COUNCIL CALL PUBLIC MEETING

The meeting of the municipal friends were entertained in Toronto council on Monday evening passed 2 off almost featureless while the 'Mrs. M. Moore and daughter and amount of business to transact was Miss Francis Sanders, all of Toronto, not onerous. Walter Brillinger, on behalf of Brillinger Bros. complained about the damage caused by dmins emptying onto their farm lands. Council promised to look into

the complaint. Some discussion took place when a small bill for less than \$3 was presented for payment by J. Boadway. The amount of it didn't bother the legislators, but the fact that the 10 a.m.-Sunday School. goods were got back in 1926 rather startled them. The late J. Urquhart was clerk at that time, and council 7 p.m .- The Eternal Quest. held account for further enquiry.

Councillor Ward introduced the matter of tin can day, which was set for Friday, May 16th, He also enquired if members had received 10 a.m.-Bible School. any complaints against condition of 11 a.m.—Subject "The Christianthe back yards on Church street, just off Main street. Some members pointed out there was no law to enforce 7 p.m .- Subject, "At What Age tideness and so long as yards did not become unsanitary the Board of Prayer Meetings: Wednesday 8 p.m. Health or council had no jurisdic-

are paying for lawn watering while others get the privilege without paying. Even though it costs only 50c for lawn water? it is not fair to STOUFFVILLE AND CHURCH HILL place this charge on some while others do not pay it.

The reeve asked for a public meeting for Friday evening to discuss Engineers will be present to give facts and all information and the York Road Commission have expressed their willingness to build a cement roadway throught the town, they to bear the whole cost of the centre 20 feet, and the village all width over this. The meeting was set for

The assessor's roll was received and information concerning it will appear in our next issue.

'All members were present wit Reeve Sanders presiding.

The weather so far this week has MEETING has located in our section. Welcome the great topic of discussion.

> An agitation has long been going for a new high school building in Markham village and the Economist says the opposition is practically faded away. Surely Stouffville will have her first high school before Markham has her second one?

The claim of Frank Mowder for damages amounting to \$17 has been refused by the insurance company protecting the corporation of Stouffville against damage to persons using our streets. Mr. Mowder ran into a pile of dirt where town men had been digging, and damaged his car to the extent of the claim.
