

LOCAL HAPPENINGS

The Tribune was glad to hear from so many correspondents last week. Keep up the good work!

Strawberries—Choice luscious fruit fresh at my garden. Samuel E. Jones, 10th concession near Stouffer street.

Mr. E. C. Fielding who lives just east of town, has purchased a fine new McCormick tractor, plow a fine cultivator from Mr. Chas. Cooper of Claremont.

Messrs R. P. Stouffer and Morley Bedford were in town on Tuesday as advance agents for the big show at exhibition park, Toronto, on July 1st, in the form of a picnic for Stouffville old boys and girls. The only thing that will bring any joy into the lives of these former young men, is for the local inhabitants to pack their baskets on Dominion Day, and go visit the Toronto crowd. Let's do it!

The annual church service and decoration of graves conducted by the local lodge of Oddfellows was held last Sunday with the brethren marching to the Christian Church. Mr. H. E. Hyde, minister, preached a very appropriate sermon dwelling on the text, "Without the spirit of God you are not of His." The church was comfortably filled for the service which was followed by the parade to the cemetery where a flower was placed on each grave of departed members of the order. The music of the band added much to the afternoon's program. Visitors were present from Mount Albert, Brougham and Markham.

HEAR THE ORPHEUS MALE QUARTETTE

At the garden party on the lawn of J. A. Muston. One of the finest musical groups to ever visit Stouffville. Refreshments on Grounds. Stouffville Band. This space donated by A. W. SCOTT

At the annual meeting of the East York Women's Institute held at Agincourt last week, Mrs. E. J. Davey of Stouffville was re-elected secretary-treasurer.

Stouffville and Whitechurch Liberals will be well represented at Newmarket tonight (Thursday) for the opening meeting of the campaign in the interests of W. P. Mulock.

New platform and railings at the entrance to the Presbyterian church add greatly to the general appearance of the building. The work was done by Messrs. Sam and William Armstrong.

Earl Grubin the local Optometrist will not be at his office on Friday afternoons or evenings after this notice, during which time he will be located at 956 Kingston Road, near Kingswood, Toronto.

Don't overlook the big garden party on Friday evening on the spacious lawns at Muston's. The famous Orpheus Male Quartette, Canada's greatest humorists, will be present. Stouffville Band. Refreshments. Admission 35 and 25 cents.

The Toronto General Trust Co. have sent out word to Mrs. Grubin that it was advisable for the estate to get behind the proposed new road scheme in Stouffville, and support the proposition. The Grubin estate will be one of the very large taxpayers affected by the frontage tax, as it comprises several store properties all coming on the 14c rate for the frontage tax.

Arrangements are progressing for the big annual gathering of the Forsyth clan which will be held in Memorial Park, Stouffville, on July 1st.

Those who wish to look their seat in the buss for Sunday, July 6th in order to attend the Stouffville Men's Club meeting, are requested to give their name to Mr. N. Baker as soon as possible.

There were ten firms tendered on the road job in Stouffville, but the name of the successful tenderer will not be made public until after the Road Commissioners meet on June 30th.

Rev. Herbert Lee, at one time pastor of the former Methodist church at Stouffville, and Mrs. Lee are shortly to retire here when they will occupy the new home they recently built on Church street north. On completing his final pastorate at Woodbridge this month an entertainment was held in their honor, when speeches, music and reminiscence were indulged in. As new citizens of this place Rev. and Mrs. Lee are welcome additions to our community.

Mr. Simeon Stouffer never grows old although he is past his 84th birthday. He has just returned from Hawk Lake, Haliburton District, where he was on a fishing trip. He pitched his own tent, but unlike the Children of Israel in the desert, our townsman found food easy to obtain for he took plentiful supply. Fishing, however was not good. Too much rain and high winds made it impossible to fish much of the time, and as a result most of the fishermen are returning armed chiefly with fish stories rather than the real beauties. Mr. Stouffer caught a few nice ones some of which he brought home.

Mr. Wm. Ratcliff will soon be known as the land king of Whitechurch and a good one he will be too for no property under his care is ever neglected. He is a progressive farmer as well as a successful business man. Mr. Ratcliff has purchased a farm from Nathan Gilbert the 95 acre farm lying immediately north of the Ratcliff farm on the 8th concession. This newly acquired property is known as the John Baker place, and formerly contained 105 acres, but Mr. Ratcliff purchased 10 acres of it some years ago. The property is equipped with good buildings, and is an ideally located farm. The sale price was \$3,500.

Myron Anderson, son of Mr. and Mrs. Hugh Anderson, is reported as making satisfactory recovery at the General Hospital, following his entry into that institution a month ago, to undergo a further operation in connection with his afflicted arm damaged in a shooting accident nearly three years ago. The boy has undergone a dozen operations since the accident in an effort to save the arm, but this last was one of the most severe. A piece of bone was extracted from his leg and grafted into the arm, and during his recovery, contracted the measles for a further setback. His condition was rather disturbing for a time, but he now is improving.

Driving through Goodwood on Sunday morning about 1.30 o'clock Messrs. C. E. Powell (High School principal) and Harry Pennock, linotype operator on the Tribune staff, believe they were the near victims of a hold-up gang. As they motored toward Stouffville almost opposite the new Goodwood park three or four cars were parked and one of them completely blocked the roadway, while five men stood in front. Instead of pulling too close, Mr. Powell swung his car around and beat it toward the four corners of the village, where he turned north on the third concession. Being followed by what they claim was the same gang, the Stouffville men sifted right along over the side roads and swamp pits until they came out at Sandford. Still being pursued they sought refuge on the farm of Peter Cain where they stayed until morning. On turning into the Cain farm, the strange cars left off the chase and sped off. Constable Pugh went over to Goodwood Sunday morning, but beyond viewing the place on the roadway where the cars had been parked, he could do nothing. The Stouffville young men had been at Jackson's Point Saturday evening, and lost their way coming home, so that they landed up in Uxbridge town about midnight.

Furnished apartment with all conveniences to let for July and August, at The Brier Bush. Mrs. Ward.

Seating capacity for 2000 people on Friday afternoon, July 4th in the Stouffville Arena, to hear Hon. Chas. Dunning, Canada's Finance Minister. Every seat should be taken to hear one of Canada's foremost citizens.

They fought and argued and called each other names, but in the end they always made up—so they could start another battle. See "The Cohens and Kellys in Atlantic City" at the Auditorium on Dominion Day & Wednesday as well. A big holiday special.

A large delegation of Women from Stouffville attended the Rural Sectional meeting of the Toronto East Presbytery of the United Church held in Uxbridge last Wednesday. Each meeting was full of inspiration and help for the Rural Auxiliaries.

On Saturday four of our citizens returned from a camping holiday at Hawk Lake in the Haliburton district. The quartette consisted of Messrs. Frank Stiver, Delbert Holden, Harvey Baker and Hugh Boyd. The fish were not biting too good as there was much rain during the week, but while this proved a drawback, it was a blessing from another angle for the rain chased away the black flies which are said to be bad enough this summer as to prove a real menace.

The annual installation ceremonies of Richardson Masonic Lodge were held on Tuesday evening when the officers for the ensuing year were installed by Rt. Wor. Bro. H. C. J'ugwell of Toronto, assisted by other visitors from Georgina Lodge. Incidentally this is the 70th year of the local lodge's history, and Dr. H. B. Free, the new master of the lodge is the 56th to hold office. Following the lodge meeting a banquet was served and a short toast list enjoyed. The officers installed are:—I.P.M.—A. V. Nolan; W.M.—Dr. H. B. Free; S.W.—Jas. Muston; J.W.—D. McSecory;—H. Billinger; Treasurer—K.R. Davis; Organist—Dr. Barker; Historian—N. MacLean; D.of C.—E. OLD BOY TELLS PICNIC ARRANGEMENTS

678 Huron St., Toronto, June, 23, 1930

Dear Mr. Nolan: Many thanks for the Tribune's prompt and generous announcement of the big picnic for July 1. We have full details now.

Residents of Stouffville and district as well as old boys and girls of our town, are cordially invited to the Annual Basket Picnic arranged for the afternoon of July 1 at Toronto by the Stouffville Old Boys and Girls Association of Toronto. Exhibition Park, picnic reservation No. 11, west of the old Government Building, is the place. The hour is 2 p.m. daylight saving time. There will be street cars to the western entrance or Dufferin Gates nearby, all day; either a sub line down Dufferin street from Queen West or a special routing of Dovercourt cars to the same entrance.

While the many details of planning are in the hands of the association, it is to be everybody's outing and get to gether and judging by the response already met with by the committees, it will be a public occasion of real enjoyment and interest for all. There will be mysterious contests of all sorts, suitable to all age and stages, fat or lean, supple or rheumatic, older or younger.

Art Harding has a few surprises up his sleeve for the sports and, with Miss Darrach and a strong committee, will look after the games. Mr. F. W. Mertens is chairman of the entertainment committee which has cooperated in making plans for the afternoon's and evening's enjoyment. In case of rain there will be ample space indoors and close to the reserved grounds. Supper will be eaten in the Transportation Building. Families will bring their own food supplies. Hot water, cups, tea, milk and sugar will be provided gratis. Faithfully yours, R. P. Stouffer
