The annual bowling tournament on the local greens will be held on Wednesday, July 16th.

Thos Bell of Uxbridge township was here for the big Dunning meeting last Friday. Mr. Bell is over 55 years but didn't leave the meeting until it was over. But that doesn't mean anything when he has a chance to hear a man after his own heart and country.

On July 4th the marriage took place of Miss Muriel Madill to Mr. Gary Richardson of Indianapolis, son of Mr. and Mrs. Richardson of Virginia. The bride who had been living in Detroit is a niece of Mr. and Mrs. George T. Lee of Stouffville, and made her home with them for years, she having attended our public and high schools. Her friends in town will wish her every success in her new sphere of life.

The first bills to be sent out by the water works department since the recent survey of the system went forward to the local users last week. For the most part there is no variation in the bills received, although in some instances increases are recorded. The object of the survey was to ascertain if people were using water for any other purpose than what they were paying for. In two or three instances it was found that users had installed bathroom facilities, but were paying only 50c every six months which is the charge for kitchen taps. Quite a number of people signed the survey report that they use water for lawn purposes, and these will have to pay an additional 50c every six months. This is as it should be. If some users pay for lawn privileges, all should pay for the privilege. On the whole, it is estimated that the survey will only increase the income of the water department between \$15 and \$20 per six months. However, the prime object, as stated before, is to put all on the same paying basis.

Anyone who saw the flooded fields between Stouffville and Toronto on Dominion Day will wonder how any outdoor affair could be held, but the Stouffville Old Boys and Girls Association of Toronto were able to enjoy a full programme of outdoor games on dry turf at their picnic in Exhibition Park, Toronto. Clouds and rains in the early afternoon did not prevent a hundred enthusiasts gathering, including the indomitable Blake Sanders and his party from Stouffville. The ladies divided up the bountiful baskets on nicely set tables in the old Transportation Building and the supper proved most enjoyable.

Some friends who had not seen each other in a generation were present and there was plenty of good fellowship. The two senior members of the association were missed. David Stouffer, honorary president, aged 85, had called on Thomas Shaw, honorary vice president, aged 95, the day before and they then agreed to attend, but the weather was too much.

Morley Bedford, Duncan Heise and others assisted Mr. and Mrs. A. C. Harding and Miss Kate Darrach with the sports. F. W. Mertens, past president, was useful everywhere and always, including the hour from 6 to 7. Games were in progress from 4 o'clock to 9 o'clock. The fun began with an ingenious quoits game arranged by "Red" Harding, with A. R. Hobson scoring the first ringer. A very lively (and noisy) softball game had to be interrupted several times to get bases run, but it was good to see Bob McMullen's lad, Bruce catching.

Following are the recipients of the prizes: Boys' race Bruce McMullen, Murray Hobson, Douglas Mertens. Balloon race, Mrs. Edith Eggar, Miss Nellie Grove. Plate race, Elda Heise and Clifford Mertens, Joe Silversides and Connie Colledge, Ethel Sanders, and E. R. Haynes. Matrimonial race, Mr. Steele and Mrs. J. Blake Sanders, Mr. Sanders and Mrs. Harry B. Hall, Ethel Sanders and Reg. Heise. Men's race, Andrew MacQuay, Joe Silversides, Art Wilson. Girls' race, Marguerite MacKay, Tillie Ennis, Ida Grose. Slipper race, Mrs. Wilson, Ethel Sanders, Annie Harland. Mystery race, Miss Colledge. Ladies' throwing ball, Ida Grose, Viola Harding, Marguerite Hobson.

We congratulate the Stouffville babe on bringing the handsome cup donated by Mayor Davis of Newmarket to the home town.

Just when the big crowd was in town on Saturday night one of the heaviest thunder storms of the season came along, and cut short the visiting, shopping and standing about the streets. Fortunately the storm did not damage buildings or property, although there was a vivid display of lightning.

A few baskets of new potatoes are finding their way into the stores from our own growers. Robt Stewart stated to The Tribune that he would commence to dig on Friday this week, but of course the quantity will be limited. Within a couple of weeks the early crop will be more ripe for digging.

In the death of Thos. Armstrong in Toronto, a widely known resident, has passed away. The deceased was a son of the late C. Armstrong of Stouffville, born to his first marriage in Belfast, Ireland. Thomas was 67 years of age, and came to Canada at the age of 15 years. He was employed for 30 years in the postal service at Toronto, from which position he retired only three years ago. He was a member of the Masonic order, and was a frequent visitor to Stouffville and Goodwood. One of the finest catches of bass and lunge ever brought into Stouffville was landed last week by five local fishermen from the waters of Lake Seaugo, when a string of 21 were caught by Messrs. W. J. Mather, Alf Pugh, Art Forsyth, Tim O'Neil and George Lee. The catch was the admiration of a big crowd who happened along while they were on display, and no doubt by still many more who sampled them at the table next day. The boys were trolling, and state that they seemed to land right into a bed of bass and the entire catch was made in less than an hour.

SPLENDID PLAY GREETES GOODWOOD PEOPLE

The Strawberry Festival held here at the United Church spring a rare treat in the form of the program following that very appetizing supper served by the ladies.

The Queen St. United church players presented their play "Fleekle Fortune", to a crowded house and high praise is given the cast by the Goodwood community on its presentation there.

This was a three act comedy drama. Novelty of ideas and keen interest attached to every situation. Unexpected denouement together with the sustained action of the play acclaimed Fleekle Fortune a winner. The costuming throughout was in keeping with the up-to-date and artistic finish of the entire production and the stage setting was splendid. The three acts took place in two directly contrasting scenes showing the downs and ups of possessions of millions and the faculty with which this modern family adjusted itself to new situations. The play has a strong heart actors carried out their individual

interest, with a tender love story. The parts in a very spontaneous and natural manner.

Miss Estie Pollard starred in the roll of the pampered daughter of the house. Gloria Warren whose long suffering mother, Mrs. Samuel Warren was admirably portrayed by Miss Olive Geach. The young daughter Tony, vivacious and magnetic, throughout in changing circumstances of the home retains her sunny disposition. Miss Viney Junkin enacted this role in a very winsome manner and played opposite Clifford Staples as Brant Allen the rising young lawyer. In the midst of ways tense the glad news arrives that two girls have inherited millions of money through the death of an unloved aunt. Their flight to affluence was swift but casual. Through the whims of fortune their wealth rapidly changes hands and all in the course of events Cuppers the butler whose part is splendidly taken by Jack Quibell becomes the heir and this avowal of his love for his employer Gloria. Another of her suitors is Emerson Hawley whose love is coldly spurned. The part was well acted by William Jewell. Roxana Blossom a typical old family servant and friend provided scope for the clever acting of Mrs. Howard Lamb, who made this an outstanding character in the well balanced cast. Mrs. Merry who proves to be aunt Eliza came to life-introduces a surprising climax. The difficult role was depicted with fine dramatic skill by Mrs. T. A. Tucker while Sadie Tweed the village dressmaker and Mrs. Merry's erstwhile rescuer was capably acted by Miss Florence Mitchell. The trim and pretty maids who added much to the realism of the play were Miss Vera Jewell and Miss Madeline Babcock and Jack Lamb made a most convincing butler as Stevens. A peculiarly worded will was responsible for the fickleness of the fortune which at last fell into the hands of Tony and Brant while Gloria and her devoted husband are promised a share of their own. Congratulations are due Mrs. T. A. Tucker who so ably directed this highly entertaining comedy with its touches of wit, humor and pathos. Visiting artists from Lindsay provided a delightful musical program between acts consisting of well received piano solos and duets. On behalf of the Goodwood United Sunday School and committee in charge. Rev. Harden and Mr. John Reid expressed their thanks to the actors.
