ERAL PRESIDENT

Rousing Meeting When W. P. Mulock is Nominated

Canada's present prosperity was At the close of the convention in a large measure due to the team officers of the North York Liberal work between the governed and the Association were elected as follows: governing under the Liberal President, Morgan Baker; secretary, administration, Hon. James Malcolm J. Harry Naughton, and treasurer, minister of trade and commerce told Thomas II. Trench. some 500- delegates to the North Howard Cane, retiring president, York Liberal Convention at recalled that he had served the

Hon. James Malcolm's address dered the office to someone else. Everyone is agreed that the followed the convention's unanimous Hon. Mr. Malcolm drew a laugh present winter has been a pretty nomination of William Pate Mulock from his audience when he describstiff one in these parts, but the as candidate for this federal riding ed Toronto as the most difficult city

his nature which will make him one voting Conservative. "Toronto is," We read of a plant that can scrap of the best representatives this he remarked, "just what all the rest | No one could say that the progress | Major Sanderson deprecated what

Internal Problems.

Canada, owing to its extent, was a country of many interests and make 26. internal problems were bound to occur the minister declared. For government to have solved these pace. With all the organizations for they have been solved under the King Government and at the same time to have reduced taxes and the national debt was a triumph.

Referring to the tariffs Mr stration had neither advocated a child's nervous system or physique. high tariff, a low tariff nor free And so they plan social events, trade. It had merely used the tariff, to the best of its knowledge as an economic instrument for the welfare of the country. Its the greatest industrial growth this

country has ever known. The minister said he had been told that Canada was importing too many manufactured goods. Such a criti cism. he believed, was a mistaken one. A great many of these products referred to as manufactured goods Cow, bred on june 28th.; Black Cow, were brought into the country for due in March; 2 Red and White resale or further manufacture. He Cows, due about time of sale; Black quoted lumber, silk and automo- Cow, in full flow; Red and White bile parts as examples of the thing he referred to. Lumber usually went bred June 15th; Part Jersey Cow, o a factory and was made into furniture, silk went to the garment 18months old; Jersey Heifer, under factories and was made into cloth- 2 years of age; 2 Black Heifers, ing and automobile parts went to under 1 year of age; 4 Heifers, 18 assembling plants and were made months old; Holstein Heifer, under into motor cars.

Empire Trade. "I'll take second place to no man in Canada in my belief that Canada's prosperity lies in expansion of trade within Empire," Mr. Malcolm declared. "In my department no opportunity has Mower, 5 foot cut; Massey-Harris been . overlooked to increase that trade at every point." R. B. Bennett in advocating a commission to look into the matter of preference for Wagon and Box; Massey-Harris Empire goods, was merely paying Blower, Cutting Box, 10" mouth; 4 prs.
