bership of ten is required before application can be made to start a Sheep Club. The members must be under thirty years of age and reside on farms where sheep are not now kept and where the accommodation for successfully raising sheep is satisfactory. Each member will be supplied with five ewe lambs by the Department and with a purebred ram for a period of two years. The first year one lamb must be returned to the Ontario Livestock Branch and during each of the next succeeding three years two lambs until a total of seven lambs have been returned. Each member must care for his flock in accordance with regulations laid down by the Livestock Branch and must dip his flock for external parasites at least once a year. A considerable number of clubs are already in operation and other applications are being received from time to time.

MELVILLE

Mr. Carson Wideman visited Mr. and Mrs. E. Nigh on Sunday.
Mr. Benson Meyers spent the week end at the home of Mrs. J. Houck.
We are sorry to hear of the illness of Mr. Chris. Wideman of the 5th line.
Mrs. J. Nigh visited her daughter Mrs. E. Elliott of Toronto on Monday.
Miss Georgia and Ella Whitson of Whitby called on Miss A. Mustard on Sunday.
Applesauce is all the rage just now. Several of the farmers are boiling this week.
In all our travels we haven't seen fall wheat that will come up to Alf. Smith's of Cashedel.
Born—To Mr. and Mrs. Harry Forrester, on Oct. 1st, 1930, a daughter (Dixie Bernice).
Clarence Wideman and Miss Jean Mustard spent Sunday evening with Mr. and Mrs. Harry Forrester.
We are sorry to hear that little Harold Carter at Mr. Morton's has been on the sick list this week.
Mrs. Alf. Smith was helping her mother, Mrs. A. Duncan on that busy day we call threshing last week.
Don't fail to hear "Ye Olde Village Quartette" at Melville on Oct. 11th under the auspices of the W.M.S.
Mr. and Mrs. Geo. Baker and sons Lorne and Murray of Gormley visited with Mr. and Mrs. Harvey Houck on Sunday.
The baseball game between Miss Miller's school and Mr. Wideman's of the Sixth line, Whitechurch, was a tie.
Mrs. Wm. Topham and daughter Clara, also Mrs. Stanley Topham and baby, called on Mrs. Kenneth Stotts on Monday.
Mr. and Mrs. David Hoover and daughter Violet of Stouffville spent last Tuesday evening with Mr. and Mrs. Jacob Wideman.
Mrs. S. B. Lehman of Almira, Mrs. Jacob Wideman of Cashedel and Mrs. Jos. Gorman of Stouffville were guests of Mrs. Ed. Nigh on Tuesday.
Several people motored to Vivian on Sunday afternoon to see the reforestation. It was a wonderful sight. The maple leaves made a lovely background for the evergreens.
Several of the people in this neighborhood attended the Markham fair on Saturday. Among these visitors was Mrs. J. Bucken who attended the fair for the first time in thirty years. We presume she would see many great changes.

FOR SALE—Rugby Truck in splendid condition, with high rack, good tires and small mileage. Also good dining room Suite. Lloyd Turner, Ph. 1108.

Mr. and Mrs. Joan Lewis were guests at Councillor T. Lewis on Sunday.
Mr. and Mrs. Murray Dunkeld, Miss Jessie Watson, Miss Olive Madill were guests at Frank Wagg's on Sunday.
Wednesday of last week was an ideal day for D. W. Crosier's sale. It totalled over \$3000, but the hay and roots were not sold. Prices ruled high for other things however, and bidding was fairly brisk. The 15 milch cows sold at an average of over \$90. E. T. Stevens of Yonge Street bought the highest priced cow at \$125. The yearling steers averaged \$40.50 while a heifer rising 3 years sold at \$103. Implements averaged fair in price although the binder went at a bargain for \$65, while the drill used for 16 years sold at the same price as the good binder. Suckling pigs went briskly at \$7.50 while 175 pound pigs commanded \$20.75 each. Sheep sold high at \$13 to \$15 each, and yearlings \$15.75. Spring lambs brought \$9.75. Horses proved hard to sell, a good work team going at \$115, but a yearling gelding brought \$91, Dudley White who purchased the 100 acre farm for \$10,000 has one of the finest properties in the section. It had been in the Millard family for long years. Jackson & Jackson, auctioneers, were heard here by many for the first time. They have a wide spread reputation in their home dis-

Answering the Question

What Roofing shall I choose?

We say positively that Colored Rib-Roll represents the greatest advancement in the roofing industry in 25 years. A critical examination of Colored Rib-Roll will convince you that it is the logical roofing to use on your home.

- Here are the Unique Advantages of Colored Rib-Roll
- Permanence—A metal roof with a galvanized iron base. Cannot warp, shrink, peel, crack, curl or bluge.
 - Fireproof—Sparks cannot ignite Colored Rib-Roll's metal surface.
 - Beauty—colors to match brick, stucco, wooden structures, stone or any material.
 - Lightning Protection—Properly grounded according to the Ontario Lightning Rod Act, Colored Rib-Roll gives complete lightning protection.
 - Economy—Can be laid right over old shingles with maximum speed. Write today for free sample of Colored Rib-Roll, together with descriptive booklet.

Put it On With PRESTON LED-HED NAILS

Note the generous overlap which means a perfect joint. Note how the lead on the head of the Led-Hed Nail seals the nail-hole. Preston Led-Hed Nails are colored to match.

We Also Make the famous Preston Steel Truss Barns, Barn Door Hardware, Galvanized Tanks, Barn Ventilators, "Council Standard" Rib-Roll for barns and out-buildings and all kinds of sheet metal building materials.

COLORED RIB-ROLL

INFORMATION FOR THE BUSY FARMER

(From Dept. of Agriculture)

O. A. C. Cattle Sale
The annual auction sale of purebred cattle, sheep and swine at O. A. C. will be held on Thursday, Oct. 23rd, 1930. This event has always attracted widespread interest among cattle breeders and farmers generally and a large attendance again this year is anticipated.

Big Plowing Match
Widespread interest is being evinced in the International Plowing Match and Farm Machinery Demonstration which will be held October 14, 15, 16 and 17, on King's Highway No. 7, near the city of Stratford. This year's match promises to set a new record for number of entries contests and enthusiasm, as will the North York match at Vandonr on October 23rd.

The Bean Yield
Reports from the bean growing sections of Ontario give the actual

bean yields as somewhat higher than was first estimated. About 67,000 acres of beans were grown in Ontario this year; an increase of 30 per cent. over 1929. Yields however, have been severely cut by the long spells of dry hot weather and the total yield will not be larger than in 1929. The Ontario bean crop has a yearly value of well over two million dollars.

Appeal to Producers
In connection with the "Buy Ontario-grown Products" campaign which is being aggressively prosecuted by the Government, an appeal is made to producers to help make the scheme successful by being even more careful than in the past about their offerings. The Department is recommending GRADuated VEGETABLES and the producer has a splendid opportunity to get this new business by offering graded products.

This Barnyard is Clean
On a farm near Galt there is a barnyard that is always clean. The whole of the yard is paved with concrete. A scraper drawn by horses

makes cleaning easy. Those who have done such paving say that the main requirement is a well drained site on which to lay the concrete. In many cases the first move is to tile the yard. The owner of the yard mentioned above says that it is a good investment because it means cleaner cows, cleaner stables, manure properly conserved and more personal comfort and satisfaction.

Those Old Engines
Did you ever wonder what becomes of all the old steam traction engines when they die? If they're good, they go to Norfolk County tobacco kilns and pump in steam to cure the bright leaf. Many have been seen at work during the past month doing just this thing and proving conclusively that there is always some way to use even the most apparently outworn agricultural implement.

New Interest in Sheep Raising
Marked success is attending the Department's effort to stimulate a greater interest in sheep-raising by the establishment of Sheep Clubs throughout the province. A mem-

CAUTERIZER

EXTRA FOOHOLD means CHEAPER PLOWING

WATCH a tug-of-war team on the end of a rope. Note how easily and steadily the boys pull when they have a firm foothold—how they slip and slither if they have no holes to brace their feet.

The same principle applies to a tractor. The more traction it has, the easier and steadier it pulls—less slipping—less waste of power. That can mean only one thing—more actual work from every gallon of fuel—cheaper plowing, cheaper cultivating, etc.

Look at the long, wide tracks of the "Caterpillar"—compare "Caterpillar" traction with that of any other tractor—then you will see why "Caterpillar" owners save so much on their fuel bills.
