CROCKS AND FLOWER POTS ALL SIZES

GORMLEY

One and all are invited to the garden party to be held on the lawn of Councillor Lorne Evans on the evening of July 15th, under auspices of Mt. Pisgah church. Good program and refreshments. A noted Scotch comedian has been engaged to entertain the crowd.

We congratulate George Leary for his generalship in putting through such a splendid road job between the second concession and Yonge-st. from Gormley corner. Traffic may now go straight through, and two cars can pass almost anywhere. How about getting George to build us a road between the third and fifth to Stouffville?

Whitchurch Council paid \$5 for slaying a dog belonging to one of our farmers caught destroying Collard's sheep. The award has been turned over to Mr. Collard's hired man, as he did the fine work.

SALE REGISTER

FRIDAY, July 11th—At the Stock Yards, Stouffville, credit sale of 14 cows, being Holsteins, Jerseys, Ayrshires and Durhams, also 12 young cattle, belonging to J. A. Hawtin. Sale at 1.30 sharp. F.W. Silversides, auctioneer.

DOGS RAVAGE GORMLEY SHEEP

Whitchurch Council pays for the Damage—It was Pay Day for Road Work at Council Meeting

Probably the heaviest meeting of the year for passing accounts for work and repairs to the township roads in Whitchurch was that of last Saturday when the municipal council met at Vandorf the general meeting of July. Reeve Herman Kidd presided, with those present being Deputy-revee Wes Williams, and Councillors Rae, Ratcliff and Lorne Evans.

The accounts would indicate that most of the summer work is completed for they totalled around \$8000, and were passed after careful security by the reeve and council.

Two claims for sheep killed by muton-eating dogs were presented. Mr. George Collard of Gormley was paid \$120 under this account, being \$25 for two sheep killed, \$50 for 12 injured, and \$35 for damage to flock. Mr. Collard said there were two dogs which attacked the sheep in the afternoon, his hired man shot one and wounded another, and council may collect the amount paid. Mr. Collard from the owner of the dogs which are alleged to belong to a farmer in the neighborhood. He was also paid \$5, for shooting one dog.

Stanley McCormick was paid \$10 for one sheep killed by dogs unknown.

On motion of Councillors Rae and Ratcliff the clerk and Deputy Reeve Williams were empowered by council to purchase a piece of land from J. Monaghan on corner of lot 20, the 2nd concession, which is required for road widening at this point.

S. C. Snively addressed the council on the matter of trespassing. He is pestered with campers and others from the city tramping over his grain, using his meadow for sports, and destroying the fence on his property at Wilcox Lake. He asked council to tell him how to stop the nuisance.

Reeve Kidd stated that the complaint was an old one, and existed at other lakes. He advised the owner to keep up his trespassing signs, and their take legal proceedings against offenders, through the township police.

A RICHMOND HILL MAN PASSES UNEXPECTEDLY

Alling for some time, John H. Sanderson, Richmond Hill's oldest native resident collapsed on the sidewalk just a few doors from his home last week and died before medical help could be secured. Death was due to a heart attack.

Mr. Sanderson ate dinner, then went to the bank at the corner of the street to transact some business. He was returning home and had nearly reached Centre st., when he was seen to collapse.

WILL VOTE IN AUGUST ON RADIAL PURCHASE

Municipalities between Richmond Hill and Newmarket may take a vote during the latter part of August on whether they will purchase the 1 1/2 miles of the abandoned radial railway line between these two centres from the city for \$150,000.

Announcement to this effect was made last Friday following a conference between Mayor Wemp and representatives of the Municipalities Markham, Vaughan, King, Whitchurch, Aurora and Newmarket. Meantime the Mayor and Board of Control will confer with the T.T.C. in connection with the terms and condition under which the line is to be sold if the northern municipalities decide to purchase it. The representatives wanted to know what the purchase price of \$150,000 included. There is a strong feeling in Whitchurch that the line should not be purchased, and the Whitchurch Council is not likely to support the project but of course will grant a vote on the question if the ratepayers concerned petition them for a vote.

The Personal Element in Banking Affairs

BETWEEN the curtness and coldness of printed bank forms and the human element for whose use they are designed, are vast opportunities for the banker to give valuable personal assistance. Bank of Commerce, through the members of its staff, is anxious to use any opportunity that arises to demonstrate its value in offering personal advice on financial matters. The local manager of the Commerce Bank will be glad to give intimate counsel upon money matters pertaining to your business.

STOP means STOP

The STOP signs on streets and highways are there for your protection. They protect you and all other drivers only to the extent that you obey them.

There's a STOP sign at every intersection of The King's Highway and at intersections of many other main highways and streets. Be sure you heed them. If you do not, and an accident results you are responsible.

You cannot depend on other drivers. While you may have complied with the law by coming to a full stop, you should still exercise care in entering the traffic stream of a main highway.
