## Our Name for Fair Dealing Protects You

Our policy is such that we can afford to sell used cars for just what there're worth in unused mileage. The value of the new Model A Ford is so high, so close to the cost of production, that we have no leeway for making excessive trade-in allowances when we accept used cars in trade. Thus when we resell a used car, we have no incentive to mark up the price to save us from taking a loss. When you buy a used car from us, you pay for the miles of unused transportation in it, for its actual worth, and nothing else.

## WHEN?

A frame house stood on the site there Shell's butcher shop now

When Mr. G. H. Kemp purchased the property, the frame house was removed bodily to a position at the rear and was used as a stable, and the brick dwelling now, occupying this corner was erected. Later the block now occupied by the Tribune, was erected, replacing a frame building which had previously stood on this site. This frame building was originally the office for the mill. "OLD TIMER"

### WOUND UP AFFAIRS

Whitchurch Township Council held its final meeting of the year on Monday with all members present and Reeve Kidd in the chair.

J. Grose, a tax payer from the east side appeared at the morning session and told the council such hard things about themselves that it must have spoiled their digestion at noon hour, had they not been able ot properly visualize a man who is liable to say things out of season

when he is mad. Mr. Grose has a grievance against the municipality for maintaining a road that he alleg es trespasses on his property.

It was moved by Councillors Ratcliff and Evans that Reg. Knowles be paid \$10 for sheep killed by dogs unknown and Mrs. Shaw 1 sheep killed \$5. Carried.

Geo. Preston, truant officer, made his report and was paid \$35 for services during the year, which included writing 21 letters, and sundry other work.

The following amounts were paid the councillors for their services during the year, attending 12 council meetings and for commission work done: H. Kidd \$165, L. P. Evans. \$140, R. Ratcliff \$135, N. Rae \$135, A number of road accounts were passed for payment, which will appear in the financial statement at nomination.

# The Spirit of CHRISTMAS

TOUCHES EVERYON'S HEART

We think of Xmas in terms of giving. We know that in giving we receive our happines. This is the true spirit of Xmas well learned by all men.-We, who are in business to serve—give of our service in full measure,—fuller the measure the greater return, not necessarily material returns but the returns in happiness and self-respect which every man feels within when he gives the best that is in him.-That the Xmas spirit that comes from giving may infiltrate throughout the entire year-that you, that we, that all men may serve even more fully, may give even more freely of the best that is in us,—is the Xmas message, the New Year's wish which we believe will bring more complete and lasting happiness than can be conveyed by mere wishes for a Happy Xmas.

## Where do You Keep Your Valuable Papers

THE whereabouts of your valuables is nobody's business but your own, and for that very reason they should be placed beyond the reach of meddling persons, thieves or elements which compromise their security. Use a safety deposit box in your nearest branch of the Standard Bank. It is the most convenient method of safe keeping for documents, jewels and other small objects of value.
