

GOODWOOD

Wedding bells are ringing. Mrs. Middleton spent a few days in Toronto.

Miss Viola Reid is spending this week in Toronto.

A number of our citizens are under treatment for colds.

The Sunday schools are preparing Christmas entertainments.

Jos. Crawford lost one of his horses from the fine dapple grays last week.

Both our general merchants are indisposed this week but business goes on as usual.

John Hynes has something to say about the bachelor tax, and is not pleased with his levy this year.

The installation of officers of the L.O.L. will be an interesting occasion Friday night, to be followed by a luncheon.

It is noted that the Football Smoker will be an event on Thursday night with the presentation of the Sinclair and McLaughlin cups and medals to the town players.

The skating ring is being prepared and will be much longer than last year being on the property of Jos. Crawford. We understand that Joe is giving up the use of the land, with Miley doing a lot of good work.

Having exchanged some of his Oshawa property for a farm in the same district, Richard Hynes will move from here shortly to the farm. Sorry to lose good folks like this.

George Todd shipped a car load of potatoes this week, but prices are flat. A car load of nut coal was being hauled about the district for D. McDonald last weekend. He must have sensed the zero weather we had Monday.

Jos. Cooper has his new barn erected on his farm over on the 2nd. Jos. Ogden, the contractor, is busy putting in the cement slab. Doors and windows are all in, so the work may go forward independent of cold.

Wm Woods of Uxbridge Township was soaked \$10 and costs before the magistrate in Uxbridge for driving a car in a reckless manner. The good book says something about one being taken and the other left. Bill was taken on this occasion, but many are left to continue their reckless driving.

We understand that Reeve Davies and Deputy Reeve George Todd together with the councillors will seek re-election for another term. Your correspondent isn't versed in local politics nor have we an ear to the ground, but in these days of retrenchment, we can't see anything to be gained by upsetting the council this year. They have given us good service, and the one who steps out to cause an election should be prepared to show the ratepayers how they can save them the cost of the election during the following 12 months, if they are chosen to run the ship of state.

Mrs. R. Rawson, a former resident of this township and quite well known in Goodwood, has recently returned to her home in Claremont from a lengthy trip to Western Canada. She visited her son Donald of the Saskatchewan University and with her brother up in the Peace River district.

The public auction sale of wood lots on the John Maye farm just south of the village proved just a fair success last week. The attendance was very good, but bidding was not too brisk, although fair prices were obtained. Five acres of excellent bush was sold in about quarter acre lots which ranged from \$51 down to \$15. We notice that Mr. Maye has gone in for vegetables on a rather extensive scale this year on this farm which he recently acquired. He has 2000 bushels of turnips and hundreds of bags of carrots on hand. Now John if the market is poor this winter, you need not worry so long as your appetite for vegetable soup holds up.

An interesting detailed statement, showing the disposition of \$81,415.36 expended on Ontario county roads from January 1st, 1930 to November 1st, was presented to the County Council at Whitby by the County Roads Committee. This large amount of money was paid out for construction and maintenance of roads, bridges and culverts, machinery and tools, fuel and oil, office expenses, workmen's compensation, insurance on roads during the current year. We note that Uxbridge Township fared very well in the manner of getting a share of weather.

The money for the local roads, receiving \$4,266. Below is the manner in which the money was distributed among the municipalities in the county:

East Whitby	\$1,217.96
West Whitby	1,770.55
Pickering Twp.	12,274.50
Uxbridge Twp.	4,266.00
Scott Twp.	7,905.13
Reach Twp.	6,937.15
Seagov Twp.	2,622.03
Brock Twp.	9,343.03
Thorah Twp.	5,036.18
Mara Twp.	6,476.49
Rama Twp.	5,616.75
	\$63,465.93

In addition there was expended on urban roads in Whitby town, Port Perry and Uxbridge the sum of \$5,676.01.

SHOOTING MATCH
A shooting match will be held on the farm of Roy Sebeck, lot 13, rear con. 10, Markham 1 1/2 miles north of paved road at Locust Hill, on Saturday, December 6th. Shooting for geese, rifles and shot guns.

IN GRATEFUL MEMORY OF LUDWIG WIDEMAN

Killed at Montgomery's Tavern, December 7th 1837.

Recently, two strangers called across the road from the Union Church, a mile south of Ringwood, to inquire for the grave of Ludwig Wideman, buried in the Union grave yard since 1837. They went to the cemetery, lingered awhile, and went away, without saying more to anybody thereabouts.

There was a pilgrimage in Canadian patriotism, a homage to a farmer and soldier of freedom, of whose supreme sacrifice no word is graven upon his memorial stone. He was the only mannik in the fight at Montgomery's Tavern, on Yonge Street which ended the Upper Canada Rebellion, ninety-three years ago next Sunday, December 7th.

Captain Wideman was shot through the forehead, as he rose behind a stump to take aim at one of the attacking forces. He was fifty-six years old, had lived on his farm at Ringwood, for thirty years; and during the war of 1812-14 was a lieutenant and under arms for two years, in defence of a country that was very dear to him.

Ludwig Wideman came to despair of Canadians attaining freedom to govern themselves during the general election of 1836, which the Lieutenant-Governor, Francis Bond Head conducted in a spirit of condescension all who disagreed with him as traitors. Wideman drove to Newmarket to vote. Known to be a Reformer his vote was challenged and he was ordered to take the oath of allegiance—a branding of disloyalty which he resented deeply.

How he came to join the rebel ranks is not known to this writer; but his family tenderly revered him because he answered what he believed was the call of imperious duty. Even if he were wrong, he was of the heroic quality in which makes men willing to die for only a great public end be served. To that form of a man laying down his life for his friend—thankful reverence is paid across however many years have passed since the courageous decision was made.—A.H.

Local Happenings

The annual meeting of Stouffville Bowling Club will be held on Friday, Dec. 11th.

Mrs. James Lewis of Peterboro, was in town for the funeral of her uncle the late Samuel Hare.

A cordial invitation to the ladies of the town and district is extended to attend the baking demonstration at Ratcliff's store any day next week.

The selection this Christmas of personal greeting cards is really worth looking over at The Tribune office. Make your choice from the large variety of cards, and have your name neatly printed thereon. Priced from \$1.50 dozen to \$7.

GORMLEY

Mr. and Mrs. Ernest Harvey of Melancton were visitors at the home of Mr. and Mrs. Jas. Hunt a few days last week.

Miss Annie Raymer spent the fore part of the week with Mrs. Ernest Hunt.

The Gormley Women's Institute meeting held at the home of Mrs. George Baker on Friday was well attended.

Mr. and Mrs. Ernest Jones and family spent Monday in Toronto.

Mr. and Mrs. Jos. Currie and family spent the weekend with relatives in Watford.

Jack Frost is making his yearly visit around this burg. We could do with that bear gorrilla coat we read of in the Seventh line news.

Here and There

Officially closing the 1930 shipping season as far as inward bound Quebec terminus ships are concerned, Canadian Pacific liner Empress of Australia, docked at Ancaster Capital November 21, carrying back from the Imperial Conference Premier Ferguson of Ontario, Hon. Hugh Guthrie, Minister of Justice; Hon. C. H. Cahah, Secretary of State, and Hon. Thomas Chapais, Canadian delegate to the League of Nations.

Dressed poultry shows are being held in Regina on December 10th and in Saskatoon on December 11th for the purpose of arousing friendly competition in poultry production among the farmers of the province and further to advertise the poultry industry, according to W. Waldron, provincial market commissioner. Mr. Waldron said that money prizes and special awards are to be given at these shows.

Little Julian Vebob, of Prince-ton, B.C., six years of age, has accepted the betrothal of his 2 1/2-year-old sister, Marie, and his 11-month-old brother, Mat, across the Atlantic on Canadian Pacific liner Montcalm, while their father treks back to his wifeless home in the mountains. The children were turned over to their grandmother at Cherebourg and will be taken to Prague, Czechoslovakia.

Headed by the Rt. Rev. Andre Lefebvre, Bishop of Ming Po, China, four priests and eight sisters, composing the largest missionary party to leave Canada for the Far East this year, left recently from Vancouver by S.S. Empress of Asia. They will join missions in Japan and Manchuria as well as China.

RINGWOOD

Gordon Barrett spent Friday evening here visiting his uncle.

Mrs. A. Fockler and son Dean and Miss Ada Gower of Toronto were here on Tuesday.

Mrs. Hulda Raymer has returned to Springfield, Ohio, after several months spent here.

I. S. Hundal, a native of India will address the Christian Endeavor in the church here on Monday, Dec. 8th. Peaches' quartette will render music, and the public is invited.

Ross Vague and family have moved from Baker Hill to the Law place which they purchased. The Vagues are welcome addition to our locality.

BY-LAW NO.

A BY-LAW PROVIDING FOR A FIXED ASSESSMENT FOR THE LANDS, BUILDINGS, AND EQUIPMENT OF THE GOLD FISH SUPPLY CO. LIMITED.

WHEREAS The Gold Fish Supply Co. Limited have purchased Village Lots Nos. 31, 32, 33, and 34 according to registered Plan No. 321 for the Village of Stouffville, and also Lots No. 12 1/2 and J. according to a Map of the Village of Stouffville known as Plan No. 1155 on which there is now erected a large Brick Factory.

AND WHEREAS the said Gold Fish Supply Co. AND WHEREAS it appears expedient to accede to the said request and to fix the assessment of the said lands, buildings, plant and equipment of the said firm for the said period.

THEREFORE, THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE Village of Stouffville enacts as follows:—

1. That the Annual Assessment of the above mentioned lands including the business assessment, together with the building, plant and equipment now or hereafter constructed, erected or used upon or in connection therewith shall be and the same is hereby fixed at the sum of Twenty-five Hundred Dollars (\$2500.00) for the years 1931 to 1935 both inclusive and save as aforesaid the said lands, buildings, plant and equipment from time to time situated upon the said lands within the said Municipal Corporation of the Village of Stouffville shall be and the same are hereby exempted during the years 1931 to 1935 both inclusive from all Municipal Assessment and taxation of any and every kind whatsoever beyond the amount to be ascertained in each year by application of the yearly rates levied for the same or other taxation aforesaid for all purposes in each year to the said fixed assessment.

2. The Assessor of the said Municipal Corporation of the said Village of Stouffville is hereby authorized and required to so make this Assessment and returns as to conform to the provisions of this By-Law.

3. Nothing in this By-Law contained shall apply to or affect taxation for school purposes and local improvements.

4. This By-Law shall come into force and effect from and after the passing thereof after the same has received the assent of the electors of the said Municipal Corporation of the Village of Stouffville.

Read a first and second time in open Council on the Second day of December, 1930.

BY-LAW NO.

A BY-LAW TO FIX A DAY FOR TAKING THE VOTES OF THE ELECTORS OF THE VILLAGE OF STOUFFVILLE ON A PROPOSED BY-LAW TO GRANT A FIXED ASSESSMENT ON THE LANDS, BUILDINGS AND EQUIPMENT OF THE GOLD FISH SUPPLY CO. LIMITED.

BE IT THEREFORE ENACTED by the Council of the Corporation of the Village of Stouffville as follows:—

1. That the Votes of the duly qualified electors of the said Municipality shall be taken at the same time and at the same places as the annual election.

2. That on the Second day of January, 1931, the Reeve will attend at the Clerk's Office at 1.30 o'clock in the afternoon to appoint persons to attend at the polling places and at the final summing up of the votes by the Clerk respectively on behalf of the persons interested in and desirous of promoting or opposing the passing of the said proposed By-Law.

3. That the Clerk of the said Municipality shall attend at the Council Chamber at One o'clock in the afternoon on the 6th day of January, 1931, to sum up the number of votes given for and against the said proposed By-Law and to declare the result thereof.

Passed this Second day of December, 1930.

INFORMATION FOR THE BUSY FARMER

(From Dept. of Agriculture)

Douglas Gee and Geo. Boynton, Gornley with J. Levison of Temperanceville, York County team, won the highest standing in the live stock judging competition at the Royal Winter fair. 37 counties entered the contest.

A Word to Junior Farmers

"Hats off to the past, coats off to the future," was the slogan given to Junior Farmers by J. B. Fairbairn, Deputy Minister of Agriculture, in an address at a banquet tendered this organization in Toronto last week. Mr. Fairbairn impressed upon his youthful hearers the fact that money was not everything. "The greatest force in the world today is intelligence," he said, in urging his audience to develop an ideal "Honesty and straightforwardness are of greater service to agriculture than monetary returns.

Current Crop Report

Live stock throughout the province is reported to be in a generally good condition. In Brant the absence of rain has created a difficulty as far as watering stock is concerned, but farm work is well completed. Stock appears healthy in Bruce but some classes appear to have gone back somewhat because of the poor grass. In Essex a complete clean-up of the sugar beet crop is indicated. Fall wheat in Hastings is in good condition and the report states that live stock will go into winter quarters in fine shape. Cattle are moving briskly in Oxford with many head being shipped to Quebec, and the United States. Between 30 and 35 carload of cattle have been shipped out of Temiskaming so far and all live stock is reported in first-class condition. Farmers in Welland are fearing a winter famine this winter as a result of the absence of rain. Many wells and streams are already dry.

Fertilizer Tests on Potatoes

During the past summer the Department of Chemistry, O.A.C., in co-operation with the Boys' Training School at Bowmanville, has conducted an extensive test with fertilizers of varying analyses on the potato crop. In the experiments two sets of plots were used. On the first set, the fertilizers were applied at the rate of 1000 pounds per acre and on the second set at the rate of 500 pounds. In each set, one plot was left without fertilizer for comparison. In these tests and on this soil, a 2-12-6 fertilizer seems to give materially better results than any other. Where fertilizers were applied at 1000 pounds per acre, the average yield of potatoes was 241.5 bushels against an average where no fertilizer was applied of 162.1 bushels. This figured out at a net gain of \$56.90 for the crop. Where fertilizers were applied at the rate of 500 pounds to the acre, the average yield was 190.6 bushels as compared with 62.1 where no fertilizer was used, and a net of \$18.34 per acre was recorded. The experiments will be repeated next year.

Fattening Poultry

In crate-feeding poultry particular care should be taken to feed a ration which will produce the white fat and the milk-fed quality. The following ration has been tested and found suitable for crate feeding: Equal parts of middlings, ground oats and barley; equal parts of middlings, ground oats and ground new potatoes; equal parts of middlings, ground oats and mashed potatoes; equal parts of middlings, ground oats and cornmeal; equal parts of shorts, ground oats and ground barley; equal parts of low-grade flour, ground barley and ground oats; equal parts of ground whole wheat, ground whole oats and ground whole barley; equal parts of ground barley, ground buckwheat and bran.

Recommend Cow Rations

A committee of leading agriculturists was recently appointed to study rations and suggest mixtures of feeds that would be suitable to Ontario conditions. The committee comprised Prof. J. C. Steckley, Ontario Agricultural College; R. W. Wade, Director, Ontario Live Stock Branch; W. J. Bell, Kemptville Agricultural School, and W. R. Reek, Ridgeway Experimental Station. The following ration was suggested for cows in milk and getting clover or alfalfa hay: 1 pound hay per 100 lbs. live weight; 2 pounds silage per 100 pounds live weight; 2 pounds roots per 100 pounds live weight; and a grain mixture of 200 pounds ground or rolled oats, 200 pounds bran, 100 pounds barley, 50 pounds oil cake and 50 pounds cotton seed. Another suggested mixture is 200 pounds oats, 100 pounds gluten, and 25 pounds oil cake. The protein content of the first ration is 18 per cent, and of the second 17 1/2 per cent. Either is to be fed at the rate of one pound of meal for each four pounds of milk. Wheat may be used in place of barley and, if roots are not available, feed three pounds silage. If silage is not available, feed four pounds roots per 100 pounds live weight.

Minister Announces Program

In an address at the opening of the Royal Winter Fair, Hon. Thomas L. Kennedy, Minister of Agriculture announced a program of agricultural expansion and development on a scale never before attempted in the province. The chief points enumerated by the Minister are:

1. To build up the live stock industry by use of pure stock.
2. To cut down by 10 per cent. the annual field crop production in Ontario.
3. To reduce cost of manufacturing field crops into dairy products and meat by more skillful feeding and balanced rations.
4. Extension of agricultural educational training throughout Ontario and co-operation of county councils in spreading information to farmers.
5. Erection of cold storage plants in various parts of the province for storing produce and fruit and creating an orderly market as well as improving quality of products.

The Minister stated that legislation agriculture would be introduced at the next session of the Legislature and that a committee would shortly be formed to make a survey of Ontario to investigate every phase of agriculture. County councils throughout Ontario will be asked to help the Department in spreading vocational education to the farmers.
