

# LOCAL HAPPENINGS

Gardeners report a fairly ready sale for cauliflower of first-class quality.

For sale—Dominion Upright Piano in perfect condition Miss Laura Forsyth.

A team of horses was not equal to the pulling power of eight men at the Dresden fall fair, so one man is about equal to a quarter horse power.

We note by a northern exchange that a boy shot his father in mistake for a moose. Some boys are at home so little that they don't know dad any too well.

A man of 68 is accused of striking his brother, aged 71, after the two had got into bed for the night. Younger lads making a rumpus would have been attended to by someone creeping up the back stairs and grabbing a hair brush.

On Saturday Mrs. William Simpson of Edward street was able to return home from the hospital in Toronto, where she was taken three weeks ago to undergo an operation. She made particularly good progress toward recovery after the operation, thus her return home was made possible at an earlier date than her friends had hoped for.

Necessary repairs are being made at the fire hall, including a new set of doors which will permit the fire engine to come out without the danger of taking off the heads of some of the fire men on the low beam which has been raised. When completed the building will be a credit to the community instead of an eyesore.

The harvest home service in the Anglican church on Sunday afternoon was not so largely attended as it should have been. The building was decorated with the products of the harvest reminding those present of the goodness of God in making once again the promise that there shall be a spring-time and harvest. Rev. Mr. Robbins the rector preached an able sermon while the music was rendered by the Unionville Choir.

Cheap wheat has raised the standard of living for live stock.

A car load of coal has just been put into the post office building in readiness as the winter fuel supply.

Pick up your share of the bargains being offered at the local stores this Thursday, Friday and Saturday. Read the advertising columns.

Baking Sale and Afternoon Tea will be held in Porter's Ice Cream Parlor, on Saturday afternoon, October 11th, under the auspices of the Catherine Johnson Mission Band.

Archie Harding the barber has moved off Main street to a house on Baker Avenue which was built by Mr. Noah Baker, and owned and occupied by Rev. W. M. McGuire for some years. Mrs. Urquhart wishes to rent her house again just vacated by Mr. Harding.

The officers of Stouffville I.O.O.F. urge all members to be present next Monday evening, October 13th, in their lodge rooms, it being the occasion of the official visit of the D.D.G.M. Visiting brethren are also expected in goodly numbers. Following the work of the evening the brethren will enjoy a luncheon.

The revised tariff seems to be putting a boost in the price of eggs which is a good thing for the farmer if not for the consumer. On the local market last Thursday they stepped up to 33 cents per dozen. Chicken sold at 20 to 26 cents, and hens 15 to 18 cents. The farmer is surely entitled to all the increase in price he can get.

The street dance this Thursday evening will be held in a portion of the business block near the fire hall. The section chosen will be roped off from motor traffic, and corn meal strewn on the road for the people to trip the light fantastic. Not being a dancer, we do not understand the significance of corn meal, except that we know it isn't intended to alleviate the pain when corns are trampled in the midst of a jig.

Ten per cent discount sale now on at Brathwaite's Hardware.

Merchants are asked to put out their flags for Thursday evening.

Whitchurch Township Council will meet at Vandorf on Saturday for general business.

The late Wellington Helmky who died on September 27th, was born on the 10th concession of Whitchurch, and not on the 9th as reported last week. His father was John Helmky, a pioneer farmer of this neighborhood.

The Stouffville Old Boys and Girls Association in Toronto will be out to Stouffville in large numbers this Thursday evening, the press is informed on reliable information. This will add to the interest of the celebration, and their presence will be appreciated.

This section contributed its usual big crowd to the Markham fair on Saturday. Jos. Mowder described the program as the best he had witnessed there in 51 years. Our citizen informs us that this was the 52nd fair, and that he only missed one of them, due to being ill. Mr. Mowder holds the record for attendance at this great annual event, but is closely followed by Mr. Frank Stiver who hasn't missed Markham fair in 50 years.

At a special meeting of Markham Township Educational Council, held in Markham Town Hall last week, it was decided to hold a three weeks' teachers' training course for Markham pupils. The course will be held the last three weeks in November. A committee was appointed to carry out the arrangements. Included in the committee were: Rev. W. R. Auld, Rev. Stewart Woods, W. H. Fuller, A. J. Cumplin, E. J. Stiver and A. E. Milver.

The Parks Commission are erecting a cement base at the park grounds on which to mount the old guns which are relics of the Great War. There is a division in the ranks of the commission over the style of the base now going up, but it is not likely to be changed. No doubt the majority of the people in Stouffville would not consent to their money going into this manner of war memorial at all, but the money used in this case is part of the fund obtained from the government some years ago for park purposes.

In connection with the draw for the new Ford Tudor to be given away absolutely free in Stouffville this Thursday evening, everything is being done to ensure a satisfactory ending. The ticket stubs will be placed in a large washing machine and turned over and over, in view of the crowd. Then a lot of tender years will be on hand to step forward draw out the luck ticket and all will know who is the fortunate one. This part of the performance will take place from the platform of a truck on Main street at 10 o'clock.

Mr. Lloyd Turner who occupies the Brown farm at the corner of the 10th concession and Main street, now owned by Dr. Richardson of Toronto, says he will not be so active a participant at plowing matches throughout Ontario this fall as in the past few years. Lloyd stands among the outstanding champions in Ontario. He has won over forty prizes besides numerous cups and the Echardt trophy. This short notice isn't intended as the announcement of his retirement from the field by any means and he may yet find the "urge" to compete too strong to resist.

Mr. and Mrs. Martin have just returned from a trip to Western Canada where they had spent three months visiting their sons Joseph and Wilmet in Alberta, and with other friends and relatives. While there Mr. Wilmott Wideman threshed about 1200 bushels of wheat, and Mr. Wideman assisted in cutting a 60 acre field, enjoying the novelty of assisting to harvest such a large acreage of grain. Mr. Wideman is of the opinion that western farmers work too much land to farm properly when the seasons are so short. The Wideman farm at Dixon Hill the old family homestead, is one of the cleanest and best cultivated in the fine township of Markham. Mr. and Mrs. Wideman are welcome home after a summer's absence.

Mrs. Harold Lewis (nee Ivy Saunders) who surprised her friends by the announcement of her marriage recently, was tendered a miscellaneous shower by various organizations and friends in town. No intimation of the felicitous event having been made at the time the nuptial knot was tied, the friends seized the first opportunity to do honor to one who had been more than generous in the past in assisting with her musical talent, however, and whenever her services were sought. On Wednesday evening last Mrs. Lewis was invited to Porter's Ice Cream parlor on some pretence or another, and lo! when the lights were switched on, there sat the crowd. The recipient was required to open the gifts, and all viewed the nice array, which included a china dinner set.

Notice—The office of S. T. Bodendistel, V.S., is now located at the Mansion House. Phone 161

St Clair United choir which will render a concert in Melville church on October 16th have been heard over C.F.C.A. and before the exhibition grand stand. Don't miss their visit next Thursday.

Baking Sale and Afternoon Tea will be held in Porter's Ice Cream Parlor, on Saturday afternoon, October 11th, under the auspices of the Catherine Johnson Mission Band.

The citizens will be glad to note that Mr. J. R. Hodgins is back in town, having arrived home on Friday. It will be some time before he is able to resume his duties as C. N. R. agent however.

While attending Baker Hill Baptist church on Sunday evening last someone stole the Ford car from the shed belonging to Harry Pagen of Mount Albert. It was later left at the church at midnight but the thief was not apprehended.

Citizens are reminded that they must not burn leaves on the new road surface, likewise it is unlawful for threshing outfits with flange wheels to travel this road without some protection against the flanges or spikes from injuring the surface.

The Young People of the United church will start the season with a Swastika supper on Monday, Oct. 13, at 6.30 p.m., followed by a Rally the next Sunday evening. Special speakers will be present, and young people are invited to attend.

Mr. Robt. McKinnon last week bought the vegetable field just south of the B.A. Oil Co's tank on Edward street, from Robt. Brown. The price paid was \$300, and next spring Mr. McKinnon intends to erect a neat brick clad bungalow on the property where he can make his home.

Tonight, (Thursday 9th) at the Auditorium Theatre, a special feature "Lon Chaney" The Man of a Thousand Faces, appearing in "Thunder," a thrilling railroad story, also good comedy "Our Gang" in "Fair and Muddy" (Repeat Booking) "Spotlight" and Review to round out a good program at the regular prices.

Friends in town were grieved last week to learn that Rev. Edw. Sanders had suffered a stroke at his home in Assiniboia, Sask. His two brothers Wm. R. and Blake left on Friday night for the west and should have arrived there on Tuesday. Latest word, however, is that the condition of the patient is serious.

Baking Sale and Afternoon Tea will be held in Porter's Ice Cream Parlor, on Saturday afternoon, October 11th, under the auspices of the Catherine Johnson Mission Band.

**LUCAS — RENNIE**  
The marriage was solemnized on Wednesday, October 1, 1930, of Ruby Elizabeth Rennie, eldest daughter of Mr. and Mrs. Wm. Rennie Stouffville Ontario, to Mr. Ernest Lucas, Gormley, Ontario, at the home of the bride's parents, the Rev. S. S. Shantz officiating. The bride, who was given away by her father wore a gown of white canton crepe and bridal veil with cluster of orange blossoms, and carried a bouquet of pink roses. She was attended by her sister Miss Beatrice Rennie who wore a dress of powder blue canton crepe with stockings and shoes to match, and carried a bouquet of crimson roses. Mr. Charles Milstead of Stouffville, acted as groomsmen. The wedding march was played by Miss Edna Stouffer, Stouffville. After a dainty supper was served Mr. and Mrs. Lucas left on a motor trip for Niagara Falls, Buffalo, and Kenmore. The bride travelled in a dress of royal blue, canton crepe, grey wool tweed coat, with hat and shoes to match. On their return they will reside at Lion's Head Ontario, where Mr. Lucas is appointed as pastor of the Mennonite Brethren in Christ church.

**GOODWOOD**  
The smoke from fire over on the 7th of Uxbridge last Monday afternoon could be seen near Goodwood. It was the home of Fred Jackson which was lost with all the furniture and clothing. Shortly after the dinner hour Fred put some tar on the stove to melt, and proceeded outside to do other work in the meantime. Mrs. Jackson was also out of the house and the boy was in the barn when they suddenly saw the flames shooting skyward. So quickly did the old frame house go that not an article could be saved.

The Stouffville Women's Liberal Association will hold their first meeting after the holiday season, next Tuesday evening, October the fourteenth, at the home of the president, Miss E. Sangster. All members and friends of the Association are cordially invited. Mr. W. P. Mulock will be present to address the meeting, and a good program of musical numbers is being planned.
