MINERAL SALTS GIVE HER TIRED HUSBY NEW PEP

"My husband took 2 bottles of
Vinol. Now he has good appetite
and more strength, pep and vigor
than he ever had."—Mrs. Ralph
Starkey.
Doctors have long known the
value of mineral elements iron,
calcium with cod liver peptone, as
contained in Vinol. Nervous, easily
tired people are surprised how
Vinol gives new strength, sound
sleep and a BIG appetite. Gives you
more PEP to enjoy life. Vinol
tastes delicious. J. M. Storey

ALTONA YOUTH TAKES HIS LIFE

Second Hanging this Year in
Altona District—Both are
Without Apparent
Motive

For the second time this year a
shocking death by hanging has
occurred in the Altona district on
adjoining farms. On Sunday after-
noon Sam Rainford, aged 17 years,
was found dangling from the trip
pole in the barn on the farm of
Floyd McKay, his employer. Life was
extinct when the body was found at
seven o'clock in the evening, and
death may have been instantaneous,
as he dropped 17 feet off a beam.
A similar thing took place three
months ago on the farm of Samuel
Fretz, when a young man from
Holland took his life and no explana-
tion could be offered for either
of the rash acts.
Young Rainford came to Canada
nine months ago, and had lived ever
since with Mr. and Mrs. McKay
where he appeared to be very happy.
On Friday evening he played base-
ball at the corners, and on Saturday
assisted in planting turnips, one acre
of which had been specially given
into his care, and for his own use.
At 5.30 in the evening of Sun-
day he was seen by Mrs. McKay as
he left the house to do the chores.
He attended the Altona Sunday
school but did not go that day, dis-
claiming any desire to do so. Mr. and
Mrs. McKay and the neighbors are
all at a loss to understand why the
lad should take his life in this
manner.
Rainford is survived by his parents
in England, and by two brothers.

EXPROPRIATED

There is good news for the motor-
ist who uses the Stouffville to Ex-
bridge road to any extent, in the
announcement that the "S" shaped
turn at Lincolnville is to be done
away with. Expropriation proceed-
ings have been undertaken to secure
a right of way to the north of Mrs.
Hamill's house on the corner, that
will carry the traffic directly off the
tenth to a straight right turn onto
the road running east to Goodwood.
This has long been recognized as a
bad turn, and the purchase of a
right of way that will enable the
cork-screw turn to be eliminated
will be appreciated.
Reeve Owen Davies of Uxbridge
Township intimated to the Tribune
a few days ago that the matter of
making the Uxbridge road a provincial
highway will be further advanced
this coming summer when Onta-
rio County Council gets into session,
and takes a hand in the issue. Reeve
Davies is one of the father's of the
movement, with the object in view
of securing a provincial highway for
the Township of Uxbridge, some-
thing that will be a great benefit to
the municipality.

ily of Toronto, visited at the home
of Mrs. Agnes Mustard of Harold
Avenue over the week end.
J. H. Davis will offer his entire
household furniture for sale by auc-
tion on Thursday, June 5th, as he is

in the Stouffville Arena. F. W. Sil-
versides, auctioneer.
Any of our customers who are in
need of ice service this summer, may
secure their requirements from us.
Clayt. Baker, Maple Leaf Dairy. Ph.
165.

Mr. and Mrs. J. H. Davis are leav-
ing shortly for Cannington to be with
their son Dawson who is in the tin-
smithing trade there. The Davises
had been long time residents at
Bloomington until they located in
Stouffville a few years ago, and their
friends will regret to see them leave.

The regular meeting of the Horti-
cultural Society will be held in the
Municipal Hall on Thursday, May
29th. Arrangements will be made
for a trip to Toronto to visit the
gardens of Mr. Hamilton Wills. All
members and friends will be wel-
come. Hand your name to Miss Al.
Niervens.

The 24th was profitably spent by
the two sons and son-in-law of Mr.
A. S. Collins, namely Addie and
Austin Jerman and Wm. McCowan,
when they came out from Toronto
armed with paint brushes, and gave
the once-over to their mother's house
in the east end. The property was
recently remodelled, and is tenanted
by Mrs. Reesor.

A regrettable accident happened in
the home of Mr. Henry Hoover whose
farm is located between the 6th and
7th concessions of Markham, just
south of the townline. On Tuesday
evening when the housekeeper, Mary
Baker, was engaged in lighting a
lamp the match somehow gave fire
to her clothing, and she was badly
burned about the neck and arms be-
fore help came to extinguish the
blaze. One ear was severely burned
also. The unfortunate girl suffered
terrible pain and shock, but is hold-
ing up well under the strain.

A real estate transaction took
place on Tuesday when Mr. Robt.
McKinnon disposed of his 16 1/2 acre
property on the 10th concession of
Whitchurch, adjoining the C.N.R.
tracks, to Mrs. Foster of Markham.
The sale price being \$4,500. The new
owner with her son and daughter
intend to work the property as in the
past for vegetable land, and at the
same time develop a summer board-
ing house business. It is expected
that Mr. and Mrs. McKinnon will
move into Stouffville. This property
was placed in the hands of George
Baker, real estate agent one week
ago. Mr. McKinnon informs us, and
a clean sale was made in the very
short interval, showing that our Geo.
is a live agent.

UXBRIDGE TWP. HOLDS ITS OWN

Against Lure of City Life—
Assessment Facts

On Saturday, last Assessor John
Ashenhurst of Goodwood defended
his assessment roll for the 12th
consecutive year at the municipal
council which sat at Goodwood as a
Court of Revision. Indeed, it didn't
require much defence as only minor
appeals were heard, and none of
them were allowed.
The total assessment for Uxbridge
Township amounts to \$1,065,999.95,
which when the exemptions are de-
ducted leaves a rateable assessment
of \$1,018,949.98. To show that the
assessor isn't boosting things on his
own hook or that the Township isn't
growing very fast, we quote the rate-
able assessment for the year 1928 as
given in the Government Municipal
Statistics as \$1,018,342. This indi-
cates an increase of only \$607 in
two years.
The population of the township
stands at also, for in 1928 it was
2118, and in 1930 it is 2,130, an in-
crease of 12 persons in two years. Of
course a township that is not de-
creasing these days when so many
people are bent on moving into the
big centres, is satisfactory.
There are six cemeteries in
Uxbridge, ten churches, and eleven
schools, all getting exemption
according to law, also the govern-
ment rifle ranges south of Uxbridge
town. Then there is the big acreage
owned by the county of Ontario and
given over to reforestation purposes
which is also exempt from all taxa-
tion excepting school purposes. This
property is located on the 7th con-
cession, and totals 976 acres.
The two oldest persons in the
municipality are Thos. Bell of Pine
Grove who is 88, and Robt.
Ashenhurst of Goodwood, father of
the assessor who is 87 years.

12 YEARS IN OFFICE

After twelve years of faithful ser-
vice Mrs. E. J. Davey has given up
the secretaryship of the Stouffville
Women's Institute. The annual elec-
tion of officers was held last week at
Porter's, when the change was made.
Mrs. Davey is also secretary of the
East York Association. There was a
good attendance for the annual gen-
eral meeting. The financial report for
the year showed cash receipts raised
amounting to \$408.60 while \$292.89
was in the bank to start the year.
1929 with. Expenditures amounted
to \$438, leaving a bank balance of
\$29.

The election of officers resulted as
follows:
Hon. Pres.—Mrs. W. Hill.
Pres.—Mrs. Hugh Boyd.
1st Vice—Mrs. F. C. Rowbotham.
2nd Vice—Mrs. J. R. Hodgins.

VANDORF GETS THE PLOWING MATCH

North York Event Will be Held
on the Richardson Farm

The North York Plowing Associa-
tion will hold their annual match
this year on the farm of Mr. Wm. D.
Richardson, a half mile north of
Vandorf in Whitechurch Township on
Thursday, October 23rd. In carrying
the match into the Aurora district it
is hoped that the business interests
of that town will lend their financial
support which is necessary, as the
prize list is always raised by volun-
tary contribution.
About thirty interested farmers
were present at the Township Hall
for this meeting which was presided
over by the President, Ralph Baker
of Lemonville. Councillor Ross Rat-
cliff was asked to act as secretary in
the absence of A. V. Nolan who has
been acting in this capacity for
several years. The Vandorf Women's
Institute will likely have charge of
the eating facilities for the occasion
this year, and the farm being so con-
venient to the hall, meals may be
served there.
The Richardson farm is one of the
finest in Whitechurch, and possesses
the proper kind of land for such an
event as this.
While a small directorate was
named at the annual meeting in
January, it was completed at this
meeting when the following were
added: Herbert Wells, R. Pinder,
G. W. Williams, Percy Pattenden,
George Millard, Earl Toole, J. R.
Campbell, Win Timbers, Harvey
Clendenning, Jesse Cook, Fred Timbers,
R. E. Ratcliff, and Herb Smith.
The next meeting will be held at
Vandorf at the call of the president.

PITCHED THROUGH THE CAR ROOF

Peter Byer, aged Citizen sus-
tains Injuries When Car
Pitches over Bad
Culvert

Few people drive on the townline
west of Ringwood who are not aware
of the bad culvert just west of the
Circle Circle, and everyone wonders
why the dump is never taken off.
Last week it caused a serious acci-
dent to one of our esteemed citizens
in the person of Mr. Peter Byer of
the 10th concession. He was riding
in the back seat of Gordon Cober's
car with Mr. Cober at the wheel.
When they struck the culvert, Mr.
Byer was thrown through the top of
the car, causing serious head
wounds and injury to his back.
Medical aid was quickly secured
and Mr. Byer is now recovering nice-
ly. There is quite a distinct dent in
the skull over the left eye, and it
was feared this was a fracture at one
time. Mr. Byer is in his 80th year,
and until this accident, was as alert
as a man of 70. Something should
be done to take the abrupt raise
off this culvert, and so avert any
further trouble.
