NOTES AND COMMENTS

Particular interest among farmers by the novel travelling display of Eastern Steel Products Limited, of Preston, Ontario.

Makers of products not easily displayed in practical use, this firm has built a model Preston Steel Truss Barn, covered it with their new colored "Rib Roll" Roofing and siding, and mounted the entire unit on a truck chassis. In this novel manner they have found a means of exhibiting their products with remarkable facility.

Far from being a "Tom Thumb" model, the Preston Steel Truss display barn is 7ft wide, 15 ft. long and 8ft. high. The cornices are equipped with cast-iron conductor pipe and one end of the barn is easily removable to permit interior inspection.
The use of colored "Rib Roll" roofing and siding has resulted in a most pleasing color combination. The sides of the barn are red, the roof green, the ventilators white trimmed with green, and the window and door trim white.

His sister Maggie passed away three years ago.

WHITCHURCH TP. COUNCIL

In view of the numerous protests against collection charges added by the banks to tax bills when ratepayers presented them for payment, Whitchurch Township council on Saturday decided to have all tax bills accepted this year at the banks at Aurora, Newmarket, Gormley and Stouffville without charge. Council will pay the costs in a lump sum to the banks. Ratepayers may pay the collector as in former years or leave the money at the bank as they choose. The more who pay the collector the less will be the lump sum the council will be called on to pay.

The meeting on Saturday was perhaps the quietest of the year. Reeve Kidd, deputy Reeve Williams and Councilors Ratcliff Rae and Evans were all present.

Fred March, J. A. Clark and W. J. Pattenden were accepted as bondsmen for the collector in the total sum of \$20,000, on a motion of Councilors Ratcliff and Evans.

Messrs Williams and Ratcliff introduced and carried a motion to pay T. H. Shropshire \$65 for 5 sheep killed and damage to flock. A Newmarket police dog is alleged to have done the damage, and its owner will have to pay.
