago that had a worthy objective and a lasting effect on the young men of that time. The boys had club rooms in the block west of the Mansion House, and under Mr. Rae's supervision made the furniture, etc., required for it. Their "hikes" and instructional talks are a living memory to many of those lads who are numbered among the business men of to-day. Mr. Rae was an ardent Baptist, and for many years rendered valuable service. At the time of his death he was a member of the Park Road Baptist Church, and held the position of auditors for the local phone company, and was about to become secretary of the library board.

WHY LEAVE 8TH WITH SNOW BANKS

During the heavy snow over the week end the Provincial snowplough operated on the provincial roadway between Langstaff and Markham village, and from Unionville, south over the Kennedy Road. This latter road is not a provincial highway although the provincial plow kept it free of snow for all traffic. Now what we want to know is why did not the provincial plow come north from Markham village to Stouffville where the road was neglected and allowed to fill in so that the bus traffic was suspended?

If the provincial snow plow was able to leave the provincial road and clean the Kennedy road there is no reason why the same plow could not have cleaned all the county road to Stouffville. Here is something the reeve and council might look into. Stouffville is a part of the county highway just as much as the Kennedy road and should be accorded the same treatment.

The provincial snow plow was able to leave the provincial road and clean the Kennedy road there is no reason why the same plow could not have cleaned all the county road to
