## GRAND OPENING CELEBRATION OF OUR NEW ROAD

Business Men and Council Will Mark the Event on Thursday October 9th

During the past week two live meetings of the business men of Stouffville have been held to make arrangements for a celebration that will mark the re-opening of the town's new Hundred Thousand Dollar pavement now nearing completion, and which is being built by the Warren Paving Co.

It has been decided to stage a grand night of celebrating on the evening of Thursday, October 9. The road will be formally opened by the Hon. George S. Henry, acting prime minister of Ontario, when he will lead the procession to the centre of the business section where he will cut the ribbon and make a few opening remarks. Street dancing and community singing will be on the program, also drawing for a new Ford car. Brass band music and orchestral accompaniment for the dance.

On Friday evening the business men met in the fire hall with Dr. Freel as chairman. The Association went on record as being anxious to become hosts to their customers and friends after the long summer of inconvenience when at times it was almost impossible to get into the town. Everything is to be made as free as possible and while dance tickets are on sale, which embody a chance to get a new Ford car free of cost, those who do not wish to purchase a ticket and still wish to dance will be free to do so.

Good orchestral music is being secured for the dance while Stouffville band will play on the street, and lead the procession. The Choral Society under Mr. H. M. Fletcher will render selections and lead the community singing.

A committee has been appointed to arrange for prizes for best masquerade man or woman at the dance. A prize is offered for slow bicycle race.

Mr. Delbert Holden is putting up a New Ford Tudor which will be given absolutely free to the person holding the corresponding number dance ticket that will be drawn from the tub by a child at 9.30 p.m. Only a limited number of tickets will be sold, and your chance of securing a new model closed car for 50 cents will increase the public interest in the draw.

Watch for big posters and come to Stouffville on Thursday, October 9th, and be a guest of the town for one evening.

Some merchants are offering special sale inducements for the occasion, and will give reduced prices for the remainder of that week. All stores open for business on evening of the celebration, so come prepared to combine business with pleasure.

### Reclaim Marsh Waste

Establish Market Centre by Draining 8,000 Fertile Acres.

A substantial increase in prosperity about Bradford district is looked for by Reeve D. Nolan, following a conference between representatives from West Gwillimbury Council and Hon. Hugh Stewart, Minister of Public Works at Ottawa, when a scheme to reclaim 8,000 acres of rich marsh land in West Gwillimbury, and enable 100 farmers near here to engage in market gardening, was approved.

Reeve Nolan explained the cost of draining the land was so great that it would hardly be used for growing wheat or oats and the ordinary farm crops. "It would be used mainly, I think, for growing vegetables, as the land is very fertile and conducive to market gardening," he said.

## DASTARDLY TRICK SUSPECTED

When Robt. Irwin went out to attend his milk cow this Wednesday morning he found her in great pain with one hind teat completely severed from the bag, and indications were that it had been taken off with a knife.

A veterinarian was summoned, but not much could be done except to evolve some way of taking the milk from the animal other than by the usual process which could not function after the removal of one teat.

A rubber tub is being inserted into the bag to relieve the animal of her burden of milk, but whether she will ever be of any use again as a milker only time will reveal.

The cow spent the night in the barn, and how the teat could have been severed by accident is hard for the owner to imagine. An examination of the wound indicates that a knife had been used, and if such was the case it is one of the most dastardly tricks that has happened in some time.

### GORMLEY

### GOODWOOD

Billy Hole and His Live Wires will play for the Barn Dance at Uxbridge Arena October 7th. Bring the girl.

The sympathy of their many friends is being extended to Mr. and Mrs. George Jones of the fourth concession of Uxbridge on the death of their son Stanley Otto, who passed away at the General Hospital in Toronto on September 25th following a serious illness. The unfortunate young man was only 25 years of age, and had lived in Toronto for the past four years. Prior to that he lived with his parents on the farm. He was unmarried.

The Sinclair Cup game at Claremont on Saturday was full of thrills for local football fans. Owing to the cold weather the crowd was smaller than was expected. Goodwood as you know won the game by score of one to nothing. Herb Simpson scored the winning run for the Goodwood boys in the first half when they had the best of the play. The Claremont lads showed to better advantage in the second half when the champions were forced to play one man short as a result of a penalty handed out. The next game will be played at Goodwood on October 11th at 5 o'clock.

18 year old girl requires position at housework. Hazel Allan at Clarence Barkey's. Phone 6020.

## WELL. HELMKAY DIES OF STROKE

The death of Wellington Helmkay on Saturday afternoon last while on a visit to relatives at Goodwood came as a shock to his many friends in town. Mr. Helmkay had gone to Goodwood on Wednesday previous to his death to visit his brother-in-law. He had been out car riding and otherwise was quite active, but on Friday he was seized with a stroke while sitting in a chair and was never able to speak again. The end came quietly Saturday afternoon at the noon hour.

A son of John Helmkay, a pioneer resident, Wellington was born on the farm on the 9th concession at Musselman's Lake nearly 73 years ago. He was one of nine children, and was the eldest living at the time of his death. Twenty-two years ago he married Louisa Lunau of Unionville and the couple farmed on the 9th for two years when they retired to Stouffville where they had since lived. They had no children but Mr. Helmkay is survived by his wife and two brothers and four sisters, namely: Lyman of Newmarket and Washington of Toronto, and Mrs. Alf. Hynes of Goodwood, Mrs. Sam Irwin of Island Lake, Mrs. Edw. Lewis of Glasgow and Mrs. Lunau of Unionville. The deceased was a man of quiet disposition and took no part in public affairs. He enjoyed a wide circle of friends.

The funeral on Tuesday afternoon took place from his former residence on Main street to Stouffville cemetery. Rev. T. Laidlaw had charge of the service assisted by Rev. E. Norton. The pall bearers were Messrs. A. Weldon, John Cleaver, Isaac Bowdway, Sam Hoover and Wesley Hill.

### ALTONA

Miss Lila Grove spent Sunday in Oshawa with Miss Emily Watson.

We hope that Harold Pearce who is in the General Hospital will soon be home again.

Alex Jones our Dixon Hill miller is installing a 60 horsepower Diesel oil burning engine in his chopping mill.

Mr and Mrs. E. R. Sinclair, and Mrs. B. Johnson have returned from a two week motor trip to Chicago and other U.S.A. points.

We are sorry to report the very serious illness of Mrs. W. Stouffer. Her many friends hope that she soon will be much improved in health.

## BREAD PRICES DOWN

Local Baker Announces Cut in The Staff of Life.

Bread has dropped in price! This is an announcement that will be read with keen delight by most everyone excepting the bread profiteer, and we haven't any of them in Stouffville. Mr. Ambrose Stover, the local baker, announces that he has reduced the price of bread to 9 cents for the small loaf and 18 cents for the large three pound loaf.

Flour has dropped in price and some people wonder at the price of bread remaining stationary. It should be remembered that the baker has to buy his flour in advance, and when a slight drop in flour takes place it would not warrant a drop of a cent a loaf in bread. However, the substantial reduction in wheat and flour now allows the drop in bread prices.

The cost of flour is not the greatest part of a loaf of bread. Wages and overhead expenses form the major portion. These have not gone down any since the peak of war days, and until they do the five cent loaf will not return.

The recent cut announced by Mr. Stover applies to all retail sales whether over the counter or off the wagons.

## AGED NATIVE RESIDENT GONE

Mrs. John Hoover of Pickering Dies in 81st Year—Her Father Came From Pennsylvania

After suffering from a fractured arm for over a week sustained by falling out of bed, Mrs. John Hoover, passed away at the home of her step-son, Isiah Hoover, of Mongolia, on Friday of last week. It was known for some time that she had a short time to live as she developed inward trouble months ago that could only end in her passing away. She was in her 81st year.

A descendant of Dutch Pennsylvania stock, the deceased whose maiden name was Elizabeth Lehman, spent all her long life in the locality where she died, having been born on the farm at lot 35, concession 8, Pickering, now owned by Eli Lehman. She was a daughter of the late Daniel Lehman who came from Pennsylvania. Her mother was born in Pickering however. Fifty-four years ago the deceased married John Hoover, but to their union no children were born. Mr. Hoover died ten years ago last March. They were a devoted couple, and embodied the hospitable instincts of their pioneer forefathers, hence a welcome was always found at their home. Since the time of her marriage Mrs. Hoover was a member of the old Dutch Church, and she faithfully strove to practise the teachings of that faith she adhered to.

Mrs. Hoover is survived by one brother Abram Lehman aged 83 years.

The funeral of Mrs. Hoover took place on Sunday afternoon when the remains were laid beside those of the departed husband in the Wideman cemetery on the 8th concession of Markham, Mr. L. W. Hoover conducted the service. The pall bearers were Messrs. Thos. Diller, Jacob Wideman, Wm. Rennie, Oliver Zellars, Henry Reesor, and Eli Hoover.

Communion Service at the Wideman Mennonite church on Sunday, Oct. 5th at 10.30 a.m., C. F. Dirstein officiating.

Rev. and Mrs. S. S. Shantz will give their "Missionary Demonstration" in the Dixon Hill Church on Monday evening, October 6th, at 8 o'clock, in connection with the Young Peoples' Rally.

Keep the evening of Oct. 16th, open for the entertainment to be given by the choir of St. Clair Ave United Church, Toronto, in Melville church under auspices of W. M. S. Watch for particulars later.

Most of the local merchants have agreed to contribute to the expense of next Thursday's night celebration to the extent of \$10 each. Any profits from the draw on the Ford Tudor will go to reduce this liability. Merchants should sell all the tickets they can as well as members of the Stouffville Women's Institute whom we understand will benefit by any surplus sales.

## PERSONAL NOTES
