#### BETHESDA

Mr. Bradshaw and bride of Woodbridge, have moved to their new home on the farm lately vacated by Mrs. Simeon Atkinson. On Friday evening last a number of the neighbors gathered at their home to spend a social hour and get acquainted. The evening was spent in games and contests, after which Mr. and Mrs. Bradshaw were presented with a chair and the following address:—  
Dear Mr. and Mrs. Bradshaw, we your neighbors and friends have gathered here in your home this evening to welcome you to our community, we trust you will be happy and prosperous in your new home and always find us ready to share your joys and sorrows. We wish you a long and happy married life and as a slight token of our friendliness and good wishes, we ask you to accept this chair, not for its value, but as a remembrance of the serenade we gave you the evening of your arrival at your new home. Signed on behalf of the choir/boys: Ed. Logan, Russell Hunt, Albert Scott, Percy Taun.

## FARMER IN COURT FOR SHOOTING DOG

Says They Chased Sheep—Bullets were not Fatal—Case Dismissed.

Anyone may kill on sight a dog which is worrying or killing sheep. However, the question of whether anyone may wound a dog under similar circumstances proved a knotty problem in County Police Court in Toronto, on Tuesday.

Raymond McLean admitted shooting at two dogs which he claimed were worrying his sheep, but the shots were not fatal.

Mrs. Henrietta Everson, Langstaff owner of the dogs, described their return home. "The large one fell over and couldn't get up and the little one was bleeding all over. The shooting has been coming across from their property all winter."

Inspector Alloway of the Humane Society, who investigated, stated the rifle used was a 22.

"I found a female Airedale badly wounded in the left shoulder," he related. "The police dog was shot through the neck.

"The dogs were seen coming from McLean's farm," he continued. "He admitted shooting them, stating they were worrying his sheep. The police dog was recovered, but the Airedale is crippled."

"The dogs were over worrying sheep and I shot at one," admitted McLean. "The bullet went right through its neck and hit the other. Both dogs had been chasing sheep. They ran swiftly away."

"He has the right to kill the dogs, but I have a right to only wound them?" queried Magistrate Keith.

Defence counsel claimed defendant chased the dogs after wounding them, but could not overtake them to deal the final shot. His Worship consequently dismissed the charge.

## UXBRIDGE TOWNSHIP

Uxbridge Township Council met on Saturday with all the members present, and Reeve Davies presiding. The Ontario treasury Dept. sent a statement showing a debit of \$267.86, due from the Township of Uxbridge, to the Town of Uxbridge, that had accumulated since the year 1921 due to an error in the Dominion Census as to the relative populations at that time. It was handed to the Solicitor for report.

The By-Law re approaches from the Highways to private properties was laid over to next meeting, for some minor changes and additions.

G. M. Brown, complained of a bad hole in road at west end of sideline on Con. 1, stating same required a culvert.

As there had been a statement received from the Globe Indemnity Co. that there had been misrepresentations made by Mr. Plaxton-Hueston & Co. concerning the policy taken out by the council from said Co. covering the accidents on our Highways, Mr. Ormiston of Uxbridge was present to look into the matter. A lively discussion ensued concerning the same.

Later in the afternoon Messrs Plaxton and Hueston both came before the Council, wanting to know the extent of the misrepresentations and what they were, and the origin of same, expressing the belief that the same had come from their opponents. The misrepresentation claimed to be made was in connection with gravel pits.

Mr. Plaxton stated that their coverage was identical with that provided by the tariff companies, and did not cover any Township employes working in pits, but did cover accidents to any other person, or animals belonging to the public.

As there had been two accidents reported to them by the Clerk some little time ago, Mr. Plaxton stated that they were looking after them, had settled one, and was protecting the Township in the other case, and that the council might feel assured of their protection in the future.

Todd—Pickard—That our Road Insurance Policy taken out with Plaxton Hueston & Co., covering the accidents on our Highways during the year 1930 be retained, and that our Clerk forward a copy of this resolution to the Company.

Todd—Pickard—that our Clerk be instructed to return to Wellington Smithley, the former treasurer, his bonds as treasurer. Carried.

Council decided to commence their inspection tour of the roads in the Township on April, 22nd.

The following road accounts were passed for payment:

I. Siner, work, \$7.25; J. Jones, work \$29.75; B. McGuckin, labor, \$11.50; R. Clark, labor, \$21.75; Clifford Lee \$4.50; I. I. Co, two graders and repairs \$417.72; C. Watson, axle grease 50c; F. Redshaw, shov. snow, \$3; Council adjourned to meet on Friday, May 23rd., for general business, and at 2 p.m. as a Court of Revision of the Assessment Roll.

## TAILORING SHOP BURGLARIZED—CLOTH RECOVERED

Toronto Men Arrested on The Charge—Caught With Goods on Them—Remanded Eight Days

Not since the big bank robbery here over seven years ago has Stouffville been thrilled with such an incident until last Saturday morning when a similar robbery on a less pretentious scale, was pulled off. Sometime during Friday night, presumably between two and three o'clock, thieves entered John Monkhouse's tailoring shop and made off with nearly 100 bolts of cloth, mostly spring goods and for the Easter trade, valued at \$1500 or \$2000. Entrance to the store was gained by jimmying the front door, and the goods were loaded into a big sedan car, which made an easy escape, although a few hours later both the car and two of the thieves were in control of the police.

In the police court in Toronto on Monday Saul Flader and Thomas Garlock of Toronto, answered to a charge of shop breaking and were remanded by Magistrate Keith for eight days. It is believed by the police that they are connected with other robberies in Sutton and adjacent towns. One member of the gang is still at large.

The thieves were piling the cloth into their car when they were disturbed by the Chinaman who runs a laundry next door, and sleeps upstairs. This prevented them from taking still more of the goods. There were three men in the gang when the car was also noticed by Miss Marjorie Peacock who was returning at the time from a party. Her suspicions were allayed by the men getting out the car and making a pretence at fixing a tire until she had passed out of view. Heading for Toronto the thieves were next seen by Fred Nicely on the townline west of Ringwood, who trailed them and summoned the Glendening boys to assist him, believing the robbers to be chicken thieves. They lost track of their quarry when they travelled west on the townline, however. The big car got stuck in a bog hole just west of the elder mill at the corner of the 5th concession, and because of this the thieves hid the cloth in an old house nearby, then secured the help of Isadore Wideman who lives at this point, to pull them out of the mud.

When the car returned to the same place the next afternoon (Saturday) Wideman recognized it and became suspicious. He saw the two men enter the house and carry out three bags from the vacant house, which belonged to Dennis White, a neighbor. He telephoned Mr. White, and the car sped away as the latter approached. White and Wideman, searching the house found the cloth and notified the police.

The house has been closely watched since but the gangsters never returned after this trip.

The arrest of Flader and Garlock in a lane off Beattie street in Toronto was due to a garageman in the west end of Toronto sending for the police complaining that a rented car had not been returned. While the detectives were securing a description of the car it unexpectedly passed by, and was promptly chased. When recovered several bolts of John Monkhouse's cloth was found, and the men were arrested at the point of a gun. This was late Saturday afternoon, thus but a few hours after the cloth was stolen, it was recovered and two suspects landed in jail.

All day Saturday and in the evening provincial and county police were running about town, and excitement ran high, with the police working on one trail, while handing out misleading stories to the people presumably to keep them off the real track.

## COLLECTOR STECKLEY IS RE-APPOINTED

Whitchurch Council to Purchase Two New Graders—Changes in Pathmasters

The April meeting of Whitchurch Township Council held last Saturday provided a full day of work for the legislators, although the number of bills received were not so great as appear at many meetings. Quite a number of farmers came before council asking for help or direction in the matter of road work.

Secretary Kirkland and others appeared on behalf of the Aurora Fair, asking for a grant, the request being favorably looked on to the amount of \$25, similar to that granted last year. The Board assured the members that there were many prize winners in Whitchurch, and that the fair was a benefit to the township.

Morars, Dike, Robinson, Smith and Hoyle, asked that R. Pinder be removed from the position of pathmaster on con. 2, division 4, he not being a resident of the division, and therefore out of touch with the condition of the road. Council stated they were anxious to appoint suitable men acceptable to the division. The deputations made it plain that they had nothing against Mr. Pinder personally, and as changes were required, all were embodied in one motion making the following changes in the pathmaster: Parker Smith in lieu of R. Pinder, Beni Grose in lieu of Warren Graves, and Fred Morton in Place of David Stouffer.

On motion of Deputy-Reeve Williams and councillor Ratcliff the clerk was instructed to purchase two road graders costing around \$140 each. The motion carried after considerable investigation into the number of graders now used in the township, numbering about 13. Additional blades will also be ordered, and it is hoped to arrange to have specific places for these graders to be stored so that they may be equally divided between the various road beats.

The auditors' report was received and filed, as presented by J. A. Vannostrand and E. S. Barkey. Total receipts for 1929 amounted to \$35,759.89. The chief items making up this amount are: taxes collected in 1929 \$618.36 and back taxes from 1928 of \$8,699, provincial road grant \$7,768, legislative school grants \$4,191, and sundry small items making up the balance of receipts.

Frank Steckley was the only person named considered for the position of tax collector for 1930, and he was re-appointed at the old salary of \$320 and an allowance of \$20 for postage.

The next council meeting was set for May 17th, after which adjournment was made, on passing the following accounts:

Road Accounts Passed	
H. A. Smith, snow	\$ 9 18
Wm. Beach, snow	22 55
Wm. Simpson, snow	2 80
E. N. Pinder,	12 14
Otto Trummer,	16 50
J. H. Widdifield, snow	7 80
Jno. Empringham, snow	29 85
Ed. Murphy, gravel	176 50
W. L. Sproxtion, maint.	21 02
R. Pinder, snow	7 75
C. Preston, snow	2 00
Austin Yake, blasting	32 18
Geo. Drury, snow	10 58
Other Accounts Passed	
W. Crawford, postage etc.	21 60
T. Monkman, supplies	4 00
J.O. Little, coal Thompson	4 40
J. Vannostrand, auditor	12 00
E. S. Barkey, auditor	12 00

#### BIRTHS

Davis—At Altona, on Tuesday, April 15th, 1930, to Mr. and Mrs. Willis H. Davis, a daughter.

Vaughan—To Mr. and Mrs. Wallace Vaughan, lot 10, con. 8, Whitchurch, Bloomington, on April 12, 1930, a daughter.

## PERSONAL NOTES

Dr. D. C. Smith spent the week end in Woodville

Mr. Gordon Ramsey of Detroit visited with his aunts Mrs. T. Smales and Mrs. E. Tarr on Friday. Gordon A. Quantz of the C.P.R. has been seriously ill with an attack of flu, and is now home with his parents recuperating.

Mr. E. R. Williams of Shawinigan Falls, Quebec, was in town last week visiting his sister Mrs. (Rev.) E. C. MacLeod.

Mr. Fred Dewey accompanied by his mother was in town on Monday morning from Toronto. They are former residents from south of Markham.

In honor of her approaching marriage to Dr. Brown the members and officers of the Markham Rebecca Lodge met in that town last week, and tendered a miscellaneous shower to Miss Ella Warriner, a highly valued member of the order.

While the side roads are generally good, and dust flying like it does in July, there are various soft spots which makes motoring impossible in some directions. With the generally fine weather, these spring or bog holes will soon dry out.

A quiet wedding took place at the Christian parsonage, Stouffville, last Thursday, where Edith Viola Wagg, daughter of Mr. and Mrs. Alexander Wagg, became the wife of Morley Miller, son of Mr. and Mrs. Albert E. Miller, all of Uxbridge Tp. It is the wish of their many friends that their life together may be long, happy and prosperous.

Miss Grace Richardson, daughter of Dr. and Mrs. Gilbert Richardson, Kingston Road, is one of the 15 women members of the graduating class in the Faculty of Medicine at Toronto University this year. There are 108 in the class all together. Miss Richardson is quite well known in Stouffville where she was a frequent visitor a few years ago at the home of her grandparents Mr. and Mrs. Wilnot Brown, when they resided on Church street.

## PICKERING COUNCIL

The above council met pursuant to adjournment on Monday, the 7th inst. Members all present.

L. F. Richardson was heard re transferring certain lands from S.S. No. 1 to Chilton No. 1 Pickering and Whitby. Several other ratepayers were heard re the same.

Mr. Neilans and Mr. Hutchison were heard re creating a new school section west of Pickering village. Several communications were read concerning roads, insurance, dog tax wire fences, etc.

The School Board of S.S. No. 6 were heard re transferring certain lands from S.S. Nos. 7 and 8 to No. 6. Councillor Mowbray was heard re constable duties, salary, etc.

The committee on Contingencies reported and recommended payments as follows: W.H. Chester, salary as constable to end of 1929 \$175; D.R. Beaton, on acct of salary \$125; J. Murkar, pig Auditors' Report, etc. \$102.

The standing committee on Relief recommended payment as follows: S. G. Morrish, supplies to Kennedy family \$21.43, grant to be discontinued as at May 1st next.

The standing committee on Transportation, Power and Light reported and recommended the following payment: Hydro-Electric Com., Greenwood lights for Jan. and Feb. \$30.33.

The standing committee on Damages for Sheep Worried by Dogs reported and recommended payments as follows: Chas. Puckrin, reward for destroying dog caught worrying sheep \$5. Boyd Burk, inspecting J. Millers sheep \$1.70.

The usual borrowing by-law was introduced by Councillor Reesor and finally passed.

A long list of accounts were passed for road and bridge and winter road work.

The council adjourned to meet again on Monday, April 21st, in special session to consider school problems, and on Monday, May 5th, for general business.

## ALTONA

Mrs. N. Bunker called on Miss T. Stover on Sunday.

Miss Evelyn Reesor spent the week end at home.

Mr. and Mrs. J. Hill of Toronto, spent Sunday at Jos. Hill's.

Mr. and Mrs. Murray Dunkeld visited F. Wagg's on Sunday.

Bert and Stanley Clarkson spent Saturday at Wm. Clarkson's.

Mr. and Mrs. H. Slack called on O. M. Madill's on Friday evening.

Misses Olive and Hilda Madill spent Sunday with Miss Evelyn Armstrong.

Mr. and Mrs. Floyd McKay called on Wm. Duncan's at Green River on Monday.

Mrs. Price Fugh spent a few days with her parents Mr. and Mrs. W. J. Monkhouse.

A. Wideman and Miss Peacock and gentleman friend visited at George Carter's on Sunday.

## COUNCIL MOVING WHILE OFFER IS OPEN TO GET HELP

Municipal Fathers take Steps to Secure County's Aid in Building High Class Road

The action of Stouffville Municipal Council last week in taking steps to bring on the engineers to survey our Main Street for a storm sewer, is a commendable one for a town, one with a concrete base and either a cement or tarvia top, which would not require repairing for many years, nor would such tarvia top require oiling.

During the summer season The Tribune intends to have a series of articles published, one each week, explaining the various standard roads, how they are constructed, and the one most advisable to be laid here.

That the council must be prompt in reaching an agreement with the County of York in this manner is imperative to the taxpayers. There is a grave possibility that the Stouffville road from Uxbridge town to Stouffville and connecting with the government road at Markham or Unionville, may shortly be taken over by the Ontario Government, in which case the splendid offer now held out to us by the county road commission, would be withdrawn.

That offer is that the Commission will pay outright for twenty feet of any class of roadway we may decide to construct here, if the village will pay for all additional width over twenty, and construct curbs and gutters.

In the event of the Ontario Government taking over this roadway, the village of Stouffville would be called on to pay for the entire cost of any new road built, for the government does not pay one cent towards any road in their system that is constructed within a town or village. They pay the entire cost of such roads through the more rural sections or townships.

Another consideration is that with a government road from the Lindsay highway at a point just east of Uxbridge, the traffic through Stouffville would be increased 75% or more, and to know that the local ratepayers must maintain a local road for such heavy traffic would be expensive, and is all the more reason that we should lose no time in getting down a high-class road twenty feet of which the county now offers to construct.

A cordial welcome
