

LOCAL HAPPENINGS

There will be no summer holidays for the politicians this year.

The Willing Helpers class of the Presbyterian church met on Monday evening at the home of Elmer Ferguson, south of town. Quite a number were in attendance.

A meeting of the baseball enthusiasts will be held in the municipal hall on Friday evening this week, following practice at the park. Players and others are invited to be present. Turn out and assist the boys to organize.

Alvin Farmer, of Gormley auctioneer who had such a narrow escape with poisoning from an appendicitis, was in town on Friday last for the first since his operation. He is recovering favorably, and is completely out of danger from this trouble.

GROCERIES

- Jelly Powders 4 pkgs 24c
- Cookies, chocolate crisp and buttery 23c
- Muffets 2 pkgs 35c
- Quick Quaker, china 35c
- Lye 2 tins 25c
- Sunwheat biscuits per pkg. 23c
- Sanitary wax paper 3 rolls 10c

A. W. SCOTT

Fall wheat is heading out. Long grass and weeds are beginning to look unsightly along the streets.

The new awnings along Main st. add a great deal to the general attractiveness of the business section.

Frank Steckley has opened a gravel pit at lot 9, in con G, Whitchurch; and has built a road into it for truck service.

You can have the Tribune sent to any address in Canada from now to Dec. 31, 1930 for only \$1.00. It's better than a letter every week to distant friends.

See that your summer guests are mentioned in The Tribune, or if you take a holiday let us know, we want all the news which goes to make a live paper

Crop conditions in this locality are most promising. The grains are looking well, also early potatoes and vegetables. Turnips were planted last week, while a large acreage of cabbage and cauliflower is going in.

On Friday, June 20th, the opening dance of the season will be held at Connor's Pavilion, Lake Musselman. Be on hand for the opening, also note Tuesday and Friday nights will be dance nights. Good 5 piece orchestra.

Notice—Public Library closing for holidays Saturday night June 21st. Opening Monday, July 1th.

Preparations are under way at the arena for the big revival which opens on July 10th.

Furnished apartment with all conveniences to let for July and August, at The Brier Bush. Mrs. Ward.

The Liberal Committee rooms will be open in the Lloyd Block shortly, where party workers in the interests of Mr. W. F. Mulock will make their campaign headquarters, until election day, July 28th.

The domestic water system is being extended into the local Presbyterian church this week. The convenience will undoubtedly be appreciated, especially when events of a social nature are being held in the church.

The Stayner Mennonite Camp will be held from June 26th to July 7th. Arrangements are being made with the Toronto Transportation Commission for a chartered bus on the last Sunday in camp, to take the Stouffville people across country to the scene of the services. The distance is 80 miles.

Beatrice the little 5-year-old daughter of Mrs. Nicholson who lives in the double house opposite the Presbyterian church was rushed to the hospital last week suffering from an appendicitis. The operation revealed the appendix to be filled with pin worms, and sufficiently irritated to justify the removal at once.

On Monday Mr. Wm. Simpson had the first picking of strawberries of the season from his fine gardens on Edward street. Mr. Alf. Collins with a large new patch this year of choice variety fruits is also beginning to market the crop. People who delight in viewing well planned and cared for gardens will find them on the Collins estate.

Arthur Clarkson is completing the erection of a fine new barn on his property at the corner of Main and Montreal streets. As an evidence of this citizen's industrious nature we point out that he did all his own carpenter work from the ground up, but never lost an hour from his regular employment at the Muston Green Houses.

The Union School Picnic will be held this year at Lake Musselman on Saturday June 25th. It is only necessary to mention the date and to say that the usual big list of sports are being arranged, to ensure a large crowd. Of course, we expect, the weather man to do his part right this year.

During the illness of Rev. A. McLellan of the Claremont United Church, the pulpit was supplied by Councillor A. J. Ward of Stouffville. The Pickering News editor last week informed his readers that Rev. H. S. Warren of Stouffville had supplied the pulpit. We do not understand why the mistake was made, as the one similarity between these preachers is that their names both start with "W".

Messrs. Wm. Mather and E. M. Still of Stouffville were in Toronto most of last week assisting in the Shriners convention. Their cone shaped hats offered little protection to their noses in the hot sun, and thus this member bore a great deal of the brunt of the warm time. Even though these Shriners emblazon a desert country, they are not altogether accustomed to the desert sun.

An almost life-long resident of this locality, Mrs. Maeklem Cook of Lemonville was the object of many congratulations on Saturday last, when she attained her 83rd birthday in good health. Mrs. Cook enjoys life in many ways, and is unusually alert and keen for her years. She is the eldest child of a large family of early pioneer settlers, all of whom have passed away excepting two brothers, Harry Sanders of Allandale and Thos. Sanders of California.

Hear the Orpheus quartette, one of Canada's best, at the O.E.S. garden party on June 27th.

Tenders are being called for painting the local post office, as well as making some needed repairs to the building. The roof leaks, and has given more or less trouble since being built four years ago.

The bowling greens and tennis courts are the outside attractions of the park these evenings. Indoor bowling has its supporters too at the amusement centre under the picture theatre.

A calf arrived at Smith Falls last week without a tail. If this kind of thing becomes common oxtail soup will soon become sky high in price, and it doesn't prove any "free lunch" at the present level.

In order to conform with action taken by the banks in adjacent towns and to establish uniform hours to the public throughout the district the banks in Stouffville wish to announce that commencing Monday, June 16th, 1930 banking hours changed as follows; 9:30 a.m. to 3:00 p.m. except Saturday when the hours will be from 9:30 a.m. to 12:00 o'clock noon.

The death took place in Toronto last week of Simeon B. Reesor, aged 78 years. He was a farmer in Markham township during his younger days, but had lived on Browning Avenue, Toronto, for some years with an aged sister. The late Mrs. Darius Clendening of Stouffville was also a sister to the deceased, while Mrs. Ernest Ratcliff west of town, is a niece. The late Mr. Reesor was highly respected and enjoyed a large number of close friends throughout the district.

A new metal culvert, twelve feet in length has just been installed on the road at the corner of the townline and 5th concession, of Whitchurch. The old wooden structure at this point was in bad condition, and so narrow as to make the spot dangerous for motorists. The new culvert with the greatly added width will be appreciated. It was installed by the Whitchurch council, and the road was closed for two days, Thursday and Friday while the work was going on. New railings will be added later.

Mr. Walter Dixon, the genial east end farmer, met with an unfortunate loss last week when one of his valuable horses had to be shot to end its suffering. While engaged in harrowing one animal struck its head on the clothes line, causing it to rear up, and step on the harrows. In the mix-up the one horse was thrown over onto the upturned harrows, and suffered a severe gash on the inside of the flank. This had a chance to heal sufficiently until a couple of night's later when it got loose in the stall and further enlarged the wound. Mr. Dixon seeing its condition in the morning ordered it shot.

An addition is being erected at the rear of the Canadian Bank of Commerce which will provide a stenographer's room, and new vault space and thus give over the floor space in the present building now used for this purpose for general use. The premises have been crowded for a long time, but when this improvement is completed the added floor space in the main office will greatly facilitate the work of the staff. The addition which is being made fire proof is in charge of a contractor from Toronto, Mr. H. W. Baldwin, but he is employing local labor on the job. When this work is completed the local branch of this bank may boast of one of the finest country offices in Ontario.

The well known Asa Millard farm at Altona belonging to Mrs. Wm. Reesor, has been sold to Mr. Dudley White who lives south of Altona. This is a very desirable farm with fine buildings and an ideal home. For 20 years the property has been tenanted by Mr. D. Crosier who will take off this year's crop, when he will move into Altona in a house now being reconstructed for him with modern plumbing, etc. The sale price of the Millard farm is reported at \$10,000. The property has a historic setting. The Millard's came to Uxbridge Township from Newmarket about 95 years ago. Timothy Millard bought the 200 acres known as lot 3, concession 2. These farms were first granted from the crown in 1805, the crown deed had the seal of George 3rd attached which is still the possession of Mrs. Reesor.

Stouffville band has been engaged to play at the O.E.S. garden party on the evening of June 27th, on the lawn of James Muston.

Frank Kribbs a well known town character, and familiar to all for so long, reached his 61st birthday on Saturday last. One thing that never bothers Frank is his age, and that's one of the secrets for all of us to remember if we would keep young in heart.

After all that talk about no Shriners coming to Stouffville, a complaint voiced in many Toronto homes as well, the biggest rubber-neck of a fellow you ever saw landed from the air on the farm of John Norris at Brodie's Corners on the townline.

Several items find their way to the waste basket every week because the senders do not acquaint the editor with his or her name as a voucher for the correctness of news supplied. Also last week an advertisement from Claremont respecting the cemetery was omitted for lack of the signature of the sender. — Editor.

Several cases of diphtheria have been detected in town since last winter, and two or three just recently. One boy was found to be a carrier, although scarcely ill enough to have a doctor.

Forty-five young people belonging to the local Mennonite Church journeyed on Wednesday evening of last week, and presented a program in the church there. Their efforts were rewarded by many expressions of appreciation on the part of the Zephyr people. Short essays were given, followed by a testimonial peroid and bright song service.

The local Oddfellows Lodge will hold their annual church parade next Sunday afternoon, with service in the Christian Church at 3 o'clock, followed by the parade to the cemetery where graves of their deceased brethren will be decorated. The sermon at the church will be preached by Mr. F. E. Hyde. In addition to visiting brethren from outside lodges, the town people in general are invited to attend.

On Friday our former resident, Mr. Isaac Hunt, who resided on the 9th concession near Lake Musselman some 35 years ago, motored over from Tottenham to spend the day with his brother-in-law Elias Lageer Church street. Although in advancing years, Mr. Hunt is in good health save for rheumatism. His life partner passed away two years ago it will be remembered. Mr. Hunt was accompanied on his trip here by his daughter and son-in-law with their daughter, and Mrs. Ellen and daughter.

On the first Sunday in July all ministers who have made changes in the United Church will take their new pulpits on that date. Rev. Thos. Laidlaw of Owen Sound comes to Stouffville, while Rev. A. MacNeill, pastor at Bolton and Castleberg, comes to Melville. We understand he has rented the vacant brick residence on the farm of Mr. Robt. Ratcliff on the townline. This is fairly central for the circuit which includes with Melville church, that of Bethesda and Peaches. Rev. H. S. Warren will go to Markdale near Orangeville. Rev. Mr. Mills of Grey County presbytery who come to Lemonville; will of course occupy the parsonage at Lemonville, which will be vacated by Rev. A. Laycock, who makes a shift of over 400 miles to a point near Sault Ste. Marie. The Temperanceville charge has a change this year the new pastor being Rev. G. W. Lynd pastor for eight years at Grahamville.

A well-attended meeting of the Stouffville Women's Liberal Association was held on Tuesday evening of last week. An interesting and inspiring talk was given by Mr. A. D. Bruce, and the members were delighted with humorous readings given by Miss Lena Sanders. Officers of the Association for the following year are:—
Hon. Presidents—Mr. and Mrs. W. Mulock
President—Miss E. Sangster
1st Vice—Mrs. Mowat
2nd Vice—Mrs. Jos. Borinsky
Rec. Sec.—Miss Wahneta Taun.
Corr. Sec.—Miss Anne Lehman
Treas.—Mrs. Harmon Hoover
North York Rep.—Mrs. H. Moyer.
Miss Bruce, Miss Alma Baker.
Muskoka Rep.—Mrs. Gilbert, Mrs. Edwin Forsythe.
Ontario Rep.—Mrs. Carruthers, Mrs. Yake.
Program Committee—Mrs. Grubin, Mrs. Lee, Miss Hattie Ratcliff, Mrs. Boyd, Miss Byam.
